Seersgate:

I am so blessed. I get messages from people sent in private emails, those who cannot say with the world that they love King Jesus, and I wish Yahweh already had His plan operating in the natural realm for all to visit. I long to visit all these dear pastors, children's teachers, and others who labor in the faith and ask when I will look at their gatherings in person. I wait for Yahweh to say, "you can go forward and do the work," not just give reading material and online resources. But Yahweh is the One who gives the power to do His work, and we all must wait on Him and stop striving to make things work.

I received a wonderful reminder from a dear new friend in Faisalabad that we are all working together in the fields to build Yahweh's Kingdom. Thank you, dear brother.

Yahweh gives me the work that most would disown me over or be a closet friend, afraid to say you believe what I say out of fear of rejection. I understand, and I no longer care (which is very liberating). I think about how Yahweh trained me as if I lived in the times of others who were prophets of old, and I see that the people in that time did not like real prophets much either: they went against the culture and did not care to be in anyone's social group.

I am not here to be like you. I am here to bring a new world-level shaking, a way to uproot and tear down the idols built in these seeker churches that take away giving honor and glory to Yahweh. A reformation prophet trait is leading in my work, for Yahweh says it is the time to bring a governing order that isn't bending to the make-believe version of Yahweh. People say He is only loving and will be tolerant of sinful living. Woe. Woe. Woe. Get ready to hear the way Yahweh sees His church.

I am a real servant who will not prove anything. But I will say to the skeptic, to the ones who cower when Yahweh brings you a real work: take it seriously. Do get rid of me as your Facebook “friend” way if you care to avoid the way, but do not think that living in the old way and hiding in the dark will not bring Yahweh’s spotlight.

1 Corinthians 3:6-9 Amplified Bible:

(6) I planted, Apollos watered, but God [all the while] was causing the growth. (7) So neither is the one who plants nor the one who waters anything, but [only] God who causes the growth. (8) He who plants and he who waters are one [in importance and esteem, working toward the same purpose]; but each will receive his own reward according to his own labor. (9) For we are God’s fellow workers [His servants working together]; you are God’s cultivated field [His garden, His vineyard], God’s building.
