

I AM NOT SLOW

May 26, 2022

10:44 p.m.

YAHWEH IS SPEAKING:

I am not slow. I did not tell a lie. I waited on others to accept your way, but they never did. They put a fake smiling mask on. They pretend to feel that you are in their inner circle. Beauty is more than surface. The way you exude Yahweh is coming forward. Even this day, it is coming to the surface. There will be no changes made to the way Yahweh says. There will be no review of what is sentenced. I will not give anyone a fifth or seventh, or fifteenth chance over again.

This is how grace is: It hinders judgment. See it: if I did not move all into a final placement, there would be a waiting still. There are three weeks to presentation. Strip away thirty pounds with vegetables and water. Eat salads and have potatoes. This is the way to turn in full strength. Your flesh is getting weaker, and your spirit is strengthening. The way is here.

I showed you what the foggy head is like. I literally gave you a blank plan. And you could not remember where you placed the phone. See. Everything was on a holding plan. You think of Me when I said if you didn't lose any weight, you would be following a lowercase god. See it. But Yahweh needed to wait to close out the final judgments. And now they are all sealed.

I took away your memory as if it had never taken way. And when you noticed what I did, great fear came upon you. For Yahweh showed you that I am the One who holds the curse on a person. I am not under the curse. I literally move it between people. I instruct demons to leave a curse on a person. They will have a real power way. You will be clearly seen as a world-level servant when the curse is transferred. See?
