

# THE GOD OF THE OLD VERSUS THE NEW

Journal Entry

**Susanna:**

Lord, there is something on my mind.

**Great Holy Spirit:**

Let's talk about it, Susanna.

**Susanna:**

I was reading Job, and while I was reading this Book, I thought about Your nature, and I also thought about how people view You. Some look at Jesus in the Old Testament as being one way and look at Jesus in the New Testament as being another. I say it like this because most people don't realize that the God throughout the Old Testament is the same God of the New Testament.

Some think Jehovah is a mean God, while they believe Jesus is a loving God who accepts all things. People use the grace factor and think that they can sin as much as they want and be covered under grace, not realizing that there are still consequences to sin, including curses and disease, as well as separation from You. Yet people should see that God the Father, God the Son, who is called Jesus, and the Holy Spirit are One. There is only one God, and God says He never changes.

People don't like You, Lord, when they read about You in the Old Testament, but they like You as You appear in the New Testament. People think that the Old Testament and the God of it no longer exist or are in effect. They are so focused on grace and God's love that

they fail to see other parts of Your nature, where You are Holy, Just, Righteous, and sin cannot be in Your great presence.

If people embrace the plan that You are the same God, the One True God who is in both the Old and the New Testament of Scripture, they would see that You encompass all things, and You are the same throughout, where You never change, and You will never compromise Your nature to please humans.

### **MESSAGE FROM THE LORD**

Susanna, this is indeed how people think of Me. Again, you are being shown a deeper revelation of how man thinks, how they view Me as a whole. They try to separate God and make two Gods—one for the Old Testament and one for the New, yet I am the same God. I never change.

My love was just as great in the Old Testament as in the New, but people do not see it this way. They don't realize that I AM. Jesus is I AM, and I AM was with Moses at the burning bush when Moses was called to return to Egypt to deliver the people of Israel out of bondage.

Jesus said in the Book of John that He is I AM. Jesus is the same God.

This same God is the One who met Joshua as the Great Commander of Heaven's armies. This same God is the One who spoke all of creation into existence. This is the same God who will return and judge all. And once all have been placed in order, where death has been destroyed, Jesus will give the authority that He received from His Father back to God the Father. And this is also mentioned throughout.

God exalted His Son Jesus so that His name would be the highest, and every knee, every power, every spirit would bow their knee to that name, to Jesus, because all things are

under Jesus. There is no name greater, and there is no one who has more authority and power than the Great I AM.

This is where people ought to study My nature throughout Scripture. I came not to destroy the Law. I came to fulfill it. I didn't come to get rid of what the prophets spoke in Scripture. I came and fulfilled it because many spoke of what I would bring to pass by My coming, My death, and My resurrection. And soon, more will be fulfilled when I return the second time as conquering King.

Yes, I am King, and people must see that I have always been King, even in the Old Testament, when My people wanted an earthly king and rejected Me. It didn't change My nature because they rejected Me as their King, just as nothing will change who I am today because people only want to see My love. It doesn't change who I am.

Nothing will change My overall nature, nor will anything change My will. And this is why people must stop viewing Me the way they want by looking at parts of My nature. They must embrace My total will and nature, where they see that the God of the Old Testament is the same God of the New.

And this same God is here on earth today. Yes, the Holy Spirit is this same God of the Bible. He is the Spirit of Christ, and He speaks His will on the earth today to let all know what His will is so they may drink of Me and follow Me with their whole heart.

### **Great Holy Spirit (cont.):**

This is a very powerful message, Susanna. And you see what we are doing. Our lessons, so to speak, on My nature are building, and we are sharing these with the "family" as well. It's because I want us all to move as one in this great movement. After you are ready to begin your work, this is first; a priority and must go out. Go ahead and do what you need to do, and we will take care of this.

**Susanna:**

Yes, Lord. Thank You. This is amazing. Thank You, Lord.

**Great Holy Spirit:**

We will do the same as we did with the other. Message; then excerpt, then mail out.

**Susanna:**

Yes, Lord.
