SUSANNA: Lord, what does it mean to blaspheme the Great Holy Spirit?

YAHWEH: It is taking My work and accounting it as Satan's work. It is denying My power, My work in something. It is resisting Me and failing to accept Jesus as Lord. The Kingdom of God cannot be seen, Susanna. It is all done in the spirit realm. One must be born again to see this Kingdom. Without this new birth, one cannot be born into the Body of Christ. It is the Spirit that baptizes one into the Body, and if you choose to deny the work of God and His free gift of salvation, where else can you go? What hope is there without Christ? The Great Holy Spirit is the Spirit of Christ, and without the Spirit, one is not His.
