

THE REQUIRED ELEMENTS TO RAISE THE DEAD

Without a covenant in God, there can be no further pushing of power to have the powerful Rain seen in a natural presentation. God has a way to bring His will into natural ways of being viewed, with the covenant leading.

The ultimate first requirement is a covenant with the One True God, King Jesus. A covenant to raise the dead will not come forward without having a proven history of obedience with God in taking on Kingdom assignments. God must spiritually strip His servants of pride and selfish desires so that there will only be a yielding to God. Power—it can cause a servant of Yahweh to get self-sufficient, and that fleshly nature will come over a person in gentle waves of human praise.

Do not hope to walk in this level of covenant unless you have the vow within that you will serve Yahweh at all costs. Covenant is mandatory. With a covenant in Kingdom power, a servant invokes Yahweh. Yahweh has joined with the Kingdom worker through a covenant and will back up the order spoken under His care.

Along with a covenant, there must be an integration of spiritual laws, elements, and natural shifts. Some of the other elements needed to raise the dead are:

- (1) POWER
- (2) SPIRITUAL LAWS
- (3) GIFTS
- (4) A NEW WILL PLACED OVER DEATH
- (5) MESSAGES
- (6) WAITING ON YAHWEH
- (7) RESURRECTION POWER

Now, here is a breakdown of the Message, “How Will a Dead Person Be Raised if They Have Already Been Buried?” to further explain these truths.

MESSAGE FROM THE LORD

THE GREAT WAY SPEAKS TO THE SERVANT CONCERNING THE FIRST “RESURRECTION” THAT HE WILL SEND HER TO MOVE IN:

This has been the biggest question that you move in thinking—even more than, “Could a *raising* really move in natural details?” I have great power, and it will take **(1) power** to raise any truly dead person, (1A) to put their spirit within their earthly body and (1B) remove the decay within their natural way. And with the complex nature of raising a dead person, there is also wondering how they would be able to (1C-Matter Shifting) escape Hell or Heaven and then travel back into their body to then move through earthly space, to appear in a new area outside of the coffin or morgue or any enclosed detail.

It would take certain (2) spiritual laws (2A) being placed upon that person that would move them back into earthly time segments. The human, after death, will go into eternity. And in this eternal way, time is not being used as a way to gauge details. A person in Hell will not know what is going on in earthly details, nor will those in Heaven care about what is taking place after they are in Heaven.

Time is earthly based. Eternity is apart or not in earthly details, where it will become *earthly* based on details taking place in earth time segments. Time is how the Great Way plants His will into the earthly details for a way to be given to see His will become natural details. Working with God to raise a dead person will not give the servant or any other vessel any way to take any glory, for only will the Great Way King Jesus be able to supply this great transforming power and fire.

Earthly bodies would move into eternity in the spirit, with the earthly tent left behind. Only the spirit way will be in Heaven or in the Hell. Natural

details such as flesh and blood will not be given in these details. But there will be many who will feel details as if their fleshly bodies were with them in the Hell, yet their body lies in a coffin, buried under great levels in dirt.

With a coffin, will it be needed to dig the person up and then pray to have them raised? No. How can that be so? Tell Me, will it be needed to dig up millions of Christians before they will be changed into their immortal way when the Great Way is moving to release them from death in all details? Will I have the living dig up all those listed as Christians, to then change these, only with this way moved in being completed first?

The *rapture* is what the process is named. Will that way become the way to raise dead people even in this day and in this first stage in Seersgate? How can flesh move from one space—to shift into a way to take on travel—to then rise up and be in another place, fully intact?

What **(3) gifts** will be present when raising a dead person? (3A) Healings will become the way that will lead in raising a dead person. (3B) I will have to fully give a full healing in natural ways and repair their system to flow natural blood within. I would also have to (1D) give them a way to reenter their earthly body. There would have to be a detail to connect them, and it will be with power to put their spirit within their earthly body. (3C) There would also need to be a miracle, where the way of the old is regained.

Truly, you know that most who are dead have decayed in advanced levels, and it would be natural laws that would have a leading in that dead person. The power in the Great King would have to (1E) shape and recreate the person as if they were the first human on Earth. Adam was formed from dust, and then he died, and now he is dust.

All humans in the death moving have decayed to some level, and I will have to (1F) remake them from dust after My will truly changes the way the natural laws would lead. There would have to be **(4) a new will placed over death** to give in that segment affecting that person in death. And the way would have to become (4A) a new plan overruling death in that time segment for the person who was dead to live in earthly details before the way is no longer given through the way in this time segment.

How will God do this? (5A) He speaks His will from outside of earthly time segments; then, within movings of His (5) messages, He makes His will known. You hear Him speak, but all spoken will not be pushed into your way to have it take over your natural living. Power has to (1G) push the message into your earthly moving, to show.

God will speak, to say He wills to raise a certain person. You will go to where the person is buried. You will not dig up any dead person. You will only sit where they have been laid in that detail. You will wait for Me to tell you to speak it into the realm for all to hear it in unseen details. It will be heard by all. Now, how can that be so? The message will overrule all in the unseen way so that the dead person will now be released from death and will then come and be remade into the way that those who once knew them would remember this person to be, in natural details.

Death is a curse that was there, in garden details. Curses can be released. But Death will not always be here with humans, for Death and Hell will be thrown into the lake of fire.

To continue this detail, you will hear Me speak to you concerning a certain dead person. While you wait, you will learn how the plan is to be moved on. I will show you each person you are in the will in Me to pray for their raising. You have the name of the first person. He was killed, and he was

greatly burned in a fire. Only his teeth could become an identifying detail in the way of natural details, but you will see him with his spirit showing, to fully know that this is him.

I have shown you this person. Most think he lives in Heaven, but you surely will see him in the Hell, in deep torment. Your Great King will send you to gather a major report on how Hell truly is. And with that detail, you shall meet him. I will place the torment that he deals with in a full suspended way, where you will be able to speak with him concerning how he will be given a way to be raised.

He will wait in great torment but will hate you for giving him that news while leaving him there. The torture will be seen by you, and you will report it accurately. You will then **(6) wait** to raise him based on when the Great Way speaks the will that would shift what natural details are moving in place.

You will see him on the plot, fully remade as if he never was killed in a major natural fire. When he sees it has been made into a real way, to take way, he will truly turn to serve King Jesus; and with his major witness, your Great King will be noted, and glory will be given to His way, where many will come into the Kingdom of the Great I AM.

After you take him with you, have a way to tell him of your Great King, with mentoring details. Train him in Seersgate. He will bring in great soul harvests for Me. It will be a truly amazing resurrection, for that will be the only way he returns before the way is given for the dead to be raised, in judgment details.

(7) Resurrection power is (7A) needed to raise any in this final way in proven death. And there will only be One who has the power to raise the dead. His name you have to preach, and by His name, power will surge

through you in giving to all who will drink it. The name of Jesus—you will speak in His name, but with you, there will be major transforming power to push all that you have to say into earthly details to truly be seen.

Power will become clear in the major world training detail. You must be ready, for your way is finally being removed, where you truly say, “Not my will, Lord, but only Your will shall be truly done in all details.” Power is needed to raise any.

Who wants the Great Way’s power? All? Why should it be given easily? It cannot be given without first yielding within to serve the Great Way in truly the fullest way within. Power is filling you. Now you can use it to do this Kingdom work. Preach the Kingdom and prepare the world for the return of Christ. Power is given, but it will cost you.
