

IN OR OUT: WHERE DO YOU STAND?

Acceptance is so important in most cultures. There is much to consider when one part of society can make you choose to do ill actions. You can love the fun and activities, yet you truly do not have to take up the nature of Satan. "What can be fun about hanging out with my friends if all we do is talk about God?" That plan doesn't truly see that God can be more than a Sunday story you read in the church or the limitations of the traditions of men.

We need Yahweh to be the Spirit that we drink, active in our daily living. Yahweh can be outgoing, adventurous, and fearless, able to perform miracles, and He can have a way to bring forward incredible life stories in Kingdom purpose. Let Yahweh bring His Life within, where daily living is content and pleasing.

You have heard it said—"He will take all your money and send you to a third-world nation if you become a Christian." How can God have the world filled with many followers if all are in third-world nations? Isn't God all over the world? Yahweh is truly in all countries, and He can give you great joy in fulfilling every detail in your spirit that you have ever longed for. And you don't even have to travel out of your country to meet a person and tell them the Good News of King Jesus.

Are you in, or are you out? Are you willing to trust Him with your whole body, soul, and spirit? Serve Yahweh wherever He shows you. Let Him take you into deep serving ways with Him.

Stop limiting Yahweh by thinking He will only give you wealth to show His favor. What of power? God is able to provide the power to do Kingdom work. More than money, you need Yahweh's power. No one is changed within with natural money, but with the power of the Great Holy Spirit, a new way of spirit living can lead.

You can do all things through Christ who strengthens just as the letter from Paul says.

(12) I know how to get along with little, and I also know how to live in prosperity; in any and every *circumstance* I have learned the secret of being filled and going hungry, both of having abundance and suffering need. (13) I can do all things through Him who strengthens me.

—Philippians 4:12-13 NASB

Your way can even drink the wisdom of God to learn ideas that would build natural details. God is not boring. Choose to hunger and thirst after righteousness. Your heart must yield to the Way. Your spirit must drink Yahweh deeply. Seek King Jesus, and drink from His Word. Be assured that Yahweh will take care of you.

Power can push God's plan forward. Do you want talents to use in the spiritual fields? God's plan truly takes you into the fullness of your living.
