

# SATAN'S WAY

July 6, 2021

I have been privileged to have a real look at Satan. Why would I say that it was a privilege? Imagine the trickery that social media, movies, books, and private workers use to make it appear that Satan is like a person who is agreeable—agreeable to like and accept, one who has human feelings and emotions. I have learned very recently of Satan's prince demon named **Pure Evil**. I mentioned this world-level demon in the message Yahweh gave me concerning the Age of the Antichrist.

**Pure Evil** literally gets his surging of evil from Satan.

**Pure Evil** is the actual name of the demon. I dealt with this demon under a filtered situation in the old days of my spiritual wilderness training to sense demons with my spirit, and this demon literally oozes evil. No matter how evil a person presents themselves, there has not been a person on earth who moved in the fullness of Satan's demon named **Pure Evil**.

I have been raped by Satan due to watching a movie dealing with a mummy that killed her human prey during a covered sex act. At that moment, when I viewed the scene of sacrifice, a demon entered me. I heard one of the angels talking with me, I heard the voice of the Great Holy Spirit, and I heard the demon that entered.

As odd as engaging the spirit realm seems to the human who does not believe it exists, would you willingly watch perverse details? You willingly view videos and films that glorify Satan, his demons, and Satan's way of nature, yet you cannot fathom the need to live a holy way pleasing to Yahweh to avoid demon torture.

It is very unfortunate how some in the church lack understanding pertaining to spiritual dealings, yet it seems that Satan's followers have a keener understanding of there being

a spirit realm. I know there have been extreme opposing views concerning the spirit realm within the church. But either way, there should be a plan to seek Yahweh and let His power way of wisdom guide us into peace and understanding concerning these matters.

But back to this talk about Satan’s way. Some would say, “If Yahweh loved you, He would not allow Satan to harm you. You claim to be a ‘spiritual’ person. Maybe you are not really holy unto Yahweh.” That day of the attack, Yahweh had great angels surrounding me. He had forty angels with me, and they are here today. These angels are in my Angelic Guard, here to protect the message within my prophet’s mantle.

God did not fail me. Here is where it is important to note, we as humans still have free will, even while being a Christian way. Satan does not leave us alone because we are Christians. There are many situations where we tend to think that we are unbreakable, impenetrable, believing that we can do any sinful deed or watch any filth and Yahweh will protect our spirit from harm.

I let down my guard when I watched that filth. But Yahweh did do an amazing way within me: He filtered the attack. Yahweh made it so I could not feel Satan’s full surging of evil. Here is what Yahweh told me:

.....

An excerpt from *The Age of the Antichrist*. Part One: “Satan will Reign Without Hindering Ways.”

Yahweh said it:

...You had to be a woman and this world-level prophet to have a different presentation than Satan’s plan. You were raped by Satan and filled with a legion of demons, yet you are sane and not foaming at the mouth. Why? I

did not give you over to the legion. If I did, they would have placed you in a mental facility or doped you up on antidepressants and suicide watch medication—all due to you viewing that mummy movie that gave a platform presentation to the demon named Set. I warn you: you cannot let Satan into your territory on purpose. We here—Yahweh—must lead all spiritual engagement...

.....

I have to trust Yahweh in how I see, hear, and engage. Every real servant in Yahweh's care will have free will—a free will to sin, to be with Yahweh, to eat whatever they choose to. But there are certain training situations where Yahweh demands a set apart plan where the flesh is placed under submission. And in that way of living set apart, we then yield what we think is better and let the Great Holy Spirit take us into a seeing and hearing way that will not require extensive preparation when meeting with Him.

Satan is very ugly. Here is how Satan is mentioned in my presentation orders:

.....

Yahweh says this:

...People will wonder what you saw. Satan looks as if he is not human, yet he presented himself with two arms and two legs. His face is filled with evil. There is no good-natured way that stems from him. He did not have hair. He looked an old way, without wrinkles as humans would carry with age. He had a brownish-gray dead look, with no way of any light to shine from his way. He was truly taller than could be clear than from sitting. And with his way, he came alone...

.....

Satan has also presented himself to me as an angel. I saw him when I was younger, where he appeared as an angel way of presentation, very deceptive, but his eyes were literally shaped as snake looking. He had an angry presentation. He spied on me but could only come to a certain distance.

Satan does not have a red tail. He is not as what the movies say. Satan is a created angel, turned demon. Satan has his home in the Hell and brings up demons from the Hell to torment those on Earth. Where is the spiritual place called Hell? In the heart of the earth.

If you are a real prophet, feel how dabbling in sinful living taints your spirit and makes you waver. There is no pleasure in serving Satan. Do not yield to the pleasing of the flesh. Satan is real. Others, known as demons, serve him. No demon is under Yahweh's house. Do not yield to the ways that say to follow Satan's nature.

Your enemy is using human hosts to come against you. The ones who yield to Satan's way let his nature rule within and having fleshly cravings tend to lead. I will say, I do not take pleasure in knowing of Satan's craving to destroy me, but I am surely praising Yahweh that He is with me. Yahweh is the way to moving in real Kingdom purpose. When you lose all those who said they would never leave you, don't forget that King Jesus literally speaks and creates with His spoken word.

.....

Concerning King Jesus, Colossians 1:15-20 NASB says:

(15) He is the image of the invisible God, the firstborn of all creation: (16) for by Him all things were created, *both* in the heavens and on earth, visible and invisible, whether thrones, or dominions, or rulers, or authorities—all things have been created through Him and for Him. (17) He is before all things, and in Him all things hold together. (18) He is also the head of the

body, the church; and He is the beginning, the firstborn from the dead, so that He Himself will come to have first place in everything. (19) For it was the *Father's* good pleasure for all the fullness to dwell in Him, (20) and through Him to reconcile all things to Himself, whether things on earth or things in Heaven, having made peace through the blood of His cross.

.....

It's not your job to prove to the world that Yahweh is real, Heaven is real, and that eternity will be for everyone—Heaven or Hell. You are to be a light to others, sharing the Kingdom with demonstration, not with prideful actions and religious ways. Seek Yahweh's Kingdom first.
