

I SAW THE WOMAN WHO BLASPHEMED

DECEMBER 25, 2018

YAHWEH GIVES A MAJOR DETAIL, YIELDING A CONDITIONAL RELEASE:

I came and stayed with Our servant for a short time frame. But that time together brought a major turn in your spirit that is launching all. The power of Yahweh is a tangible force that can infiltrate all realms and regions. No human has a power that is of greater strength than power from Yahweh. The powerful Yahweh has stopped by, and you are now filled with a level of power that can heal all.

What proof can I give? Why would your darkest enemy try to hinder that time of impartation by breaking your heating unit on Christmas Day? What power comes from your way! Now I will start letting the people have a real taste, even greater than in the Year 2011. It's now granted.

Power is now granted. Build up. Remember what My angel showed you? A mantle and a staff. What did I give Moses? A natural staff but a spiritual mantle to hold the weight of the assignment on his shoulders. What you were given—a spiritual staff and mantle—it's a powerful upgrade release to have a powerful way to engage the spirit realm.

You can truly see it. With the powerful Yahweh entering a covenant with your way, there is a service you are bound to obey and follow at all costs. We are giving you great warfare weapons. We are making sure your spirit has a full upgrade with new skin. No one can get close to your spirit without Our permission. I have the power. I have filtered it in past training levels. But now, I have given a conditional full release. And with that level of power, I will look at the servant's way to see if pride rises once again.

And now, for the whole year of 2019, a preparation period will lead. And I will have your spirit seared. And your fear of seeing darkness will be dealt with so that you will have a

ready plan of the one year in Stage Three. Come and enter the permanent way. Turn into the way of presentation.

SEERSGATE SAYS:

God has a plan that will bring a deep revelation concerning those Christians who have turned back into the world. There was a woman that I remembered from Kodiak. She stated she felt uncomfortable with me laying my hands on her body to pray. She has been under heavy influential details to come under the impression that I would transfer evil spirits into her.

She has been in church services where Yahweh allowed me to give messages and teach His will in that gathering. We have prayed in church gatherings together. We have given words of knowledge and powerful declarations as a spiritual team. What would take place for her heart to turn away and have strong convictions that I have been led astray?

A CONTINUATION OF THE CONDITIONAL RELEASE

Yahweh holds this way of impartation until Halloween 2022.

THE GREAT WAY KING JESUS SPEAKS WITH SEERSGATE THROUGH GABRIEL:

What would take a true Christian into saying blasphemous details? You can now drink even deeper in spiritual matters. Yahweh is granting your way a full seeing, where you will learn of the fate of living people so that you will not be deceived with their presentation.

Why has Gabriel entered your dwelling to state this major will from King Jesus? You are in Our ninety-day drinking to build your work into all it should be. It's the Catalyst moving, and there must be a new level of surging with a new level of work.

We are showing you what will take way with the woman mentioned in Letter 30. From the spiritual power moving, you see her falling into a very deep pit. It is extremely dark in the pit that is reserved for her, even at the very moment of this major teaching. Servant, you are not permitted to ever lay hands on her body. You are never in a moving from King Jesus to give ministering details within her body, soul, or spirit. There is no leeway. If you forget, your hand upon her body will take her into the death phase instantly. And she will fall upon contact, dead, and her spirit will go out of her body, down into the Hell, where she will stay until judgment.

There is a **new covenant** in place with your work, with the prophet, with Seersgate, and with every person joined in covenant with you. Do not test Me in this judgment, for she has spoken in her heart and has said that your way is doing this work with the help of demons. There is a full turning in her spirit that makes it dead. She works her ministry through her redemptive gift as well as from the drinking of the environment. She does not know that there is only the Hell that is purposed for her, but there will be a clear knowing that she is in a deep wounded dealing that will make it impossible to have her reconnect with Yahweh.

I am Gabriel. I stand in the presence of Yahweh. I come now this moment to impart into your spirit the next stage of power for presentation of the full way. Now every photo of your way will draw the people. It is given. You must keep away from junk food for one whole 365-day dealing. Power in a new level, for the work requires the power shift that comes and brings forth creative miracles.

Your daughter has Our surging. She will come and build the media platform with amazing graphics to show all what the unseen really looks like. She will be able to live next door to you in Heaven for all of eternity, and so will your firstborn son. Servant, I can tell you long for Our hand to change what your spirit looks like. I am adding a new shade of deep blue. The surging from the Throne Room—it's coming within in a deeper pushing way.
