

THE OFFICE AND THE CRUSADE

Dream: October 19, 2006

Susanna says,

I was in an office building that had lots of different areas. It was a large office floor. I found some of B. Hinn's things. I believe that I was watching him on TV. These things of his were laying there for anyone to take if they wanted to. I noticed a nice pair of black shoes. I picked them up, thinking that they were nice and that I would keep them. On the bottom of each shoe was the word "Hinn." I knew who they belonged to; they were nice and big.

Next, I noticed that B. Hinn showed up at the office. He wanted to know if I wanted to learn and watch what he did for an upcoming crusade. He also apologized for being late in picking us up for the crusade. It was me, B. Hinn, and two other females who were like teens to him. We were so eager to learn.

When walking in the office building, B. Hinn was a normal male height. In the hotel lobby, when he walked with us, he seemed so much taller. (I came up to his waist-chest area.) He was on my right side, and the other two females were on my left side. He told us to sign in and get ready.

The three of us went to the hotel desk and received our receipts from a man named Bobby. I signed my credit card receipt and left that, as well as \$2, on the counter for him. B. Hinn told us that we must hurry and get ready because a lot of things had to be done before the meeting started. Next, he left to get ready.

We were getting ready to go into the stadium. We arrived at the security person who was checking passes. One female showed hers, and then I did,

and then followed the other behind me. The guard said that after this point, since we have the clearance, we could go through the rows past everyone. He said that some would try to stop us, but then they would see we had passes.

We ran through the rows where everyone was standing to get in. I entered into this room where the others were getting dressed. I had a backpack, and we were all getting ready to go out there on the platform. I noticed that it was 6:27—almost 6:30. I knew that the crusade was starting soon. I was so excited. I didn't want to be late.

There were only a few of us in the room getting ready for the crusade.

The Great God Yahweh says,

You have been given a major calling which has now been fully birthed into the spiritual realms and will be made clear to all who will drink from Me to truly see you. Your work way is different than your call in the plan as a whole. And this calling is greater than Solomon's. You have been given a field that has been planned from the very beginning, even before you were born in earthly ways.

The call is moving a wave of the Holy Spirit into the earth in the preparation for what is about to take place in the earth. Your nature will take on a new way in the Third Stage you have been given to move in completing. You will taste a deeper way in spiritual will. You will turn into *you*.

The plan for you is truly moving in the earth, and now the people will be given ways to see. The dream that I gave you has been in seed form and has grown to fullness, where it can no longer stay hidden. Your purpose has been given, where you will preach the Kingdom and prepare the world for the return of King Jesus. That is your purpose, a worldwide calling that is

now in the fullest state. *Calling* is very important, and so is waiting to reach that place in the Great Way to then move forward to do the work so that they will truly move to embrace it. Your purpose has been made clear.

Now your *calling* will be made clear, as well, in the plan so the nations will see the plan moving into the fullness needed so you will be able to do the Kingdom work way in major outlets; for the King's will is greater than any human will, greater than any earthly empire, greater than any moving of Satan. The One True Moving called God Yahweh gives you the interpretation of your dream that He placed in you so long ago yet is still as meaningful and true.

Here is your interpretation: The will of the Great Way King Jesus has been moved into you, where you have been given the very anointing that was once given to the person mentioned in this dream. Now this way will move to be seen by your way and the world way as a whole.

You move in that anointing this day. You will learn how to move in the fullness of your prophet mantle that will be a comforter in this plan. That would mean you will use both your mantle with the anointing that was given for you with great transforming power and fire.

You have a great stream of the power of the One True God within you this day, yet many were unable to see it. But now, you have been made a way for all to truly drink what is flowing within you.

Don't move in looking at the person who once moved in this powerful anointing yet has built his own work for his glory, but look at the covenant you now have that has been transferred from that minister to the servant so you can complete the work way to reach a great soul harvest for the Great Way King Jesus.

Now, servant, take up your great way in the Way King Jesus as a servant in fullness, and you will have it deep within you to fulfill the work that you have been given. Now do it. Move in the plan to move in your destiny. Step over and walk in your destiny. That is the true interpretation. You will have a way to be seen in the world in a world-known status for one reason, so you can preach the Kingdom and prepare the world for the return of King Jesus. The will way is given. The unseen is able to see you in the fullness within you. No longer are you hidden in the plan.

You have a place for the work to begin in Washington, D.C. The President is waiting for a major plan to heal the nation. I will place My plan for this detail deep in you, servant, so you will speak it to him that will cause a major shift in the government of the United States of America, where they will turn and move in seeking the One True God for answers and will turn from idol worship, from self-planning and false counsel.

You will not have a way to bring peace in earthly living, but you will be given the major platform that is within you this day to speak with world leaders of your Great King, to move in giving them the great plan that will move in bringing in a major soul harvest such as never been made a plan till this day.

The work is great, servant. The will way is sure. You have been made ready to drink the deepest form of rejection, and this day, you will move to taste it in the work way, so you will keep drinking Me in each detail. The plan is good. Your workers have been given a plan within to work with you.

You have angels with you; a great way in a host is with you. You have the Angelic Guard. You have a seraphim leading the host of angels with you. You have a human staff that will move into their places. You have the Great Holy Spirit with you. You have a power source to take a way to complete the plan that you are purposed to move in.

You have been made ready to drink it. Taste of the fullness of your calling. Taste of the fullness you have been given to walk in. Now walk in the power of the Most High. That is the will. Now move in it. Now move in it this day. The will has been revealed. Now give it to the nations so they will turn and drink it with you. So speaks the Great God of humans, of angels, of the universe.
