

A CRAVING FOR PORNOGRAPHY: REAL TALK WITH YAHWEH

October 12, 2024

10:27 p.m.

YAHWEH IS LEADING:

It doesn't feel like the craving to watch will ever go away. It feels like this one image will fill that craving, but then, a moment later, there is this craving for something else. You have that man or woman at home, and you just hope that tonight will end it, this craving for something else.

You don't even view the naked people you view as real people. You objectify them, comparing one set of organs against another. But what do you do now, with AI images producing a product that resembles the real thing? It's hard to tell the difference now, the real from the computer image. Because to your mind, you cannot tell the difference. The organs start to look the same. How do you fill this craving? And then you start to experiment with your images, making them do acts that your real human spouse would say no to. You want to fulfill every craving to say, "You lived," but at what cost? What do you have to give up to fill that craving? What parasite eats away at your heart?

Take a look at your soul. Here is what Yahweh sees. I see your soul blackening, your spirit turning darker. You hide your cravings from others, going to church every Sunday or for the non-religious person, you go to work with your best suit on, expecting full respect and addressed accordingly when all along, your mind is caught up on thoughts of what someone looks like naked. When does it end—this desire to undress everyone? What is fueling your desire to sin? What spiritual doorway opened? You fear talking to your church leaders due to how they gossip. Not all, but some. You want help. At the same time, you don't want to be judged. You want to share your deepest hidden sin, but who would listen and get close enough to you and not fear that you would attack them?

I will be that Person you can confide in. I will be that listening ear, the One you can confide in. I will weigh your heart and gauge your spirit against My will. I will tell you when you are being led astray. Come to Me. Come to Yahweh. Tell Me about those wicked cravings you have. What will Yahweh do? I will love you by drawing you by My Spirit. I will point out ways to adjust, not to cause you to feel trapped. Instead, I bring freedom. I will break off every layer. I will run deep and review every area. When that craving comes, I will draw you by My Spirit. Come to Yahweh King Jesus.

The images will bore you. As you yield to Me, you will crave something else: holy living. As you yield and turn down those temptations to sin, you will crave being near Me. Walk away from the old way. Come and drink from King Jesus, the Living Water. I will review every area in your life. I will show you who to take out of your life. You need to leave those friends who tell you it's okay to hang out with those who walk in this nature. You must stay holy unto Yahweh. Separate yourself and live a holy life. Follow what My Word says. You need to read it for yourself.

Are you holding any anger or resentment towards others? Do you hate? Are you bitter due to past experiences? Come to Yahweh. I can heal you. I can mend your heart. I can give you a heart of flesh—clean hands and a pure heart is what I look for. You don't know where to start. That's okay. I know how to help you. Call out to Yahweh. Renounce the former way. Throw away those objects that are sinful that walk against Yahweh's nature. Do not fellowship with the world, trying to change them. You will end up getting weak by being in that environment. Bad company will corrupt you.

If you know you struggle with the remote control, put your own set of parental controls on what you view on TV. Don't go into that environment or that platform that caters to sinful ways. What about those on social media? Cut the ties from following those who can lead you to "want to see more." Those "thirst traps" are dangerous and lead to cravings against Yahweh. There is a way out. You, too, can have freedom. But first, you must come to Yahweh. I am willing to listen. I am here for you. Now is the time.

For those who wonder why you can't just cut off the ties from these outside connections: There are spiritual joinings that must be addressed. The spirit realm is real; demons and occultic actions can influence you. Once coming into the Kingdom of Yahweh, there must still be a gauge of your way of living. Stay connected to the Vine. Remain. A continual joining. A spiritual plan. And only Yahweh has great power that can keep you. But you must yield. You must say to Yahweh that you want a new way. How do you start? Come to Yahweh in prayer. Renounce the old way. Confess your sins.

(8) But what does it say? "The word is near you, in your mouth and in your heart"—that is, the word [the message, the basis] of faith which we preach— (9) because if you acknowledge and confess with your mouth that Jesus is Lord [recognizing His power, authority, and majesty as God], and believe in your heart that God raised Him from the dead, you will be saved. (10) For with the heart a person believes [in Christ as Savior] resulting in his justification [that is, being made righteous—being freed of the guilt of sin and made acceptable to God]; and with the mouth he acknowledges and confesses [his faith openly], resulting in and confirming [his] salvation. (11) For the Scripture says, "Whoever believes in Him [whoever adheres to, trusts in, and relies on Him] will not be disappointed [in his expectations]." (12) For there is no distinction between Jew and Gentile; for the same Lord is Lord over all [of us], and [He is] abounding in riches (blessings) for all who call on Him [in faith and prayer].

—Romans 10:8-12 AMP

PRAYER OF SALVATION

Dear Jesus, I ask You to forgive me of all of my sins. I ask You to save me. I have turned my back on You, but now I come to You. Please cleanse me from all unrighteousness. Please heal me. Please heal me in every area of my life. Most importantly, please come to live within me. I want to know You. I want to have a relationship with You. I am Yours. I am Yours forever, my God, my King, and I choose to serve You for the rest of my days.

Thank You, Lord, for dying for me and for saving me. I receive all that You have for me. I look forward to being with You forever. Amen.

PRAYER OF CLEANSING FROM DEMON TORMENT

Yahweh, bring a way of protection with Your warrior angels. Please protect me from the snares of the enemy. Please show me the doorways that must be closed from the former way. Please cleanse me and my way of living. Cut, break, and release me from demon torture. I throw away all Satan-based media outlets and work-based occultic connections. I renounce every outlet tied to Satanic outlets. No longer will I let humans make me take on their evil ways of blasphemy with causes that are against Yahweh's nature. Yahweh, please seal all doorways that lead to pride and self-exaltation. Let me be in a humble way that brings You glory. I allow Yahweh's healing blood to permeate into my whole way. Thank You, Great King. I will praise Your great name.
