

CURSES AND JUDGMENTS HIDE

In Jennifer LeClaire's YouTube video "Prophetic curses vs. God's Judgment: Discerning the Difference," she says, "Cursing flows from the flesh, or it can flow from a demonic influence. And a curse is designed to destroy, not to redeem."

YAHWEH SAYS IT:

No, I did not have My servant listen to your whole plan. This note is a saying from Yahweh.

When Yahweh yields a **CURSE**, it's a spiritual stripping, and a spiritual stripping is shown through natural ways. With a **JUDGMENT**, there is a final weighing, a legal standing. With any naturally revealed spiritual stripping from a spoken word from Yahweh, a curse is formed to bring a manifested natural way to see Yahweh's words coming forward. When Yahweh takes away natural life through death, especially based on a judgment, it's spoken from Yahweh first, then manifests in a natural way to see it. The curse honors Yahweh, bringing forward a weighing: judgment.

The curse comes first; the judgment weighs the sin or evil action that led within the person, nation, or governing. A looking will deal with it this way: Yahweh says, "I will come down and look at the evil that placement carries into My nostrils." I say the way of what I will do, how I will deal with the wicked way. And I use a curse to bring a manifested view for the coming judgment to stay.

I have one for you, Jennifer. Your grace covering blinds how Yahweh still brings forward judgment. The active use of grace in the Church era refers to entering Yahweh's presence in fellowship THROUGH THE BLOOD OF KING JESUS. But My nature as Great Judge isn't

diminished. There would be seasons of begging people to repent, and there may be 40 days.

There may be a brief moment before taking communion, where a person should look within to examine their way. Take a look at how judgment would lead within those who take communion in an unworthy way. Is that evil that I will not give a grace period after taking communion before pushing out sickness or death? Is Yahweh evil?

See it. Yahweh can say a judgment, and you may not have been privy to the wrestling that person dealt with from Yahweh. You hear the ending, the judgment stated, while grace slows down seeing an instant dealing with. Yet I may have been dealing with that person or government or church body for many years, but no one would say when Yahweh should say I've waited long. But Yahweh can say a word of a curse of death, and that person would be under an exception, not covered under the grace covering, facing a weighing outside of grace at that moment.

The curses from Yahweh that bring death and a stripping of substance hide behind a final word of judgment, a placing of state within Yahweh. Here is an example. The way of cursing the family line, such as Eli's, was a spoken plan that manifested in the natural person, but the weighing of where to make their covenant stand with Yahweh is a judgment call, a weighing of their state within Yahweh. State the Scripture, servant.

(27) Then a man of God came to Eli and said to him, "This is what the Lord says: 'Did I not indeed reveal Myself to the house of your father when they were in Egypt in bondage to Pharaoh's house? (28) Did I not choose them from all the tribes of Israel to be My priests, to go up to My altar, to burn incense, to carry an ephod before Me? And did I not give to the house of your father all the fire offerings of the sons of Israel? (29) Why are you showing contempt for My sacrifice and My offering which I have commanded for My dwelling, and why are you honoring your sons above Me, by making yourselves fat with the choicest of every offering of My

people Israel?’ (30) Therefore the Lord God of Israel declares, ‘I did indeed say that your house and the house of your father was to walk before Me forever’; but now the Lord declares, ‘Far be it from Me—for those who honor Me I will honor, and those who despise Me will be insignificant. (31) Behold, the days are coming when I will eliminate your strength and the strength of your father’s house, so that there will not be an old man in your house. (32) And you will look at the distress of My dwelling, in spite of all the good that I do for Israel; and there will never be an old man in your house. (33) Yet I will not cut off every man of yours from My altar, so that your eyes will fail from weeping and your soul grieve, and all the increase of your house will die in the prime of life. (34) And this will be the sign to you which will come in regard to your two sons, Hophni and Phinehas: on the same day both of them will die. (35) But I will raise up for Myself a faithful priest who will do according to what is in My heart and My soul; and I will build him an enduring house, and he will walk before My anointed always. (36) And everyone who is left in your house will come to bow down to him for a silver coin or a loaf of bread and say, “Please assign me to one of the priest’s offices so that I may eat a piece of bread.”’

—1 Samuel 2:27-36 NASB

YAHWEH IS LEADING:

There is no difference in Yahweh’s way of judging sin in this CHURCH ERA. But you’re unable to see My wrath within that judgment. Your way to view grace is how many in the churches view the way things happen. But the way to have Yahweh yield sickness or death based on taking communion in an unworthy way without first examining within shows that Yahweh can yield a curse today and bring it forward in a weighing. The judgment declares the final way. The curse brings a shriveling to a plan. And in this way of curses, that plan that shrivels is “matter” based.

Anything Yahweh speaks forward will have life. Within Yahweh's life of spoken words of maintaining creation, the way of withholding that breath of life will lead in a curse. Yahweh would go and weigh it and order a curse to sync with a judgment.

That's what will happen with the age of the Antichrist. I will strip away grace from those who take the mark of the beast and permanently seal them while they live, and I will set them for the lake of fire while they have their breath. And I will not have guilt for how I dealt with them. See. I'm cursing them with permanent death while they live so that My judgment will stand. I'm stripping away all ways to drink life within that person to bring My ultimate judgment forward.

A reformation prophet will stand and say what Yahweh yields, and I will stand by My spoken will. It's time. Prepare. Curses and judgments from Yahweh will lead. But why now? The coming Antichrist will not have any way of being a god to the people without Satan's empowerment. I will make sure to let Satan's puppet taste the wrath of Yahweh. And that wrath is not your cushy comfy way. Prepare. Small pockets of that torment will come as a warning as I bring awareness to the merging eras taking way.
