

PRAYER TO BREAK OFF DEMONS

INTRODUCTION BY THE GREAT KING:

Sheila is a people-pleasing woman who is bitter and deeply wounded. She feels as if Jennifer was taking power over her children. There is deep pain, still, due to the way that she was left with those children. The Great King is moving to do a major breaking in this full detail. You will give this entry to the whole world but use different names and different placings. This will make it free from slander.

Slander would be called: any detail that represents a person with a viewing that they are not pleased with even when that viewing is truly the real way being given. The way is to break what demon is moving to hinder the will in the Way King Jesus. Break that spirit of control. Break that spirit and send it where I command you.

THE PRAYER TO BREAK OFF DEMONS

King Jesus, in Your name, You have great authority, wisdom, and all power. You, Great King, can truly break off demon dealings that move to bring hindering details to Your people. In the name of the Great King Jesus, I speak a break in this demon who moves to control in this person named name the victim. Right now, loose that person this minute. And in the name of King Jesus, I bind you demon from Hell; let name the victim go. Send those who would influence this person to move against the Great King into Your way of dealing with them. Great King, Your purpose is truly greater than any detail given by humans. May Your Kingdom, power, and great glory rule in this detail. Let there be a noted shift this day. And let the work of the Great Way be sent forth with great transforming power and fire. Amen. Amen. Amen.
