

I COVENANT WITH SINFUL WAYS

YAHWEH SPEAKS HERE:

See how they truly do not know it. The people in the Church truly do not see how there is a new COVENANT with Me. What is a covenant? It is an agreement that caters to certain arrangements that both parties are to abide by, submit to, or stand under. Salvation is a covenant by the blood of King Jesus and not with animals or earthly sacrifices. I am in covenant with actual prophets who are in their outfield, not cave training work. I covenant with a office prophet to bring My real work into natural placings. See how a covenant stands. And I covenant with outlets, giving them ways that keep them moving forward with Me. But never will any of My covenant ways build up humans who are not able to think or act as a human in human ways.

When I covenant with others, there is an understanding of their limitations, and I will work with them. Do I say to the human, "When we covenant, you better be a God and stay on a level that is as God"? No, never, for there is no human who has a way to attain God-level traits. Yahweh builds covenants with a human. I know that you are not able to live a perfect, sinless way. I am in covenant with a weak human, who will never carry God-level traits. But with that knowing, would I stay in covenant with you when you blatantly move against Me or come against My orders?

I covenant with a group. I covenant with a person who has an assignment. When I do not have a vessel who will stand with Me, I wait for another who will, and then I move the covenant from the disobedient member in a covenant to a new member in the covenant—to have My Word stand in active ways. Examples are Saul being replaced by David and the older Israelites being replaced by the younger Israelites when they moved against Me in the wilderness. I move covenants around, but I never break them.

I want to give an even greater seeing with that conference detail. I will not give approval for welcoming them into your way, your personal gathering, or home. But I will say it in this way: the speakers made a covenant with the general public, saying they will give ministry in My name. How can they (the general public) believe they (the speakers) will follow through with the next project? What if I left the prophet or the church plan every time they sinned?

There were many warnings to turn when I dealt with Israel until the day came when I turned My face against them and dealt with the Gentiles. But aren't the Jews still on My plan of gathering? What say you? How would you like it if I left you in the middle of a covenant meeting when there were to be a great gathering of hungry persons looking for Yahweh? That is how I see your pride. You think they care about seeing your way. They care about meeting with ME at your event.

To quit the meeting is to make it seem as if you would have been tainted to share a stage with that person being misled. I share stages with many preachers who live in sin, selling their gifts, operating in New Age, having adultery while still married to another. I still work with these ministers participating in gay actions while pretending to be a straight way. I covenant to bring My gifts and My great power to the hungry person who is seeing you but craving Yahweh.

You, person out there: you forget yourself and elevate your way of living. I can tell you think you are without reproach. I can see every hidden way. I covenant with these sinful ways with a greater plan to bring healing to the whole community. If there ever is a stripping of grace in your church building, would you drop dead for coming before a Holy Yahweh? Gauge yourself and view how you live. I covenant with a sinner to save a great community.

But I will not continually stay when there is a replacing plan coming forward. I see your sin. I smell your stench. I can move a covenant off of your theatrics and give it to a lowly

way. I can. I do not gauge My approval based on the class size. I base My covenant power on if I am actually standing with you. Go find Me a Bible preacher with millions of followers in the written Word. You gauge a real work based on a natural gathering. I base real ways of influence on how that servant is with Me in My council, hearing Me and speaking what I would give.

No real prophet has lovers of their words. They give harsh sayings and will turn the people to seek Yahweh and turn from their wicked ways. Pay very close attention: there will be a mixing of two eras—one will be a stripping of grace, and there will be judges who will give harsh Kingdom orders from Me. There will be great fear, a reverence of what Yahweh can do when grace is gently stripped away. Where will your righteous indignation stand? Covenants should be transferred, not broken. You are out of order, those who break it with My hungry class.

A Special Note (About the Grammar)

Sometimes, Yahweh doesn't say "an" when needed but would use an "a." It's not a grammatical error but a note of the actual way spoken.
