

BLESSING THE LAND AND THE BUILDING

SUSANNA SAYS:

Blessing the land and the building is a principle founded upon Scripture, and it can be a way to see the anointing released into others, so they will drink of the Way King Jesus in their place, as given through the Great Holy Spirit. Blessings have great power—not of the blessing itself but of the covenant backing from God that is connected to the person praying.

Covenants are significant in seeing prayers answered. Indeed, submitting your ways to Yahweh and being Spirit-filled is a critical component of deep communion. God hears the prayer and weighs if the person has a covenant connection, and then, in His timing, the natural realm takes on a spiritual shift, bringing forth the powerful results from seeking God.

And with this prayer here, we will address blessing a territory. A building or a piece of land can be blessed or cursed. Now is the time to bring your territory under Kingdom order. And make sure your other areas are in order, concerning God's will leading in your house. Here is a prayer of blessing, as directed by the Great Way King Jesus:

Prayer to bless the land or building

Land, I bless you by the authority given to me through the knowledge of the Savior of my soul and will. I bless you to move in being a building that will be a way to reach the nations with the true power of the Word of God that will transform and have a way to bring a change in the earth. May you be an outlet that stores the great transforming power and fire to cause a significant shift in what the nations would have within. May you speak of the goodness of the Great Way in the way that you operate. May peace in King Jesus be felt in those who would move to enter. May you be a way that the great transforming power and fire of God will have a way to have an opening, to be an avenue to send many into the earth, at His leading. Building and land: stay and drink

the will of the Great Way and be given a will to bring a shift and change that will bring in a great harvest of souls for the Great King Jesus. On this day, may the Great Way seal His will with His precious blood and cover it with a plan that cannot submit to a demonic attack in any way, shape, or form. In the name of the Way King Jesus, let the will of King Jesus receive a place of great honor. And all will worship our God, the One True God King Jesus. Amen. Amen. Amen.
