

## NORFOLK, VIRGINIA

The Message, given years earlier, is now pushed forward on January 27, 2021, as an active plan.

### **YAHWEH HAS SPOKEN. HERE ARE THE POWERFUL WORDS OF I AM, GOD:**

You are faithful to Yahweh. You will take in the full way in major shifts and changes. You will excel with all that We will bring you. Serve Me in this new work way. Serve Me with transforming power. Serve Me, not this old work. You will change in great levels. There is nothing keeping you from being pushed forward. See it. You cannot tell the difference, but We showed you that there really is a different way with the unseen realm.

We had you visit a local cemetery in Norfolk, Virginia. It is filled with the dead and spirits of the unseen realm. We gave a way to be in the plan to see with spiritual seeing, and you were able to see. Servant, take a look at what was revealed. We made a power master plan. We gave you entrance into the cemetery.

In the spirit realm, you were able to see, and you were clearly seen. Have a way to see. Have a way to understand. You are a chosen plan to prepare the whole world for the return of the Great Way King Jesus.

We had you walk down the cemetery road that leads to the grave plots that we have practiced with for the old way. While walking, you were able to see a bear. This bear was extremely large in height—twelve feet while standing to engage any person. Servant, this spiritual bear will move out against you with a spiritual attack. But not a natural warfare—this is a spiritual phase of work.

**A full release that will take three years to be in its fullest placement.** You are wondering what the bear represents: heavy materialization training. You are wondering

why a bear symbolizes that will. They are vicious and hunt to kill. That's the level of materialization work you are moving into.

You saw another creature. It was a human, shaped into a werewolf, but standing. Servant, witches and warlocks will find you and will come into your private workspace and move against you with occultic details. The plan is to wage war against Satan's top servants in the United States of America.

There is a major witch in that city of Chicago, who may live in other places. She has already been briefed on your level of training. You have seen a vision of who this witch is. And now, I will make it clear that you have been informed of her level of work in Satan's kingdom. You are to demolish her entire kingdom and rebuild a Kingdom order from Yahweh. It stole; now it will no longer steal.

You will build the Seersgate work with Kingdom power. You will leave this old work way, and you will work Seersgate and a local work plan as a cover while the Seersgate work builds greatly. Do not fear about having the income. Do not worry; it will all be done if Yahweh wills it.

If this work is of Jehovah, will it fail? No, never. If Jehovah says to push this catalyst book that will cause you to be branded as a heretic—a fake Kingdom worker—would I give you the strength to endure? You know the answer, and you yield fully.

See it. These Christian churches will not deal with the supernatural or the spirit realm. They are blind, and some are asleep. And you will sound the alarm. And you will prepare the whole world for My return. You see it. You are as John the Baptist. His way was for Israel to see King Jesus; you will prepare the whole world. You are a ready servant.

Now hear the remaining portion of the vision: There were others that you saw in the place of the dead. There, in the spirit realm, was a blind man walking across your path. Now, hear the meaning of that minor detail: The blind man represents the human striving.

The blind man walked from the left of you to the right part of your body. Servant, this striving plan is no longer walking in unity with you. He was stride-by-stride, in walking, but now, I have him moving far from you; and that will never be your outlet for getting My work done.

The striving phase is in connected ways with this old work that you are done with. With this major message, there is a true shift within, and no further bidding is needed to make you walk with true purpose, fulfillment, and surgings of strength and power in Yahweh. See it; the striving is giving way to a destiny in My Kingdom work. You are being changed even now.

Now, take a look at the remaining details of this previous visit. We told you to walk to the graves that We constantly give you for practice. It was a new way. What was seen—it was a new way. You will need great Kingdom wisdom to discern the weight of the next portion of the vision.

Please hear this wisdom from Yahweh in a clear drinking. You came to where the four graves are placed, but you could not move in close to the literal dead placed within, based on four creatures—watchers—who were guarding the dead. These four creatures—one for each dead shell within the grave—were facing out, with the graves in their safekeeping. Servant, they are similar to what is given in Greek mythology, and they are major demons.

You see it clearly—this vision of these four watchers—creatures of the dead. And We made it a clear way to see, how they stood 9 ½ feet in height, with a body of a man and carrying a head of an animal.

We showed you a major demon that is heavily portrayed in Hollywood movies. The demon's name is given as Set. You were able to see. What does it mean? And why would Satan send demons of Egyptian stature to Norfolk, Virginia, far away from Africa? It is

not even the same way in battle that you will encounter there in that way. What is the meaning? Why would they block you from speaking with the dead?

Here We will clearly say it: you were never given permission to commune with Satan, a demon, or a dead person, without Yahweh bringing the training.

When you speak a raising, telling a dead shell to return, you are literally speaking to the dead. When the Great Way King Jesus gave the raising order for Lazarus, He had to speak to Lazarus as a dead shell in the grave. That's where Lazarus was, and King Jesus had to deal with Lazarus and tell him to come forward from the death phase.

"A cult leader, heretic, fake Christian, Jezebel" —you will earn these titles in a quick way. Let Us see who will stand with you, for the way is never easy for a reformation prophet.

Why were there demons that look as watchers, there, in that local grave burial ground? You see it. You claimed the Ivory Coast way as a territorial ground. You called them your own; and with a full release, they were given the order to build up a barricade against you.

You are in a three-year battle. We will not let you enter that nation till the three-year preparation is done with. With a new level of spiritual license, We must give a new level of work. They came to stop you, world prophet. We can call you that title.

I have given you a powerful vision. Servant, you saw a movie that gave a portrayal of that demon named Set. You have to see it clearly, that while you were in that theatre when the sacrificial ritual was being repeated, a demon entered you. And you were able to tell when it entered. You were hearing the demon, the Great Holy Spirit, and one of your forty angelic guard angels talking with you.

You, servant, were under a major training, where We made it clear that Hollywood movies are more than entertainment. In that immediate timing, We opened your vision, where

you could see it, that the whole theatre was filled with demons of all shapes and levels of engagement. You had a demon enter, and We made it leave when We gave you a Spirit-filled song to hear in your spirit and flesh.

We gave you a vision of what the materialization training will be like. We made it so clear that you will deal with heavy warfare. You were held against a wall by a major dark demon. He scratched you deeply with his sharp nails and wounded your neck. Then, he threw you on the ground, causing major wounds to your back.

The torment will be greater than the demon bites that you dealt with in the wilderness. This will be a training where you will face demons in their fullest nature. But I am fully aware that others will not believe you are dealing with this. So, We will give a proof: pictures. I will bring the spirit realm, revealed on natural film, and We will bring a full presentation forward.

Thank you for serving Me. We will give many spiritual treats to help you endure all of this rejection, pain, and battle warfare. We will be with you every day. And no demon will be able to engage you through materialization without first getting this order from the Great Way King Jesus.

Why put you through this? You have been in an activated seer training since age fifteen. It's no longer wilderness placement. This is on-the-work training. This is the power phase. This is presentation. And to present a reformation prophet with world-level influence requires Yahweh's power phase.

You were told by that Apostle Thigpen that you would be called as a deliverer. What are you bringing deliverance to? And from what are you setting them free from? You have a work that is similar to Moses, yet Moses—his sphere of influence covered the nation of Israel and waged war against the lowercase gods over Egypt.

You, Susanna, have to bring deliverance through Kingdom order to the whole world, and with that level of work, you, dear servant, must have dealt with every level of demon under the kingdom of darkness. And you will face Satan when We send you to gain that remaining portion of the report on the Hell. Isn't it fitting, to make you face this level of training, pain, and warfare, for isn't the world a place that must be dealt with, with true preparation, wisdom, training, and provision in your God?

"Who are you?" Isn't that the question that you were asked while walking in the cemetery? Who are you, servant? A Kingdom servant, who is backed with Yahweh's protection, power, and provision. The whole world is your governing territory. Bring it to the Kingdom order that the Great Yahweh commands.

You have had no proof other than visions, dreams, spiritual encounters in lower levels of dealings. There have been teachers of the faith who were speaking about portions of your calling, but they could not fully see. Then, there was a moment—a few quick ten years—where We had them blinded from sensing your prophet's spirit, and they were then telling you that you were being misled and leading others astray. This made it hard, that you were starting to doubt and then turned your strength to striving to keep things operational.

Servant, this ends on Mother's Day, but you are now so worn out that you do not want to move on out of the striving. You don't even want to preach, teach, give out any surgings from My hand. Too many people told you that you are not on the right path. Too many people were not able to sense the power of Yahweh upon you. We even showed you a vision of this blue power surging that is flowing from the Throne Room right into your spirit.

We showed you Satan in his truest nature. We let you speak with that dead man in the Hell, who could hear the message that We—referring to the Great Way—will raise him. We showed you your heavenly home. We let you see your baby that you miscarried. We

gave you a few visions of King Jesus. We allowed you to get fruit from the tree planted near the crystal-clear water in the Heaven.

We gave you vision after vision, but they—these humans—have one major problem: they cannot say it is truly Yahweh speaking with you because We wouldn't give a way to see this true calling placed upon you. We had you take down the whole work from the Internet. They truly will see it; I am the One who proves you, not this web material. Please have the strength to build it in My power, under a real presentation through Me.

We trained you. No human has been a training mentor with Our servant. You have read many different teachings. You have faced many things within you that needed to be dealt with. You have been mistreated and abused. You have been rejected, and they will soon see their own error. But would them seeing make it all better?

Can you work well with having human approval? No, I have ripped that longing out of your way, and there is no hunger within you to become friends with any for the sake of them having leverage over your work.

People will want to tell you how to run this work, but this truly is a pioneer work. You will make movies, reflecting the unseen realm on film. You will make t-shirts and give them Kingdom surgings that will build up the Seersgate work. You will practice raising real dead people, and then We will move you into raising the buried dead.

You will see diseases fall out of people's bodies as you walk by. They will be healed by the power of the Great Holy Spirit. You will see limbs grow out, organs return, wombs—damaged from tubal ligation—healed and bearing children.

You will see the demons leave people, and there will be no plan to give a microphone to any demon to hear them speak. You will build healing tabernacles around the world that will be filled with a potent glory level from Yahweh, and with it, a person will be healed

of everything. No disease will stay within the person who enters the healing tabernacle filled with power from the Great I AM.

There are cases of sick humans that you feel pain over: stop that. Build the healing tabernacle, and give them an invitation that you have received from Me. Didn't We give you "What Jesus Came to Do" and "The Good News Message"? Share them with the world; and show demonstration with the blue stream.

You have forty angels with you at all times. You saw the host of angels that stay guard nearby in the heavens. You have great seer capacity, to guide the seer well. You have been imbued with all of the office gifts. You can raise the dead, even at this phase of training. We already proved it to you. But never move in doing any undertaking without power and hearing My will.

Servant, this is just a tip of your work. We will train you on operating in creative miracles. We will take you to the sickest We can locate, and you will give them this surging of power that is flowing within. I will bring in others who will see that We truly give you this major work.

Build up the web pages with the true freedom to be who We tell you, you truly will be. Let no one give you a guilt plan that takes you off track. Never lead this work using human persuasion. Kingdom wisdom and power must lead, by the Great Holy Spirit's hand.

I have trained you extremely hard, but now it will get harder. These three years starting on Mother's Day will take you into world recognition. You do not want a fan club or a following. You want the world to bring praises to Yahweh. It's finally within your flesh, to give it no place to lead. Servant, the pride had to be dealt with first; and now it is no longer a hindering nature.

You have given your full way over to Yahweh, and now Yahweh will give you the power backing to work without striving. This is better than paying lots of money with human striving, hoping for a full-time provision to take over. So, what is next? Materialization. And that training will deal with a major shift into world presentation. Prepare. You cannot hide anywhere. Go.
