

LEARNING TO MEET WITH YAHWEH

Excerpts

SEPTEMBER 15, 2005

Susanna:

Lord, I want to hear from You.

Great Holy Spirit:

Susanna, when will you learn to trust My ways? Do you have to see things to believe it?

SEPTEMBER 28, 2005

Susanna:

Lord, what is hindering me from doing Your work?

Great Holy Spirit:

You think that this is all a figment of your imagination—that I am real, and what I am telling you is real. Why do you want to be like everyone else, Susanna? You are so focused on pleasing others and not Me. The past week, you have been putting everyone else before Me. You would trust and listen to their voice before listening to Mine. Don't you even realize that I am controlling this job and the outcome of it? Why are you so slow to do what I asked you to do? Am I not important to you? Idols can also be people, you know. Susanna, I have to come first no matter what. You have more fear of man than a fear of God. What are your priorities, Susanna?

Susanna:

Finish the website, prepare for the job, and then?

Great Holy Spirit:

You are overwhelmed in your problems instead of giving them to Me. Seek Me first, Susanna.

NOVEMBER 4, 2005

Great Holy Spirit:

Listen to My voice, Susanna. Why is your heart so downcast? You act as if your life is miserable. Why do you give up on Me so easily?

Susanna:

Please help me, Lord. I don't know why.

Great Holy Spirit:

It is because of the Word: You are lacking in it.

NOVEMBER 27, 2005

Where is the Power?

Susanna:

Lord, where is the power in the Church?

Great Holy Spirit:

Where's the faithfulness, Susanna? Where are those who love Me more than anything else? Where are those who hunger and thirst after righteousness? Susanna, nobody really wants Me. Is there anyone hungering and thirsting after Me?

Susanna:

Lord, here I am! Please help me to walk in the Spirit and not in the flesh. Set me apart for Your work.

Entry 1

Great Holy Spirit:

Tell them what Heaven is like, Susanna—not just Hell, but also what I have in store for My children.

Entry 2

Great Holy Spirit:

I just wanted to tell you that I love you. I do care about how you feel. Thank you for coming upstairs even though you were tired. This shows Me your heart. Go to bed, Susanna.

Susanna:

I love You too, Lord.
