

# HOW TO BREAK THE POVERTY SPIRIT

## **SUSANNA SAYS:**

I could not break out of a cycle of debt and need. There were opportunities to begin businesses and establish specific plans centered on God's purpose and calling. I thought that if God gave me the ideas and the calling and the anointing, surely, there would not be a spirit that would hinder His will from going forward.

But then, recently, the Great Yahweh told me that there was a curse over my spirit that kept me from moving forward into the literal manifestation of what God had promised me. This revelation showed me that spiritual hindrances could compromise the seasons of planning and implementation. I blamed the lack of growth and power on how the work would always lack provision. I blamed Yahweh for how slow things were moving along when there was a demonic spirit that hindered the progress.

Yahweh could not make me spiritually or physically wealthy and pushed into my destiny when a spirit of poverty had a ruling plan over the whole work because of a curse placed upon the spirit part of me.

## **GOD I AM SAYS:**

Many would wonder if they have their own form of poverty based on their spiritual joinings with the unseen realm. They are hoping to bring in great soul harvests by begging the people for their provision. And it's a continual asking and begging and guilty sayings that make the people give into that person's work. We have kept you from having great provision to take care of the work through your curse placed upon your spirit from a family joining.

Take a look at how We have called you since you were a little girl standing near that pastor's car, begging him to let you go on a mission. You barely stood as tall as the car door handle, yet within you, there was a true call to preach the Kingdom and prepare the

world for the return of King Jesus. You were filled with that longing within even when you were a little girl. You would drink in spiritual treats and would see into the spirit realm at this early stage, but there would only be a certain amount of pushing given in the training, and never were you able to take in the fullness of the work with a curse placed upon you.

We knew it. It was not hidden from Me. But We needed you to put Me first even in this painful lack of provision. This provision is spiritual. And it affects every natural detail. You have to break a spiritual curse to have a real destiny of purpose and provision lead in your body, soul, and spirit.

Have a way to bring you into the fullness of your Great Yahweh. It is that time for a spiritual release. It is the natural time to take in great spiritual and natural wealth. Be free in your Great King. Here is your prayer to drink freeing ways of deliverance in your Great King Jesus. Be free in the blood of King Jesus.

#### **A PRAYER TO BREAK THE POVERTY SPIRIT**

*Yahweh, King of the universe, I humbly give my whole body, soul, and spirit to Your Kingdom, and I serve You fully in spirit and in truth. With power in the Great Holy Spirit, I humbly submit to King Jesus. Please bring a shifting within, where I am free from the poverty spirit. I ask for a deep power cleansing in the full line of my heritage. Please forgive me for all my sins. Please give me Your power to have Your plan moved forward. Please break the curse of poverty over my body, soul, and spirit. Come and bring a real change, where purpose, provision, and power take over the old way of striving to bring all into the natural. Power must take me into the work of the Great Way. Here is where I yield and will follow God's order under Yahweh. Now, go, Poverty Spirit. You have no further claim over my spirit. I have been set free in Yahweh. It will now shift—all that Yahweh purposed—and will all reflect the Great King's will in growth and provision. Amen.*
