MESSAGE FROM THE LORD

YAHWEH SAYS:

Yes, Susanna. Yes. Now you are really starting to grasp this. Protocol is different than submitting. The Lord's authority outweighs all others, and as His servant, you must do what He tells you to do. You can follow man's protocol, but you must always submit to God without fear of what man can do to you. You are starting to see well. You see how the pastor is mixing the two. Submission is not protocol. This has nothing to do with obeying your leaders. You must obey God over man, and when he sees this, he will understand, but to what price?

You must be obedient to My words, Susanna. You must do My will no matter what. You must speak My words without fear of man. My authority is the highest authority. I require complete obedience from you. Sure, look at your pastor, but speak My words. Now you are seeing; submission is not protocol.

The pastor is not to gauge your words, the messages that I give you. It is for My Spirit to gauge. You must come to Me. I am the One who gauges My words, Susanna. Who knows My heart? Who knows My thoughts? Even

you don't know everything that I think. I reveal little things to you. I don't show you My whole will.

Speak for Me, Susanna. Be My mouthpiece in this land. I say rise up and take your place. Walk in your calling, in the power and authority I have given you. Do not be afraid, for I am with you. No matter what, Susanna, I will never leave you. You will start to see more. I will start to show you more. In time, Susanna, I will start to reveal more to you. Stay with Me. Stay close to Me. Listen closely to My words. Listen closely for direction. I am with you. Listen closely to My commands. Don't lean on your own understanding. Trust Me. No fear of man. None, Susanna.

Don't ever confuse protocol and submission. This could bring a level of intimidation. Don't allow this to happen. Lean on Me for all your needs, for all your questions. I am here. I am walking with you. Stay with Me. Trust Me. Trust Me from your heart. I am with you, Susanna. I see what's ahead. Stay close to Me. No fear of man. Be My mouthpiece. Allow My power and anointing to flow through you in such a powerful way.

Don't be afraid to move to the next level. Don't be afraid of the training that's coming. Don't be afraid of the opposition. Don't be afraid if no one understands you. Don't be afraid to speak My messages with boldness, for I am with you. I will never leave you. Soon, I will show you more. Soon, your eyes will be open to more, more in the supernatural realm. Soon, your eyes will be open to more. It will become second nature. The unseen realm will become as second nature to you.

You will see soon. You will see. I will strengthen you. I will keep you so that you can do this work that I have called you to do. I will walk with you. You will sense Me. You will sense My presence. There is no need to fear the

unknown. There is no need to fear. Do you trust that I am taking care of you?

SUSANNA: Yes, Lord.

YAHWEH: I am, Susanna. I am taking care of you. I promise you. I will keep taking care of you. It will never end. We have such a great work to do. There are so many souls. There are so many souls needing to hear this Good News that Jesus saves, Jesus delivers, Susanna; Jesus is coming again, Jesus loves them, Jesus can heal them of whatever is ailing them. People need to hear the Good News of Jesus. Hear My heart, Susanna. There are so many souls who need to hear the Good News.

Now is not the time to be concerned about yourself as to what level of rejection you will face. Now is not the time, Susanna. Hear My heart. Know I love you. I do. You know this. Now let's move on. Hear My heart. See what I am seeing. So many souls. So many souls need to hear. What you experience now is only temporary to eternity. Be My mouthpiece. Don't be afraid. Don't back down. Speak My words with boldness. Do My will no matter what. I am with you. I charge you to go forth. Go forth in the name of the Lord. Go forth, Susanna. Go forth with the Spirit of God in you. God is with you, and when God is with you, you cannot fail. Because of His strength, His power, His anointing, you cannot fail.

Never focus on you, thinking it's by your abilities, your strength. It's not, Susanna. You are the vessel filled with My power, filled with My Spirit to do My work. You are My vessel. I love you. I want you to do My will. I will use you mightily for My glory. Not a bad using, but one of great honor because you serve the King. You are a servant of the Most High God. You serve the King. Do the King's will. Serve the King well, Susanna. Serve the King well. Never forget that I am with you, Susanna. You will start to see more. Things will become clearer to you. I will show you more in time. I love you, My daughter. I love you. Go to bed, Susanna. It's getting late. Read this message tomorrow.
