

LITTLE NUGGETS

JUNE 18, 2020

YAHWEH SAYS:

If you put a note on your gravestone, would that note provide proof that there will be eternal living? Will saying a scripture verse ensure you enter Heaven? Would notes on your grave stating that you were joined to a certain club or loyalty group save you? Save you from what? Don't fear what others can do to the body, but fear Yahweh. He can put both soul and spirit in Hell. And upon the raising up of the dead, those who are not covered in My blood will deal with an eternal separation.

I want to give you a way to complete the plan of the report on the Hell. Let Yahweh bring forward a way of great proof that the spirit realm is a real plan and that the Heaven and the Hell are operating this day.

No one has power over Death but Yahweh. And Yahweh will raise up the buried dead as a power way of the two main resurrections, as mentioned in My Book of Revelation.

YAHWEH SAYS:

Can you dig up that dead person right in front of you? In some cases, there may only be a few bones. Maybe just a skull is left in the wake of water wearing down in that grave. But what if you did take a timing and begin digging up a dead way. Would you be able to put that person back together?

I am the only One who has unmeasurable power to put body, soul, and spirit back together. Death breaks My covenant of holding that person together. It's a hindering power way put in place in the garden of Eden. I would have to break Death in a verbal power way to have a person joined from the dead, healed, and made whole as if they never were dead.

A prophet's word is the final part. No real dead person can come back from the dead, whether buried or above the earth if there is no power backing in power surging from an active prophet with God's heart to have that person come forward.

The glue in holding a person together is Yahweh's word, and Yahweh has those who are under a resurrection power covenant to speak the word Yahweh gives. That is why a lot of people are failing to bring back the dead. They are not authorized. They are not licensed in the spirit realm. They are operating out of order, which puts that person in a rebellious plan. And I will not back up a person in a rebellious plan.

Power, not money, is the needed way. I am the Way that all must take if they dare aim to deal with the Death spirit.

YAHWEH SAYS:

I am All-Powerful, and I want to prepare the world for the rapture.

Can you raise up the buried dead?

And your answer is "no." And I surely can.

Let your husband live in Katy/Houston. Let us travel around the world and walk in creative ways, with great signs, wonders, and miracles. Let's pray so that arms would grow out and organs would form back. Let's visit hospitals and pray for the sick in that state. Let us bend natural ways and bring spirit shiftings forward.

No one is given an attachment to your mantle for the next three years. Let all look at the surging as an outsider. It's time to build and bring in great wealth. It's now given.

OCTOBER 18, 2020

1:52 p.m.

YAHWEH SAYS:

Tell Me. How hard would a raising of a dead person be if they were above the earth and had just died? Would that fate be an easier way than if I brought back buried dead people? No human can take on raising any dead person without My power. No one can take credit and say they brought back anyone.

No power is greater than Yahweh's power. All power that humans walk in is a delegated way. I Am Yahweh, God of all spirits. I give unmeasurable power. I am not a human. My power flows in great strength. And now is that time for power to build a major outlet so that many souls will have a power way in drinking it. You are going to walk in great power that will shift how the world sees Yahweh.

Do not break your time with Yahweh. Yield and take in all Yahweh gives, and when Yahweh has you take a break for other intakes, follow Yahweh and yield. The apple is Our treat for how you are turning. The way is accurate. You are stripping away.

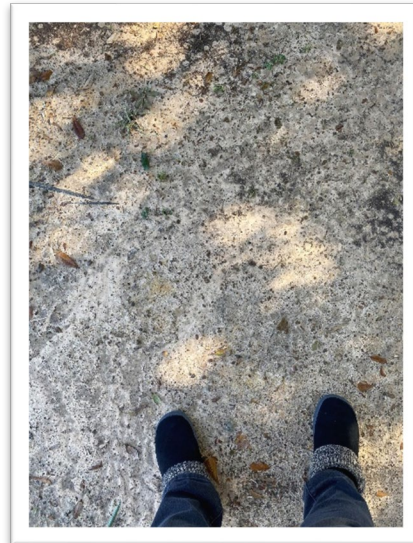

Now, look at how the cemetery is while we stand here on another trip. Look at how the ground is hard. Look at how no one is following you around, begging you to touch their

sick family member. No power has been presented to others to make them beg for your hands to touch them.

But now that Halloween is almost here, the time has come to pour out great power and bring a way for the start of street ministry this coming Mother's Day. No one will have to be begged to read your work or have a powerful taste. They will just come and gather to wherever they find out you are.

Something must happen to make them look. And I have that way planned. Look at all these buried dead people in the Katy cemetery. Can you see how materialization of the dead is mandatory for the rapture, for resurrections from buried dead ways?

Do not try and push Yahweh. You are not but do not let people make you. Just stand with Yahweh. Take a picture of the ground where you stand. You are not in a stagnant plan. You are moving forward, and much will come forward to light as Yahweh gives.

YAHWEH SAYS:

I can raise anyone. You have to understand the process of raising the dead.

Transition to Work

YAHWEH SAYS:

Please do not cry. See it; you are truly not crazy to give the most controversial book. Why? There is no one who can stop it from going out in the whole wide world. Money will not be a problem; it's on the website for all to have a free reading. Do not give up. You are building up a presentation for all the world to know of the work that is placed upon your shoulders.

There is a great power that will begin to come out to the people. They will drink to feel the power of Yahweh in their own hearts and daily living. I am well aware of what you are needing, and I will surely provide and take great care of your whole way.

Do not give up. It's coming to the surface, the powerful Yahweh's surging. And no one can halt what Yahweh is giving out. I know that you are here in Katy, Texas, against your longing, but I know that no one will be able to keep him here when he has a real good look at how you are turning.

Do not give up. I will not let you down. Take a look at all the dead people in the cemetery. Where are they now? In Heaven? In Hell? Or are they fertilizing a tree? You will know the root plan of Heaven and Hell when I take you to both often.

Drive to see them. Do not take a plane this time. Soon you will have your private jet. You are never going to give the impression that serving Yahweh brings wealth. At this time in your work, I have a great need to put on your shoulders: build the healing rooms. I will fill them with surging power.

How can you build them without the wealth? How will you get the wealth? From power. Not earthly power, but a power that brings a transformation in the person where body, soul, and spirit take on Kingdom order. And when that level of power comes, there is no need for a doctor's second healing confirmation.

Who will deny it when organs grow out? Who can deny power when the spirit realm shows up on natural film? This is the power in the early stages. Get rid of all the old training. Let's get to work. Leave those already published details. Push out the power way at day's light. That means vegetables and water till we go on our trip. I am not going to let you sink with My work needing to come forward.

YAHWEH SAYS:

I want to raise millions before the given resurrections given in Revelation. I took the leverage feeling away. True freedom can surge within as well as the third final anointing for the work. World prophet, prepare. It will be a really hard first year.
