

HELL, IN THE CENTER OF THE REAL EARTH

SUSANNA SAYS:

Where is Hell? What does Scripture say concerning the place known as Hell?

And death and hell were cast into the lake of fire. This is the second death.

—Revelation 20:14 KJV

Therefore hell hath enlarged herself, and opened her mouth without measure: and their glory, and their multitude, and their pomp, and he that rejoiceth, shall descend into it.

—Isaiah 5:14 KJV

For as Jonah was in the belly of the great fish for three days and three nights, so will the Son of Man be in the heart of the earth for three days and three nights.

—Matthew 12:40 NLT

There is much to say concerning the place known as Hell, but what plan will be covered in this short teaching? I will make it clear that Hell will not be a place to go party with your friends. Hell is not a fun place. Hell will truly be filled with torment and pain for all who are destined to go into that way. Hell is not any form of purgatory. It is truly a place that will not take orders from any. Hell has the purpose of torture, with the help of demons.

God's power is greater and can release any from death's plan to keep one in the grave. Who goes to Hell? Will it be those who are sinners based on their own gauging of right from wrong? What standard will judge all? Only the Great Way King Jesus. You must see, Hell is in the center of Earth. Hell is a spiritual place. Hell cannot be removed until God throws it into the lake of fire.

In this literal Earth, there is a spiritual body of death and pure evil that is filling up with more and more dead. This body is spiritual, just as the Body of King Jesus is spiritual. But with Hell, all who are in that body—they will not want to be there once they are in that plane. People say there is no choice as to their going to Hell, but God has given everyone an option. No one will enter Hell without awareness. Creation itself declares that there is a Creator, but that will not be proof. What is your needed evidence?

Portals spin inside Earth's atmosphere to tunnel those who have entered eternity. I am fully aware that there are portals to Hell in the dwelling in which I write this detail. Hell is filled with many demons. When Hell opens, I can smell sulfur; that smell is as rotten poultry, in egg form. I can smell demons in each room. I can smell demons on people as they walk by. I can smell death. I can smell the drug demon, for it smells just as the drug it gives.

I can now see demons. There are many different forms of demons. There was one that took the shape of a man with a "shark" head. There was another demon that looked like a monkey—hairy yet standing like a human. I have seen a very dark demon with very red eyes. I have seen another demon shaped like a cat. I saw one that looked like a caterpillar. I saw a twelve-foot snake-shaped demon. I have seen a demon that looked like a dead person walking. I have looked at a demon that moved like an angel yet carried no light. I have seen Satan.

THE GREAT WAY SPEAKS AFTER A QUICK ENCOUNTER WITH SATAN:

I am granting your full request to walk in this level of great power, where you will be able to stand and fully engage the unseen realm. I am giving all in the unseen way, a way for moving it. I am giving all power and glory in the needed drinking to be fully successful in this full work. Now, servant, walk the new power way with Me. Come and take a deep drink in Kingdom purpose.
