

THE DEMON THAT LOOKS LIKE JESUS

Yahweh is leading:

People are saying that they are kissing King Jesus. Do you believe that I would come and make human emotion with another? This saying that I kissed a man was spoken of by another man. You know that Yahweh King Jesus is the God-Man. I have two roles in presentation: the God-Man. I never was only a man. I came into the world as God I AM. You know of this. But people are teaching others that I lived only as a man.

Think of it: can a man offer eternal life if they are also only a man? King Jesus is God I AM. My blood is God-blood. Mary was chosen to give birth to Me in human ways, but Mary never became a co-carrier of My blood or My power. Mary cannot save any person. Do not pray to a dead person who was the carrier of the Son of God.

King Jesus is Yahweh. To those who read this little note that My servant pens for Me, do you believe that King Jesus is Yahweh?

This man came and said that King Jesus kissed him. Wouldn't that go against how I view married ways? Is the Church of today expecting Yahweh to lower His way and become a mortal? Two natures in King Jesus—God/Man—but always the God I AM.

Seersgate, share.

Seersgate shares what she learned:

I recall a demon that Yahweh warned me about. This demon is beautiful, with a well-looking presentation. Not all demons are scary or present themselves like monsters: Some

look like animals or appear human-shaped. Some demons present themselves as characters from a sci-fi fantasy film. Some demons appear as the most endowed man, or your fantasy of gender ever craved to get the human to mate. Some demons look like they came out of a horror movie. But the demon that impersonates Christ gives a true presentation in resemblance.

Yahweh warned me that this demon comes to people and presents itself as King Jesus, visiting solely to mate with a human. The demon expects to mate, stating that if the person is a citizen in Yahweh's Kingdom, they will mate to show their love for King Jesus. Women and men take the demon's words as truth as if Yahweh deals with them. People think they mate with King Jesus; they feel they show Him love through intercourse.

You can entertain an angel and think the angel is a human.

Do not neglect to extend hospitality to strangers [especially among the family of believers—being friendly, cordial, and gracious, sharing the comforts of your home and doing your part generously], for by this some have entertained angels without knowing it.

— Hebrews 13:2 AMP

So, if it is possible to see angels appear as if a human in presentation, there will be spirits other than angels that would materialize. Here is the definition of materialization:

=====

Materialization is the result of a material transfer. A spirit from the unseen way takes on the shape of the natural, where they shift into a human form of presentation. It's when the unseen realm of spirit form takes up a natural way to move in being revealed by the natural senses. King Jesus could eat natural

food and engage in natural interaction with the humans gathered (read Luke 24:36-43).

The Great Way visited Abraham as a guest, taking on a form of a substance that would have a way to engage the human with natural presentation (read Genesis 18:1-8). God's Word speaks of entertaining angels without knowing they are real angels because they can appear as a human form of presentation (read Hebrews 13:2). Materialization gives angels and demons a way to interact with a human through natural engagement.

Yahweh:

So, what is a safe way? Go by what the Word of Yahweh gives you. My love for the Bride is not with physical intercourse. We—Yahweh—give real love through the blood of Christ. I will never bend My Word to mate with any human. I am a very holy God. Stay with Yahweh's Kingdom order.

A lot of work is ahead. Tell the people My great will.
