

WHY DIDN'T I HEAL ALL OF COVID?

Yom Kippur 2021

12:06 a.m.

YAHWEH BRINGS KINGDOM ORDER:

This note will be a divider message. You will yield and give this great will into the ways you speak.

Is Yahweh able to heal every sick person? Yes. Will Yahweh heal every sick person the way the people think is better? No. Is full healing the way in going into the death phase? If they have eternal living in King Jesus, there will be full healing of body, soul, and spirit. The earthly tent (body) will be resurrected incorruptible and in a plan without any sin.

What is a sickness? The way a sickness goes into a person leaves a residue of a placement lacking full glory presentation. Heaven contains no sickness, death, painful living, or sin. Heaven is not here on Earth. Hell is literally in the heart of the natural earth. Heaven is very far away but can be reached within moments with spirit travel, just as Paul experienced. But to go to Heaven with using demons, you will never get there. That's for those who leave their fleshly tent and wander into people's private living.

You dealt with an invader very recently. You and your husband were watching a heavy battle movie to learn strategy in actual war plays. And then this invisible person gave a comment to attempt to bring Me down, stating that the God of the Christians is a weak God. And you heard him, but you couldn't see the person. They spirit traveled into your home. We told you to make sure to wear appropriate clothing as if you had guests. You are learning that your home is no longer kept a hidden place. And these witches and warlocks are on a lower level than Op____, a bride of Satan.

Finally, we will deal with her way and take on meetings with such a powerful worker in Satan's way. And why would Yahweh state her name? She has spied on you over the years. We let you see her spirit as an invisible plan, viewing you at work when you traveled with your husband. What does this stating of the spirit ways with witches and warlocks have to do with Covid? Has any witch or warlock brought healing to a sick person? Can any witch, warlock, Satan-based outing bring real healing to those in need? No.

Yahweh is the Healer, and in Yahweh's nature is literal healing. Then, what is going on? Can anyone use great seeing, real wisdom to gauge spiritual warfare over natural pestilence? How many times have I healed you of Covid? Tell your story, and do not hold back out of fear of rebuke and rejection. It is too late: I will not make you go to a hidden Cave training. Speak. You are commanded.

WORLD PROPHET SEERSGATE:

I can replay the day in my memory when I had the most distressing choking in the middle of the night last year, my breathing hindered. And it scared me. I struggled to breathe, but I did not want to wake up my husband. I thought I would wait it out and hope it was just the weight gain pushing me to extreme breathing issues. The night went by slowly. Out of fear, I stayed awake off and on. I had an unusually painful sore throat throughout the night, and then I knew that it didn't need any further proof that I could be sick.

More than once, this happened, where these symptoms came, and on each occasion, I heard Yahweh say He would heal me because I had a lot of work to do, and it would be a hindrance to have me lay in bed for a few weeks to deal with the sickness. There was an occasion where I knew I didn't feel well, and those same symptoms came back. I wondered if Yahweh would heal me again just as before, but the morning came quickly, and so did the symptoms. I knew it was happening all over again. And I waited, hoping for healing to come. But it was a few hours, and still, there was a sickness in me.

That day, my husband became very sick and couldn't go to work. He could barely stand. Yahweh told me that He would heal me so I could take care of my husband, who did indeed get it, this sickness that doesn't discriminate. I wasn't feeling sick later that same day. And I took care of my husband, who could barely move, changed his clothing, his sheets, sometimes changing his clothing more than once during the day. I was afraid for him.

I was able to really see that Yahweh is the Healer, yet He did not heal my husband but made sure he did not get too sick to require hospitalization. My husband has underlying sicknesses that could trigger a dangerous way of being under the Covid strain. By the time evening came on the day Yahweh had said He would heal me, it was like I was never sick. Even though healing happened to me, I still struggled to believe what Yahweh did. And I pondered why He would let so many stay ill or die from the sickness and let me be healed in a few hours of saying He will heal me so that His purpose will be moved forward.

I wondered what spiritual warfare would really look like, and this Covid doesn't feel only natural-based. It feels as if it's a part of a calling-out, stating, "If Yahweh is real, let Him show Himself. If Satan is greater, let it be declared." And writing this makes me think of what the Satan worshiper spoke not even two weeks ago, saying that the God of the Christians is not powerful, a weak God. I am starting to look at Covid as a spiritual but naturally pushed movement of warfare. I will take any lie detector test on any journal entry I give. This is one of the most powerful calls to battle ever made.

YAHWEH SAYS:

Indeed, you made a call to engage Satan. And now you can tell My people there really is a Great God who cares for their way of living. Am I a terrible God? No. Do I want the innocent casualties to suffer? No. What happens in battle warfare? Is the enemy going to make it an easy way of battle, or will there be a "fight to the death" form of yielding?

What do I want from My Christians? Yield and drink Yahweh. Declare Scripture in its given context, not what you want based on your human feelings.

Death isn't to be feared when you live within My Kingdom. Death brings a believer into eternal living where there is full healing. A great many Christians say that Covid is an act of punishment on the sinful person. Why then are pastors dying? Why then are those in the Kingdom losing their way of natural living? There needs to be an understanding that living on this earth is not the full power way. This living here is only a staple of what is to come. Isn't there to be a new Heaven and a new Earth? Put that Scripture right here:

(1) Then I saw a new heaven and a new earth, for the first heaven and the first earth had passed away, and the sea was no more. (2) And I saw the holy city, new Jerusalem, coming down out of heaven from God, prepared as a bride adorned for her husband. (3) And I heard a loud voice from the throne saying, "Behold, the dwelling place of God is with man. He will dwell with them, and they will be His people, and God Himself will be with them as their God. (4) He will wipe away every tear from their eyes, and death shall be no more, neither shall there be mourning, nor crying, nor pain anymore, for the former things have passed away." (5) And He who was seated on the throne said, "Behold, I am making all things new." Also He said, "Write this down, for these words are trustworthy and true." (6) And He said to me, "It is done! I am the Alpha and the Omega, the beginning and the end. To the thirsty I will give from the spring of the water of life without payment. (7) The one who conquers will have this heritage, and I will be his God and he will be My son. (8) But as for the cowardly, the faithless, the detestable, as for murderers, the sexually immoral, sorcerers, idolaters, and all liars, their portion will be in the lake that burns with fire and sulfur, which is the second death."

—Revelation 21:1-8 ESV

YAHWEH SPEAKS:

Yes, I can bring sickness on a person. Yes, I can bring death curses to humans. The written Word gives many examples, and if the people want to know of those examples, tell them to write us within our work. So, is Yahweh the only one who can kill? Doesn't the thief come to steal, kill, and destroy? I am not a thief, so, that refers to your enemy.

What are you doing, world prophet? See, today starts the way of the activation, pushing you into your year of presentation, learning the mantle at this level. And so, let's start off with a very controversial plan. You are not a faith healer, nor will you promise anyone that they will get healed. You will not take up an offering to give a prophetic word, nor will you prostitute My gifts.

You must only say what I give you or else you will be punished harshly, sent tormentors for rebelling against the will of your God. I will push harsher restrictions upon you so you will bend and begin to turn into the full way.

I will now start to make them feel Yahweh. Take in the way of rejection and let it bring you close to Yahweh. Do not say what you are hoping to have as a real message. Quote Me word for spoken word.
