

REED IS ON NOTICE

December 11, 2023

10:14 p.m.

YAHWEH IS LEADING:

Woe. Woe. Woe.

Woe. Woe. Woe.

Woe. Woe. Woe.

I say woe! Should I make them fall dead as a sign of My judgment? Should I make them? How dare they not bow in awe and reverence? This man is doing divination, stating that Yahweh gives him the details. Woe. Woe. Woe. Judgment will lead in these church ways that say words of divination and acquire it as unto the Great Holy Spirit. They say your name, what street you live on, the trivial details already known by demons. I hear him say, "Thank you, Holy Spirit" for what he said to this very deceived person. Yahweh is not with you, Reed.
