

DELIVERER

A Message for Susanna, now Seersgate

Given through the vessel Apostle Travis Thigpen

Father, tonight, thank You for the establishment of Your purposes, establishment of Your calling here tonight:

"My daughter, as you have walked with Me in the last several years, and you have been walking and trying to understand Me in some very key ways," the Lord says, "My daughter, you have been a very key student and keen student in recent years." And the Lord says that "even tonight, you leaned forward as it were in your 'spirit man,' saying, 'Father, Lord feed me. Let me hear Your voice. Let me know Your Words.'" The Lord says, "Daughter, I am taking you beyond your culture. I am taking you beyond your cultural experience." And the Lord says, "It hasn't been all bad, but it hasn't been all good either, but I am going to make a shift." The Lord says, "My daughter, you are going to see. It's going to be a place of great—not just—the humility is already there." The Lord says, "It is going to be a place of great breakthrough and liberty inside of you, and as you speak," says the Lord God, "there's gonna be a compassion, and when you speak," says the Lord God, "there's going to be words of life." The Lord says, "I have called you to be a deliverer." The Lord says, "You will be one to bring deliverance into the camp, deliverance into the Kingdom." The Lord says, "There will be a fire at times that you'll start, even by fiery preaching and teaching. You said, 'Oh, God, Lord, how can that be?'" The Lord says, "Daughter, tonight, I fan the flame." The Lord says, "Daughter, tonight, I fan the flame." The Lord says, "I stir up the gifts that have been in you." The Lord says, "Things have been put in you before. Men and women of God have laid hands on you and imparted and

activated and released and deposited and put inside of you. And at times," says the Lord God, "you said, 'Oh, Lord, when will this be? When will it come out? What's gonna happen?'" The Lord says, "My daughter, even tonight, it's shifted. Even tonight, it's changed." The Lord says, "My Jewish New Year began a couple of months ago." And the Lord says, "It's harvest time." And the Lord says, "Even though you are going through a season where it might seemingly be a little cold." The Lord says, "Your spring is now at hand. The second harvest is on the way." The Lord says, "You've had a measure of harvest, and you felt like saying, 'Lord, is that all there is?'" The Lord says, "My daughter, baby, we are just getting started." I hear the Lord saying, "You're going to begin to see that the latter rain is greater than the former rain, and the glory of the latter house will be greater than the former house. And all that you've seen, and all that you've spoken about, and all that you've desired," says the Lord God, "you're going to see far more. It's going to happen," says the Lord God. "It will happen within your peoples. It will happen with other nations." The Lord says, "It will happen in times and seasons in this nation." The Lord says, "You will find yourself so filled with Me and so fired up in Me because you go and you spend times and seasons, and in times, even seemingly extended seasons soaking in My presence, hearing My voice." And the Lord says, "In times, the enemy will whisper and say, 'Now don't you get religious. Don't you remember this person and that person?'" The Lord says, "My daughter, you will never become religious because you have relationship with Me, and relationship is what prevents religion." The Lord says that "Relationship will cause you to walk in a grace and a power." And the Lord says, "You will do it in this hour, and it will not be in years." And the Lord says, "You are now at hand. You have crossed your Jordan." The Lord says that "You have allowed the circumcision of your heart," says the Lord God. "And because of Gilgal," the Lord says, "Now you are ready for your Jericho. And the Jericho will come, and breakthrough is at hand." The Lord says, "You will be rejoicing in the land. Father, I speak a release. I loose an empowerment. I cancel the old. I

loose a charge of life, hope, grace, confidence. By faith, Lord God, I release a Papa's blessing, a Father's blessing upon her now, Lord God, to flow not just over her mind, will, and emotions; her spirit, soul, and body. Hear this: I speak Your blessings now over her spiritual DNA—to change out some of the stuff, even from the past. I speak a blessing, a corrective action on her spiritual DNA, and a renewing of the mind, in Jesus' name.”
