

SERVING A GOD WHO CANNOT HAVE ANY IMAGES

Many truly think you would have to be someone who makes an image of their deity to feel a certain way in that group that would have a deeper connection in spiritual details. Yet, you must consider how the Great Way brings in His relationship method. It is not through doing any ritual that you will be able to have a true way to be with Him.

The Great Way is real, and what He offers is not based on what you have in your plan to build up. Humans tend to want more than we were given to steward. We have a way of thinking that humility is shown based on how much we truly lack. But what is coming to be revealed? Humility manifests in how you move in obedience to the will of your Great King regardless of natural wealth.

You truly must live a way that would choose to submit to God's will. There cannot be any other gods in your way to worship. Do not make other humans have a way of greater importance than Yahweh. So, we must truly give the Great Way a way to search us deeply concerning what people, things, or plans we have placed there in front of the God we say we truly love.

An image is natural; it cannot give you a spiritual view of the Great Way. God can only be worshipped in spirit and in truth. You can feel Him when you worship the way He would be pleased with. Your heart has a will to wait to connect with God as if He was a human. You want the natural part of you to give Him love—only to reject the Spirit ways in being with Him.

You must have a way to honor Yahweh and display love and obedient ways through your willing service. Do not ask for a vote on how He would be pleased with you. Have a way to worship God without being acknowledged. Have a way to serve Him in any job or position He will give you. Do whatever menial task He would take you in to make you a vessel to bring Him great glory.

Look at how the people have their traditions to go and *make* Him, so they still think. Yahweh will not bend to a human's will. God is merciful. God can change details based on the way given that would bring His final will to the surface. I have a way that truly longs to taste His Spirit deeply. It will fill me at the will that He lays before me.

Fillings in Yahweh take away that plan to try and maneuver God into a shape that would make Him have a way in presentation to make you feel comforted. You cannot truly make God. How can a created being make the Creator? What would be the root for any hoping that this plan will bring them outlets to commune with God? Could the other ways of false worship spill into true worship?

Natural leadings in having to see His face. Natural movings in worship have a way of overruling true faith. Even placing King Jesus on a cross on a necklace is still *needing* that other way in worship to place up an image of what would make you feel comforted. In that detail, most would have a way to be offended with that stated way in saying you still have to look at King Jesus on a cross for hope.

"What is different with a cross?" "What is different with hoping in something?" you would say. Is an idol placed there over your faith in believing in a Great God who says to have no graven images? How can you see that way to worship an image in hopes that you will receive true forgiveness?

No statue of any dead martyr or other Christian heroes will bring you a way to walk in eternity with God. Bowing before a statue in worship is not pleasing to the Great Way King Jesus. Mary, who gave birth to King Jesus, should never be worshipped. She is still only a human; she is not a god. Mary is still this worshipped figure that has made a break in many faiths that call themselves Christians; in God's Word, only through Jesus will salvation be given.

You can honor any who should be esteemed in the Great King, but when you look at that human in a "god way," there is great moving in sin that must be dealt with. Get rid of your idol worship. Get rid of your movings to make a sinner think they will go to

Heaven based on the plan to worship a communion piece. God is not that wafer. Jesus will not have a way to be eaten in real earth ways. There will be deep fellowship with King Jesus in your time in communion, but never will He turn into your wafer, nor can you drink His real blood. Satan has started major ways in having so much chaos in the churches that would make it look as if God's plan is failing.

(12) Then the LORD appeared to Solomon at night and said to him, "I have heard your prayer and have chosen this place for Myself as a house of sacrifice. (13) If I shut up the heavens so that there is no rain, or if I command the locust to devour the land, or if I send a plague among My people, (14) and My people who are called by My name humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land.

—2 Chronicles 7:12-14 NASB

Will Yahweh hear our prayers just as He told Solomon He would for His people of the day? Yes. Have no idols to place in a way to be your outlet to take the place of the One True God. Break the altars offered to others you worship. Place no human as first in your way. Never give up seeking to get a closer way with God by having your spirit move in His will through truly yielding, where all within you would say,

"God, here I am. I must be changed with Your great presence. Have Your way in my heart. Fill me with Your Holy Spirit. Use me in Your plans given into this earthly servant. I will give You all that is moving in me, where I will worship You in spirit and in truth. My whole way has yielded. Please take me deeper into these different stages with You. So, let it truly begin—this adventure with You. I will have no other gods before You. I will seek to worship You in spirit and in truth. Forgive me this day, and wash me in Your precious blood. All power is given unto You, King Jesus. May You see I will be able to work the field that You will come and supply. All things are made new in You. I am alive and made new in You, Great King. Amen. Amen. Amen."
