

THE DEALINGS OF THE ENEMY

Satan: the enemy of God Yahweh / I AM / King Jesus – Part Two

SEERSGATE IS SPEAKING:

Yahweh is having me get this document written out earlier due to unexpected power outages. And Yahweh doesn't want the work to fall behind due to these inconveniences.

YAHWEH'S TURN TO TALK:

I kept you young looking for a very good reason. How many younger versions of humans take advice from someone they cannot relate to? Here we are talking about the enemy of the One True God, and Yahweh brings up your way of presentation. It's because I am using your nature also to yield a way of a sign, and I want the person who looks your way to note your way within this work.

Don't be angry about the Internet. No one can halt Yahweh's power way. No one can halt how Yahweh brings forward a great Kingdom work. I am faithful to take care of how all must come forward. I do not rely on a checklist to make sure all tasks are taken care of. I am not a human.

People say that the God named King Jesus was just a man when He walked the earth. What kind of man can bring healing to body, soul, and spirit? Yahweh is God. As you mentioned, King Jesus referenced Himself as I AM. King Jesus took on two natures within one frame: God-Man, but never was King Jesus only a man.

Let us get into our topic. Servant, go ahead.

SERVANT SEERSGATE:

I love when Yahweh calls me “servant.” It wasn’t always that way. I love that Yahweh really speaks and His ways of dealing with us are not cookie-cutter methods. The way Yahweh deals with me may not be how Yahweh chooses to deal with you. But the difference in dealing with us does not make one person more important than the other. Yahweh is love, but He is also a fair Judge. We can trust how Yahweh governs just by how He sets the sun, moon, and stars in order in an operating system that doesn’t fade away.

Not only is Yahweh able to keep the universe in operation, but Yahweh also keeps our bodies pumping blood. He gives us air to breathe, a way to be sustained on Earth. No other planet offers the graces that He gives us here. We do not need spacesuits; we can walk freely around without protection. But what do we do with knowing we have a God who protects us? Some may pretend He is not real. Some may want to put lowercase gods in Yahweh’s place. For some, human nature would lead and make ourselves our lowercase gods.

At the same time, Yahweh still looks upon us lovingly, not holding any grudges, not taking away our oxygen when we are ungrateful, unthankful, or unholy. And yet, Yahweh calls out to us, seeking a relationship, wanting to spend time with us. But what tends to fill our time? Social media, maybe? Filling our time with sports or outdoor adventures while pretending the earth evolved from nothing. Faithful is Yahweh still.

And what other spirit do we turn to? “We” refers to all of humanity. Many would turn to Satan, but what benefit would there be to turn to a created spirit? Satan loves to reveal himself. Satan loves to operate in prideful ways, wanting to stand on a platform and claim a title He does not deserve.

And never can he become a God just as God I AM. Yahweh and Satan are never in the same grouping. Yahweh literally holds all creation together with His great power, and if Yahweh chooses, forms of matter will dissolve in one breath from our Creator.

Satan and the way he deals with humans

Satan has tricked many into believing that he can give out the same nature traits as Yahweh. The problem that Satan presents humans: he gives half-truths or a baseline that carries some truth that, without a discerning way, a person would take that power option that puts oneself on a pretend equal level with Yahweh. What did the serpent tell Eve in the garden?

(1) Now the serpent was more crafty than any other beast of the field that the Lord God had made. He said to the woman, "Did God actually say, 'You shall not eat of any tree in the garden'?" (2) And the woman said to the serpent, "We may eat of the fruit of the trees in the garden, (3) but God said, 'You shall not eat of the fruit of the tree that is in the midst of the garden, neither shall you touch it, lest you die.'" (4) But the serpent said to the woman, "You will not surely die. (5) For God knows that when you eat of it your eyes will be opened, and you will be like God, knowing good and evil." (6) So when the woman saw that the tree was good for food, and that it was a delight to the eyes, and that the tree was to be desired to make one wise, she took of its fruit and ate, and she also gave some to her husband who was with her, and he ate. (7) Then the eyes of both were opened, and they knew that they were naked. And they sewed fig leaves together and made themselves loincloths.

—Genesis 3:1-7 ESV

So, what did Yahweh say?

(15) The Lord God took the man and put him in the garden of Eden to work it and keep it. (16) And the Lord God commanded the man, saying, "You may surely eat of every tree of the garden, (17) but of the tree of the knowledge of good and evil you shall not eat, for in the day that you eat of it you shall surely die."

—Genesis 2:15-17 ESV

YAHWEH IS SPEAKING:

So, do you see what the baseline problem was? A direct misunderstanding of the order. Now, the question should be: Did Adam relay the wrong instruction since Eve was not there when I gave the command not to eat of that tree? Look at this verse, servant, the one you reviewed:

So when the woman saw that the tree was good for food, and that it was a delight to the eyes, and that the tree was to be desired to make one wise, she took of its fruit and ate, and she also gave some to her husband who was with her, and he ate.

—Genesis 3:6 ESV

YAHWEH CONTINUES:

Where was Adam, servant? Right beside her. When people preach this, they make it seem as if Eve was by herself doing this sin when in reality, they were both together, yet Adam blamed Eve, and Eve blamed the serpent for sinning. It says he was with her. So, if Adam was with her, whose fault was it for the fall? Who did I address first? And why would I address Adam and then talk with Eve? I did speak with Eve.

People must read what is actually written and not assume that the woman had no governing, for if she did not, I would not have addressed her. Adam was the one who was told the command before Eve even came forward. I made Eve after I gave Adam the command. Adam was supposed to have given the order, the correction of when something is off. Who became Adam's god at that moment? His wife. He followed her over My command.

Anything that takes Yahweh's place has become your god. You understand that. And when any man says to "worship what I say over what Yahweh says" has placed a god-pole in his honor and wants you to worship their way over Yahweh's Word.

So, who is actually at fault? I judged them both. Why? A household order. Now, think about it: how many houses are in chaos because one spouse is trying to place an order over the other that breaks down the family structure by use of calling out words against the other? Satan gives a taste of twisted truth that becomes a new baseline of how the human should move forward.

I look at how churches are. I note that they have their core beliefs as if copied, pasted, and declared for a front. But then I look at how they have yoga and other occultic practices in their church ways. They defile My altars with actions that go against My core Word, and they expect Me to bend to their way.

They say, "Yahweh, look, we are telling everyone that Jesus is the Way to Heaven."

But Yahweh says back, "Then why are you having sex with harlots? Why are you prostituting My gifts? Why are you adding your doctrine to My Word? And I have more crimes to speak against your way, for you serve Me with fake ways; your heart is far from Me. The form of godliness brings up vomit."

And you wonder why I am not there. You fake having Yahweh in your services because Satan is actually your god. The human body belongs to Yahweh, a temple of the Lord. How can you join it to harlots? How can you defile the temple? You dress up your church outlets while your fleshly tent is like dead men's bones. How can I honor this half-hearted worship? See, I cannot have false ways of worship and take them as a sweet savor. My creation must worship Me in spirit and in truth.

See how Satan causes division? Satan has My Body arguing about salvation when it's clear: the only way to Heaven is by the blood of King Jesus. You must be born again. You must enter the Kingdom of Yahweh by salvation in the Way.

Jesus said to him, "I am the Way, and the Truth, and the Life. No one comes to the Father except through Me."

—John 14:6 ESV

(8) But what does it say? "The word is near you, in your mouth and in your heart" (that is, the word of faith that we proclaim); (9) because, if you confess with your mouth that Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved. (10) For with the heart one believes and is justified, and with the mouth one confesses and is saved. (11) For the Scripture says, "Everyone who believes in him will not be put to shame." (12) For there is no distinction between Jew and Greek; for the same Lord is Lord of all, bestowing his riches on all who call on him. (13) For "everyone who calls on the name of the Lord will be saved."

—Romans 10:8-13 ESV

YAHWEH CONTINUES:

Salvation is not in the car you drive or the spouse you carry on your arm. Salvation is not in how many prayers to Mary you give, for praying to the dead saves no one. You must

go through King Jesus. Now, what is Satan doing? One of Satan's brides, Opr___, is telling the world on her program that there are many ways to Heaven, to God. She has gone against the core Christian beliefs that state there is only one God and that the only way to eternal life is through Christ. This worker of Satan has gained the trust of multitudes while her dark heart brings many under sinful ways of dying without a saving way. Her lies are as the devil. From the very beginning, he has lied.

And look at how people swarm to famous people and trust their vision over what Yahweh says. They think that the Bible is not relevant for what they go through. Because there is technology does not have a plan of creating life, but there is a craving to be a god. No one can become a deity. Yahweh is the One God who always was. Why are you bending to those in power who bend to Satan's way?

What is Satan offering? A governing of Hell—that is what he offers to some. Satan offers earthly wealth and fortune by being well known. The lie that Satan gives: he can own you by the selling of your soul. Why is that a lie? All life comes from Yahweh, and all are birthed with a sinful nature. All have sinned, and all fall short of the glory of God. No one comes into natural living with a born-again salvation plan. No baby baptism is going to save anyone. All must come humbly before My throne of grace. All must come into the Kingdom the same way: through Christ.

SEERSGATE IS LEADING:

Satan will already govern you when there is no salvation in Christ. Satan works through our sinful nature, our desire to please the flesh. Your flesh will fight against the Spirit.

(16) But I say, walk by the Spirit, and you will not gratify the desires of the flesh. (17) For the desires of the flesh are against the Spirit, and the desires of the Spirit are against the flesh, for these are opposed to each other, to keep you from doing the things you want to do. (18) But if you are led by

the Spirit, you are not under the law. (19) Now the works of the flesh are evident: sexual immorality, impurity, sensuality, (20) idolatry, sorcery, enmity, strife, jealousy, fits of anger, rivalries, dissensions, divisions, (21) envy, drunkenness, orgies, and things like these. I warn you, as I warned you before, that those who do such things will not inherit the kingdom of God. (22) But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, (23) gentleness, self-control; against such things there is no law. (24) And those who belong to Christ Jesus have crucified the flesh with its passions and desires. (25) If we live by the Spirit, let us also keep in step with the Spirit. (26) Let us not become conceited, provoking one another, envying one another.

—Galatians 5:16-26 ESV

Satan and his dealings with prophets

SEERSGATE CONTINUES:

This topic is an extensive, deep discussion that will not be thoroughly discussed in these few notes. A prophet can serve Yahweh or serve Satan. A person is called to be a prophet by Yahweh even before they come into the Kingdom through salvation in Christ. Yahweh calls a person and makes them a prophet through an enabling of prophet traits, the ability to see, hear, discern, and engage spirit beings and Yahweh in levels that may be overwhelming for others. But Yahweh also spiritually strips prophets, causing them to become transparent before Him, willing to put Him first through obedient ways.

What Satan does is that he can note what is given within the servant and will aim to steer them—by using others to take them off course or by tempting them to prostitute the prophet traits and veer off into using demons to gain spiritual insight. Many people do not realize that no earthly leader can make anyone become an actual prophet. The

problem with this knowledge is that once one sees that their governing authority in a church building only goes so far, the weight of relying on Yahweh manifests.

But also, with the realization of the need for Yahweh, there will be temptations offered by others. Others may tempt servants of Yahweh to go through demons if they want to maintain a particular persona with the public. Let's say that Yahweh does not release a prophet for duty. They wait and wait; still, Yahweh says, "Not yet. Wait a little bit longer."

But there is a new pastor or promotor of a stage or platform, and they say to the prophet in waiting, "I know you operate in the prophetic. I know your God Yahweh is with you. Can you come and give a few words of encouragement? Can you give a word from the Lord for us?" And there you are, wanting to go up on that stage so badly, wanting everyone to know that Yahweh really did call you, and you want that validation.

You want the church to know that there is a mantle upon your life. And you say to yourself, "Yahweh talks to me now. I know Yahweh told me to wait. But I am ready. It's just a little meeting. It's not a major event. There will not be a lot of people. Yahweh would not be mad if I went." And there you go, building a platform for an event without Yahweh's help. The gifts flow. There is spiritual engagement. Maybe some fall out in the Spirit. And maybe they say there was power in your preaching.

Let's take a moment to ponder what is happening in this story. That prophet is at a crossroads, where they will have to say they will follow Yahweh or take on needing demons. Yahweh will start withholding the covenant power and put a spiritual cap on the prophet. And that cap withholds the ability to drink Yahweh through prophet traits. And once that removal comes, the prophet resorts to gathering information from Satan. This means that a real prophet, if removed, could end up dealing with any spirit that will give them information on a person, a nation.

There are many false prophets giving words of knowledge gathered from demons relaying details about a person's life. Yet, the false prophet has no spiritual licenses or power to shift the atmosphere. This lifestyle of deceiving people through words of knowledge and labeling it prophecy is the den of Satan, carrying these so-called prophets forward onto major platforms but with no actual power. Telling someone what is in their fridge, who is in their house, or their last name is not a sign of power, nor are they operating in prophet traits. Satan and his workers can perform these "parlor tricks" to bend you to their will.

YAHWEH IS LEADING:

Oh, that is powerful, servant. Satan will work through those who call themselves servants, actual prophets. Satan gives them a taste of making people fall out.

Here is a common plan going on with a false apostle who has come from Africa with an encounter of demons from a witch doctor. She can make a demon manifest, but that is it. The demon stays hidden and later comes forward. Oh, My people, hungry for a taste of power but falling for the snares of the enemy. How will you ever begin to grow and take on wholeness?

Servant, share some personal experiences.

SEERSGATE SAYS IT:

When Yahweh was dealing with me in my early days, I saw Satan come in the night. He took on the appearance of an angel, very bright, but there was a view of his eyes that were terrifying. Satan had the whole look of what you would expect an angel to be, but his eyes were like a snake's. He had snake eyes with a slit in them. He was angry with what was within me, Yahweh's mark on me and the mantle.

When I first learned to engage Satan, he brought a demon mediator, a form of a messenger, to relay what he wanted to say. Satan would have his demon deal with me in the early days while he stood there. Satan carried himself as if high-ranking, too “important” for me to deal with directly. Whatever demon that came, their ultimate goal was to scare me into thinking Yahweh would not protect me. Satan threatened, mocked me, and attempted to gain my loyalty by using his deception with a lie told.

YAHWEH SAYS:

Tell of that other incident, servant.

SEERSGATE LEADS:

I was at my home office, sitting at my desk. And one of Satan’s demons came to spy on me. And Satan came, but he did not use another demon this time. Satan dealt with me directly, presenting himself with two arms and two legs. Satan is not red, and he doesn’t have a long tail. In this meeting, Satan carried a grayish-brown shaded way of presentation. Satan appeared to have great age yet lacked wrinkles that natural aging would give a human, and he didn’t have hair. Satan came to mock and threaten me, but before that, he begged me not to enter his territory. Satan knew of Yahweh’s plan to have me go into Las Vegas and govern.

My level of spirit engagement changed, and Yahweh provided greater surgings of power to face more brutal battle training. The Angelic Guard with me grew in members, and I learned to delegate under Yahweh’s hand. Satan saw the prophet traits Yahweh gave as a threat. And he used a position of word games to make me feel that Yahweh would falter.

Over that training season, Satan visited regularly. He often mocked me due to how Yahweh had filters on my way of seeing spirits. I could sense when Satan was in the

room or needed to deal with me. Yahweh would tell me where and how Satan was positioned or sometimes give me a vision of how Satan looked. The seeing way from Yahweh would come across in a similar way to a flashback when you remember something you have seen, but for me, I did not previously see it.

I learned to converse with Satan in diplomatic settings, and that's how I knew Yahweh moved me to a different way, another level of spirit engagement. In our meetings, Satan lied about the rapture and other events, and he wanted me to believe that Yahweh would not back me with power, constantly chipping away at Yahweh's true nature. And there were times I made mistakes and opened doorways to demon torture by viewing videos of occultic nature that also gave Satan ways to engage me, ways I wish I could remove from memory.

I was once fascinated by the story about a man who saw Satan in his house, and then after seeing Satan, he went back to bed. I wondered what that engagement would be like, but it's not fun dealing with demons because it delves into life and death. Facing Satan is a form of battle engagement. And Satan's workers are just like him, trying to plant doubt in my heart to bring a rift in how I believe Yahweh's promises.

Satan's witches and warlocks would enter at will—yes, into my apartment and start having conversations, telling me that their god Satan is more powerful than my God Yahweh. They threatened me by using one main tactic: doubt in Yahweh's words. I would weaken if they could bring doubt in my heart against what Yahweh promised in His written and spoken Word during our times together. My faith would weaken if I doubted Yahweh, which would have taken me off course.

And I learned that sometimes Yahweh would change a plan without an explanation, yet there must be complete trust that He will keep His promise.

That is how Adam and Eve let their guard down in the garden: they started to question and doubt what Yahweh actually said. So, what can we learn from how Satan infiltrates our foundation in how we walk with Christ? Satan brings false doctrine and ways to question Yahweh's plan.

Yahweh's Word gives a clear plan, yet, the Church struggles with doubt concerning what Yahweh says. So, Satan has webs of mistrust, with the removal of giving truth, and because of so many partially true sermons, people cannot have a firm ground to build their faith in Christ. And without that absolute truth of what Yahweh says, there is always an unstable way of moving forward. For if you do not know about Christ, His nature, and how He deals with us through what His Word says, Satan can bring deception, subtly changing the Kingdom culture in your gathering, implementing Satan's worldly way. And then people will begin to do what they feel is right in their own eyes.

And this is where we must take a stand and say, "Yahweh, we stand with Your word, and we will do what You say."
