

# DEALING WITH INHERITANCE DEMONS

## THE GREAT WAY SAYS:

You have been getting major details in your spirit concerning what others have been dealing with. People are under major demon oppression in their way due to major details in spiritual connection due to familiar spirits.

What is a familiar spirit? It is a spirit that is connected to a certain family line. That spirit brings torment to that family, and they are given through inheritance. Familiar spirits also come to a family member in the shape of a dead relative, to give them a way to believe they truly talk with a dead loved one.

Details shared in conversation with the demon may seem truly real, yet they will not have the ability to really be that dead person. Why a familiar spirit? Many have attachments that must be dealt with. They think it is a detail to deal with in continual movings, but the Great Way is able to break off all details with family-based demons through a simple prayer.

Put your life in order with Yahweh. Do not try to serve Yahweh and Satan. You can love one or the other. Know the Kingdom of Yahweh through inheriting eternal life. First, take on eternal salvation; then, take on the spiritual removal of inheritance demons.

## PRAYER OF SALVATION

*Dear Jesus. I ask You to forgive me of all of my sins. I ask You to save me. I have turned my back on You, but now I come to You. Please cleanse me from all unrighteousness. Please heal me. Please heal me in every area of my life. Most importantly, please come to live within me. I want to know You. I want to have a relationship with You. I am Yours. I am Yours forever, my God, my King, and I choose to serve You for the rest of my days. Thank You, Lord, for dying for me and for saving me. I receive all that You have for me. I look forward to being with You forever. Amen.*

## **PRAYER TO BE RELEASED FROM INHERITANCE DEMONS**

*Father, Your Spirit has the great power to give a release in me through the blood of King Jesus that will set me free from all inheritance demons. Any demon that is scheduled to enter me or to torment me in any way will have to submit to the name of King Jesus. I am a true follower of King Jesus. Lord, I ask You to reveal any sin within me that I have not repented from. I ask that Your precious blood will cleanse me from my sins. Dear King Jesus, take Your place in my spirit as Lord and God over all areas. In the name of King Jesus, I command every demon that has taken residence in me to leave at this very moment. In the name of King Jesus, I command every familiar spirit, every generational curse to break from me. In the name of King Jesus, I have fully been released. Demons connected to my family: Go where King Jesus sends you; never return to torment me in any way, shape, or form. Great King, please seal my heart, my spirit, with Your blood, and have my family line made pure from all details. Please bless this family detail in me, where my children will not have a demon-dealing based on any previous will from dealing with demons in the family in any way, shape, or form. Lord, please also show if there is any hurt within me that must be dealt with; please bring it to the surface. I no longer want to be wounded within. Healing is important too. Please show me these people, these details, if any, that must be dealt with, so no demon will be given details about me, to use against me, to then torment me. No fear will keep me from trusting You, Great King. Please burn out all details in me that are not pleasing to You. I submit to Your will. Use me for Your glory. Amen.*
