

WHAT IS HELL LIKE?

MESSAGE FROM THE LORD

YAHWEH SAYS:

What you read disturbed you. Didn't you feel within yourself how you did not agree with the writer of the book? His way of viewing where demons came from is not accurate. He would lead others to believe that demons were not angels who rebelled against Me. But they were once angels who served Me in My presence, yet they chose to do the will of their master, Satan.

Satan is the god of this world. Why would I allow them to remain in Heaven with Me? Why would I not be able to expel them Myself? I did, and it is noted that I saw Satan fall from Heaven like lightning.

Demons are not a lower form of a spirit being in comparison to a fallen angel. They are the same. Satan's kingdom is on the earth. His domain is on the earth itself. The way he moves to torture is through his demons who move about the earth.

There are many demons of various ranks who rule regions and the nations and the people who dwell in all parts of the world. They will not have their own separations as to who they will not torment or enter. They look for an open doorway that would allow them access to the person. They go and come to their domain in the earth through portals to Hell.

Most do not know that Hell itself is in the heart of the earth, but it is. When a person who is in sin dies, their way is taken to the Sheol, or also known as the place of the dead, Hades. Hell is real, and so are demons who torment those who go to Hell upon the dying in the natural.

The dead who are without Jesus will go to Hell until I resurrect them. This is the place of torment in various degrees. This is not a moving of purgatory, where one would be released

through prayer or works as done by most who believe in this way.

The dead who have died without receiving Jesus as Lord and Savior will go to Hell and will feel the torment in their souls. The body, in the natural, will be in the ground, yet they will feel the fire, the worms, the flesh being ripped off of those who would experience this. Some will be in darkness. Some would be in pits. Some would be in the lake of burning torment. Some would be given to various demons for special torment. Some who have brought in souls to the Kingdom of God yet turned back to serve the enemy of God will be in a greater way of torment.

No one can escape the torment of Hell. No one can be removed upon the death in the natural unless I made it so they could return. This is as was done for the resurrection of Lazarus. Now, what about the time I was with Moses and Elijah on the mountain? Both were dead, so to speak, yet we know that God is not the God of the dead but of the living. They were with Me due to the will of the Great I AM: One from the heart of the earth; the other from the Heaven way itself.

No longer do those who receive the Great I AM go to the heart of the earth called the Paradise. No longer is this part in the earth used. Only those who have rejected My gift of eternal life go to the heart of the earth and are tormented in the Hell that was prepared for the devil and his angels.

Now, those who are in Christ will go, due to the blood of King Jesus, to Heaven at their death in the natural. The soul can only be saved through believing in King Jesus and releasing the old way of sin and embracing the free gift of eternal life in King Jesus.

Most do not believe there is a Hell, yet this place is here in the earth. I will take you there this moving that is approaching. You will go to this place of torment so you will be able to see first-hand and will report the plan so that people will not go there.

Your testimony of Hell will save many souls, where there will be a turning to receive King Jesus. Yes, this is what must take place so you will be able to speak with authority on the

subject due to having been there yourself. I will come and take you to this place so you could bring Me to the people as their Savior from this place. Record accurately what you will see. Do not leave any details without My will. Do My will, and report the full way, so they will know that Hell is not a place to be free; it is pure evil, pain, loneliness, and most important to note, it is separation from Me.

I want all to know that I can give their souls what they need to continue. The world does not have to be a place without the peace and love of the Great I AM. I came and made a way the people could have peace, eternal life, even before their death in the natural. Those who are Mine will learn that I have a sustaining joy that can lift their spirits out of whatever they are going through.

I came so that all may live, yet it is still up to the person to want Me. They must choose to serve Me. I cannot force any to live for Me, nor can I force one to stay with Me. This is the will of the person—if they will be with Me. Once the choice is made to be with Me, I will indeed keep that person, but this keeping will not take the plan, where they will no longer be able to choose their savior. I have what all would need. I have a true moving of life within. I have a true moving of love. There is so much more than what people take within. Let Me be the will that you would embrace in all parts of yourself.

Come and bring Me your hurting heart, and let it be healed and made whole by My Spirit. Come and let the moving of the Great I AM fill you with His ways so you would be able to endure the worldly way.

I am the Way, the Truth, and the Life. Come. Let us flow through the way, where there is true living. Being a chosen one of God is not boring. Knowing King Jesus is not boring. Living for the One True Moving known as the Great I AM is not boring. I will come and will reveal My will to those who would seek Me. I will make it within their souls that I AM who I say that I AM. My Spirit will be within and will confirm with those who receive Me that they are a moving in the family of God and are Kingdom citizens.

SUSANNA SAYS:

This is amazing insight on Your will, Your love. If people would see that You are giving warnings so they will not have to come to this place of torment, they would be delivered. They must see, where they are awakened, so they will turn to You and truly drink of Your salvation, love, and live forever in the presence of the Great I AM.

Lord, I will do the will You have spoken. I know You will take me to see this place called Hell, and I will bring the report back to the people so they will truly turn to You and be saved. I want them to know You. You will not leave me. I know this; so, I will walk in no fear.

YAHWEH SAYS:

Yes, I will be with you, and so will the angelic guard you have with you this day. This is so you will be well-protected against the demonic forces you will encounter. Do the will well. It will be worth it due to the souls who will turn to Me. Tell the people what I have willed for My servant. Share this as an excerpt and on the other way. The plan I spoke first is a message.

SUSANNA SAYS:

Yes, my King. Truly the will You have spoken will take place. I yield to You and will do as You have willed.

YAHWEH SAYS:

Good. Good, My servant. Go and do this. Go back and do the previous work later.
