

# HOW TO CLEANSE A TERRITORY

This document covers a general cleansing of a territory. Ask the Great King for other necessary changes in your plan that would bring about a release in your personal experiences.

## STEP ONE

### **Doorways—anoint them with oil.**

All (demons, angels, and people) can come and go through these major entries and exits in a building. The doorways would all need to be anointed and prayed over in the name and in the blood of the Great Way King Jesus.

### **A prayer for cleansing doorways:**

In the name of the Great King Jesus, doorways: you must come under the authority given in the name of King Jesus. Have a pure purpose. And no one can move into this building without coming into contact with the blood of King Jesus that is now being applied. A covenant with King Jesus brings freedom, power, and protection from the enemy. Amen.

## STEP TWO

**Break off connections in each territory (room, space, area).** After anointing the doorways, let the Great King show you areas in each room that must be spiritually cleansed and dealt with through prayer. For example, if there was a room used for witchcraft, have a specific prayer offered to Yahweh that would have a delivering factor. Here is a sample prayer:

### **A prayer to break off witchcraft from a territory:**

In the name of the Great Way King Jesus, by the authority given to me in King Jesus, this room is to realign with the purpose given in God's plan. This territory is ordered for cleansing in the blood of King Jesus. Every unclean connection: In the name of King Jesus, be released and separated from this way here. The angels of Yahweh are cleansing this room. This room is to yield to the authority of God and take on the purpose of a power-filled work in the Kingdom of Yahweh. Amen.

### **STEP THREE**

#### **The Building's Foundation.**

The base (floor/ground) needs cleansing, and all defilement must be removed from the root, in spiritual ways. If you are not the original occupant, there may be details that would need to be bound and taken out from that place, to set a new foundation, cleansed from defilement. Demons can take territorial possession of the building when there is a spiritual act made on that property, which brings an open doorway for the demon to stay there. Some of these practices include dedicating the building, earth, foundation, and various rooms, to Satan in any detail. Because of previous sin, you may be under Satan's territorial order. All practices Satan has had a person engage in have a territorial right to be there. It will take a break from the ways in previous things to move in freedom in King Jesus.

#### **A prayer for cleansing the foundation:**

The name of King Jesus can bring order to the atmosphere in any building. The blood of King Jesus covers sin and can blanket every sinful deed committed in this building. King Jesus, we bring this territory to You, and as we intercede but not taking on the sin, we ask You to bring cleansing to the foundation, and we anoint it with oil. We ask You to see it as an offering

for the Kingdom purpose that You have planned. Please cleanse it and remove all traces of Satan's work. Let there be a fresh start, a cleansed foundation, and a permanent work given that will bring You great glory. Seal this cleansing with Your precious blood. Amen.

## **STEP FOUR**

**Renounce the past.** Renounce all practices that are Satan-based or moving in a nature that gives Satan a right to be in that territory. Do not have any shame to confess details that would bring deliverance.

### **A prayer to renounce sin:**

King Jesus, I ask You to cleanse me from my sinful way of the previous living. I give You my body, soul, and spirit, and I ask for a removal of every sinful connection that is still attached to me in the spirit realm. I renounce every satanic act and movie viewed under Satan's power. I renounce every sexual tie that is not honored by Your will. I renounce every soulish connection, every covenant based on worldly affairs, and every yielded action into Satan's power plan of sinful living. I renounce having dabbled in these following acts (name them), and I give myself to King Jesus for His will to be released within my spirit. My heart gives a true surrender to King Jesus. Amen.

## **STEP FIVE**

**Seal the walls, windows, and the building.** After addressing various areas and renouncing demon-practices, have a way to pray for God's way of sealing the walls and windows. Ask King Jesus to send angels to guard window entrances. You will need to seal it with His blood after you cleanse it.

## **A prayer to seal the building as a whole:**

In the name of King Jesus, we speak to every doorway and window and wall holding up this building, and we bring it under a sealing in the blood of King Jesus. In a strong moving of power in Yahweh, we say to this foundation and structure to now drink this sealing blood of King Jesus and stand in great strength against the state of Satan's snare. Let the King seal the building closed from destruction. Lord, send warrior angels to give protective actions over this very place now under Yahweh's protection. Amen.

## **STEP SIX**

**Pray that God gives a significant filling of His presence.** Fill the walls, ceiling, windows, bases, any floor space—with His great power. Do not leave any detail in assumption, and be willing to yield to instruction through the Spirit of the One True God.

## **A powerful prayer of spiritual filling:**

Great Yahweh, King of the universe, we give You this territory as a place to carry Your presence, and we give You a true offering of service in Your great Kingdom. We humbly yield to what You would have this building used as, and we ask that You will be with us in spiritual fillings. We request that You will come down from Heaven in great power. Stay with us here.

## **STEP SEVEN**

**Give God full reign in your dwelling.** Ask Him, continually, to show you details in this cleansing process that must be removed and thrown out. Ask Him to take you through your dwelling often to reveal details that would give a demon a right to be there. Be willing to deal with demons that may be connected. Remember—as you may have

cleansed it, you can cause a breach in your spiritual protection by yielding to sin and by willingly giving Satan permission to use your land.

## **STEP EIGHT**

**Your spirit is gauged, continually, in spiritual matters.** There must be a covenant relationship with King Jesus. You must have a spiritual connection in place to handle these details. The authority to cleanse and remove demons and filth, in spiritual ways, is given in King Jesus. Don't try to use the name without knowing the One behind the name with the power to set free and deliver.

**Here is the prayer of salvation to come under Kingdom order. These words given in this general prayer can also build outreach groups who minister to the people:**

Dear Jesus, I ask You to forgive me of all of my sins. I ask You to save me. I have turned my back on You, but now I come to You. Please cleanse me from all unrighteousness. Please heal me. Please heal me in every area of my life. Most importantly, please come to live within me. I want to know You. I want to have a relationship with You. I am Yours. I am Yours forever, my God, my King, and I choose to serve You for the rest of my days. Thank You, Lord, for dying for me and for saving me. I receive all that You have for me. I look forward to being with You forever. Amen.
