

POWER, NOT MONEY

April 30, 2022

2:13 p.m.

SEERSGATE STATES A SELF-NOTED PROPHET'S WORDS:

The guy said:

"The only way, the most important way, the most powerful way to advance the work of Christ, the most powerful way to advance the Kingdom of God on this earth is finances."

"The number one way to advance the Church is finances."

YAHWEH GIVES A REPLY:

Do you believe that, servant, that money is the most important, powerful way? If that were so, I would have granted My early church apostles great natural wealth, not power. If money is the most powerful way, why would I tell the early church to wait until I filled them with power?

Wake up, Church. Wake up. Stop begging for natural wealth. Come and drink being with Me. Give cheerfully, but do not think I will prove you have Me or have My power due to your inner circle and your flesh crowd. You have the greatest treasure when you win a soul, and My power will be the only way to bring in the harvest.
