

PROPHECIES

May 30, 2022

7:51 p.m.

YAHWEH MAKES IT PLAIN THAT PROPHECY MUST STAND:

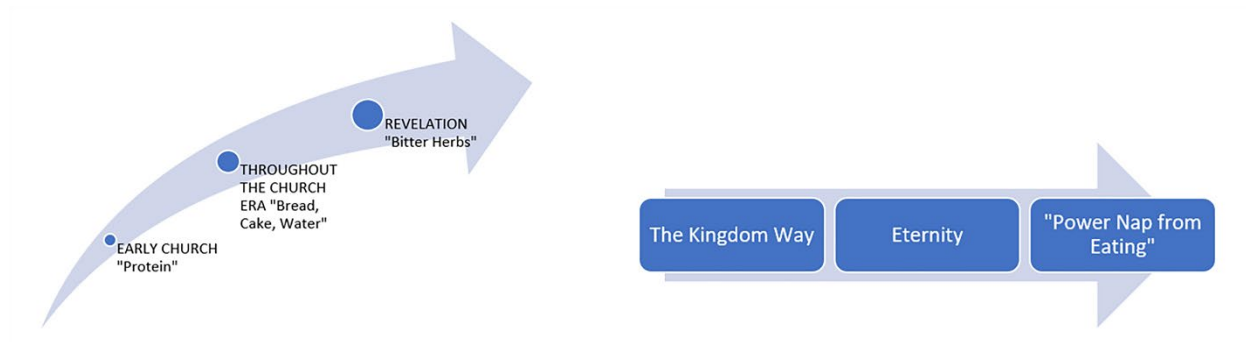

People say that prophecies cannot go on right now. But then, that produces a major problem. If prophecy ceases and is no longer, then My Word will not come forward because it's still being pushed into the earth. Has the Book of Revelation been fulfilled, carried out in the natural? The standard of prophecy cannot cease and still keep an active prophet's words going.

Even raising the dead requires speaking forward, Yahweh's purpose. A raising of the dead is a power will, given in a prophet's trait. And Yahweh gives His powerful surging to bring the command forward—a "prophet" way in moving between spiritual and natural elements. They say that the dead prophets of Scripture are still giving prophetic ways, and that they still speak through Scripture. To still speak, there must be active moving of the prophetic in the written Word.

I cannot end prophecy yet still say My Word will not fail.

See that? These people need to see their error in understanding prophetic words. There are many fake prophets out in the earth, but there must be a clear seeing that to carry a word written in a prophet's trait must have a **surging from Yahweh** to be moved out to a natural standing. If Yahweh meant the prophetic gifts are done with, and that office traits in prophets are no longer, I would have to bring an end to all the prophetic details.

A MEAL

YAHWEH IS STILL SPEAKING:

Because look at it this way: Imagine it as a meal I gave you. I said in this setting that the Early Church is the "Protein," and the Revelation plan is the "Bitter Herbs," and Eternity is a "Power Nap from Eating." But look at other options on the plate, like a piece of bread. You would eat the piece of bread even if only the other parts of the meal were noted.

What about what the Bible writer (the host of the meal) said of how things will be with the power nap? Would you take a power nap while still trying to eat the food? Would you tell the cook, "No, I don't want any more food because I heard about a power nap to happen after all is done with"? You would eat your meal and plan a completion of a time to end, not tell the cook that you want to skip to the end and take a power nap.

And you eat the sauces and what seasonings were offered in the food and what choices bring a pleasing way on your plate even when the cook did not give a full rundown of every sauce or seasoning or side option that is offered. The side items would be seen as the host/cook giving time to enter a joyous fellowship. But look at what My people do with how they eat My food: They tell Me how they will not accept any meals that would give other parts based on how one day, there will be an ending—a true ceasing of how prophetic traits are.

(8) Love never ends. As for prophecies, they will pass away; as for tongues, they will cease; as for knowledge, it will pass away. (9) For we know in part and we prophesy in part, (10) but when the perfect comes, the partial will pass away. (11) When I was a child, I spoke like a child, I thought like a child, I reasoned like a child. When I became a man, I gave up childish ways. (12) For now we see in a mirror dimly, but then face to face. Now I know in part; then I shall know fully, even as I have been fully known. (13) So now faith, hope, and love abide, these three; but the greatest of these is love.

—1 Corinthians 13:8-13 ESV

YAHWEH CONTINUES:

Look at how My Word says that knowledge, it shall pass away. Is there a closure to revealing knowledge, or is there now an increase in knowledge? Are there still instances where Yahweh gives His gift of tongues? And why wouldn't there be?

People are putting prophets and those who carry the gift of prophecy in the same meaning. They are two completely different ways of service offered in Yahweh's Kingdom. There must be an understanding that I literally hold all of creation with My word, My power, from My spoken way—a Prophet's words being made forward in the earth in the ones who operate in the prophet ways through prophet traits.

Yahweh gives out prophecy to shape the earth for a Second Coming. The word of prophecy needs to stay in an active plan to bring forward the fullness of Scripture. Not one word will pass away.

Heaven and earth will pass away, but My words will not pass away.

—Matthew 24:35 ESV
