

WHAT JESUS CAME TO DO

JOURNAL ENTRY

MARCH 4, 2011

SUSANNA:

Lord, the Scripture says You were anointed to preach the Gospel to the poor. What does that mean? I don't understand completely, or maybe I'm not sure.

YAHWEH:

Susanna, it's concerning becoming an heir of God and a joint heir with Christ. It also means to be born again. The Good News is that you could inherit so much as a child of God, a citizen in God's Kingdom. I don't pay by earthly standards. I pay by Kingdom standards. But the only way to benefit from the Kingdom is to become a part of the Kingdom. This is true riches: being a part of the Kingdom, being a citizen in God's Kingdom. Do you understand now?

SUSANNA:

I believe so, Lord. I am trying to process this way of thinking.

YAHWEH:

The Kingdom is supernatural, Susanna, and a lot of what happens in the supernatural manifests in the natural. It's the same thing with sowing and reaping: People want to be blessed, yet they disobey My laws; they are interconnected. Physically giving your tithes and offerings keep you from being cursed. I am a covenant God, and I cannot go against My own law. This is how the natural and the supernatural become inner connected. Yes, you are seeing well. It's the same thing when taking communion: You physically put the

bread in your mouth and drink the wine, yet if your heart is not right and there's sin in your life, it could lead to sickness, or as mentioned, death. The same is the other way: If you stand before Me to commune with Me and remember Me through communion with clean hands and a pure heart, you could receive great healing. Do you understand how the natural and the supernatural are inner connected like this?

SUSANNA:

Yes, Lord, I'm beginning to really see.

YAHWEH:

Yes, Susanna, this is why faith is shown by works. This is why I tell you to show Me that you trust Me by doing the things I tell you to do, by not getting weary, by waiting on Me. This is the same for those who are poor: They must rely on Me for healing, for wealth, for full resources, because there are no limits in My Kingdom. I own everything in My Kingdom, and for the poor to have access to that, they must come into the Kingdom. They must be born again. I believe you understand now. You know what you will have to do with all your teachings on this. But seek Me, Susanna, as to the other parts as well before updating this part.

SUSANNA:

Lord, the next part says You came to—You were sent to heal the brokenhearted. Who are the brokenhearted?

YAHWEH:

Take heart. I have overcome the world. Those who are in Me do not have to let their circumstances overwhelm them. When the storms of life come, I am the Peace that sustains them. They don't have to live in their pains and sorrows because the joy of the

Lord is their strength. Through Me, they can do all things. I can bring full healing to body, soul, and spirit. They don't have to experience any type of woundedness continually because My power is able to break the cycle.

My power is able to bring healing to the heart from past wounds. This is restoration, Susanna, the healing of the heart that comes from Me. I remove the pains of rejection and fill the heart with My love, with My Spirit. I fix. I mend. I restore. I make new. This is the new heart that I want to give those who come to Me. This is where they will see Me as their First Love, where there is intimacy, where we are one. Go ahead and ask Me the next one, Susanna.

SUSANNA:

Lord, You came to preach deliverance to the captives. Please explain. Who are the captives?

YAHWEH:

I believe you have an idea already. Anybody who is in sin is a slave to sin. Those who are in bondage to sin are also held captive by the sinful nature, where they walk in the flesh and not in the Spirit. This is where Satan has a grip on them, where they are in various addictions.

Only My power can set people free. People can only be free through Me, not from doing a ritual. It has to be broken in the spirit realm because that is what is bringing the bondage. Those who are not in Christ are already captive to sin, and they cannot be free unless they receive Jesus into their hearts as Lord and Savior.

Only the power of Jesus—the Spirit of Christ—can break off demonic strongholds. It's not possible any other way because only My Spirit is greater than all other spirits. I created all spirits, and at the name of Jesus, all created beings must bow. This is where true

freedom comes in—through Jesus Christ, by His Spirit. Ask Me the next question, Susanna.

SUSANNA:

Lord, You came to give recovery of sight to the blind. Who are those who are blind?

YAHWEH:

The blind are those who are being led by their souls. They have not been spiritually born again. They rely on their own knowledge to understand, and they try to discern spiritual things with the natural mind. They try to discern the Word with their natural mind as well. They are not gaining My thoughts. They are not hearing from Me. They are not connected.

They are living a lie if they believe they can see, and they are not born again. You cannot see anything of eternal value if you are spiritually dead. To see, Susanna, you must be born again. Let's go on to the next question.

SUSANNA:

Lord, You came to set at liberty those who are oppressed. Who are those who are oppressed, those who are bruised?

YAHWEH:

People are under various curses when they no longer have to be. I have come to set them free from the yoke of the enemy. My yoke is easy, and My burden is light. People live under clouds of despair and hopelessness. But they no longer have to if they come to Me. They look for peace everywhere else when they can come to Me for peace. They

look for satisfaction from worldly pleasures, yet they are still miserable. It's because only I can fill the void. My eternal life is the hope that they need.

My Kingdom operates differently than the world's system. They can move in freedom from oppression in My Kingdom than under the world's system. My Kingdom is not one of bondage and oppression.

My Spirit gives life. There is liberty in Me through My Spirit. And people can experience this freedom that I offer when they believe in Me. Even when things come down on them in the natural realm, they don't have to despair because I am with them. My Spirit will lead them. Let's go on to the next point, Susanna.

SUSANNA:

Lord, the last point is to preach the acceptable year of the Lord. Can You please explain what this means? Thank You.

YAHWEH:

Oh, Susanna, I have come so that all may live. Those who believe in Me will never really die. Those who believe in Me will receive eternal life. Those who believe in Me will be reconciled back to the Father. Those who believe in Me will be able to see the Kingdom of Heaven. Those who believe in Me will have everything My Father has offered to those who are His children.

Susanna, eternal life begins now. Eternal life begins now while on Earth for all those who receive Jesus into their heart as Lord and Savior. This is the Good News, Susanna. I have come so that all may have life. My kind of life is eternal life. Those who are in Me will live forever. They are citizens of Heaven. This is the Good News, Susanna, that salvation is available to all who believe in Jesus, God's Son. Salvation is available now.

The Kingdom of Heaven is available now, and if anyone wants to come into this Kingdom, Jesus is the Way they must go. He is the only Way. There are no exceptions. It was by His blood. His blood made it possible. Without the shedding of blood, there is no remission for sin. But Jesus paid the price.

And this is the Good News: The price is paid in full, and eternal life is available to all who receive Jesus.

Susanna, now you have a full grasp of what I came to do. Read over this. You don't have to do it now but do it this weekend. This is your first mini sermon. This must be ready by Friday. You were seeing well, but now you really understand. I will show you how to present this. This will bring great breakthrough to others because now they will be able to grasp this well. This is all for now, Susanna. This will be an amazing mini sermon.

SUSANNA:

Awesome, Lord. Thank You for explaining this in great detail. Thank You, Lord!

SUSANNA:

Lord, concerning the Kingdom, what You came to do as mentioned in Luke 4: How do You want me to present this, Lord?

YAHWEH:

I want you to present this in bullet points. I want you to address it to the listener instead of from Me to you. And I want it from you to them, where you are sharing what I have told you. I don't want it to be word-for-word, Susanna, because then it wouldn't be

personal to them. But if they hear I came to do this for them, it will change the way they receive it. They would be able to sense Me through your words because you are sharing My words in a way that's personal to them. I believe you understand what I am saying.

I want you to add Scripture. I will show you which Scriptures to add. I want the booklet to be bullet points except for the Scriptures. This will make it easier for them to grasp it as they read it. You do understand what I am saying, and you will make sure it is very easy to understand. I want children to understand this—to understand what I came to do—not babies, Susanna, but the youth of today, those who are able to understand. This is going to be an amazing mini sermon.
