ABOUT THE BOOK'S GRAMMAR

The notes given in this book are a part of the servant's personal experiences and training, lacking perfect grammar and extensive editing to keep a more authentic presentation of actual training events. Sometimes, Yahweh doesn't say "an" when needed but would use an "a." It's not a grammatical error but a note of the actual way spoken.

ABOUT SERVANT SEERSGATE

Susanna (called Seersgate by Yahweh) is a world-level hearing and seeing prophet who engages in conversations with Yahweh, given delegated governing to carry a mantle that operates in the work sphere as if a prophet of old. She spent ten of her thirty years of novice training in a spiritual cave under Yahweh's plan. Throughout her novice training, Seersgate tasted different levels of spiritual engagement with angels and demons in tester work environments.

As Yahweh leads, this work with the Great Holy Spirit will include demonstrations of creative miracles, wisdom, judgment, and experiential learning. We will publish messages, teachings, and training material without reservation to build up Yahweh's Church.

YAHWEH'S SAYING

March 28, 2024

2:16 p.m.

YAHWEH SAYS IT:

Seersgate, remember all of those ways of conversations? We said certain words you grew familiar with: "It is just a distraction." But We also told you these words when dealing with how sick your blood family is. What are the odds that both your mom and dad have brain illnesses? Both are incurable with natural medication. And every time you ache within and quietly beg Me to heal them, what do I say? They're being under spiritual attack from Satan.

Satan knows you can't do anything to make Me give them healing. He was permitted to torture your way by hitting the natural flesh of those you love dearly. You know Yahweh. You hear Me speak in word-for-word engagement, yet We will not bend to heal them. Yahweh knows you hurt greatly, yet Yahweh can't bend to Satan.

I say these words so that others—they would see that there is no promise of healing in this natural living. Only salvation is guaranteed this day to all who would come and drink living water. King Jesus is the only way to Heaven. There is full healing when a person enters death. And I will raise them up on the last day.

Stand with Yahweh. Satan treated you poorly. Do not ever curse Me. If Yahweh yields their healing in natural living, there would not be a favorite to choose. Yahweh loves all who are His. I will bring great power to build Yahweh's work very quickly. Power, not natural income, is the real way. Let this be the entry note to this beautiful little book.

REJECTION E-MAIL

September 8, 2014

AN E-MAIL FROM PASTOR KATHY, ELIZABETH CITY, NORTH CAROLINA:

Dear Susanna. I am so concerned that you have connected with New Age teaching and occult practices. I'm sorry I cannot accept what you are saying but I know the True Lord Jesus loves you so much and wants you connected back to Him. I was so excited to see you and pray you will not continue in this path of training and teaching. The supernatural is very real but you have chosen the wrong path. May Papa God show u[sic] His truth in your connections.

May 25, 2019

A QUICK NOTE FROM THE GREAT WAY YAHWEH:

Susanna, I can see how the work will cause many to turn against you and say you are a cult leader, heretic, false prophet, jezebel, false Christian, and a fake caregiver of the people. No one can learn of this power work by former church ways. It has never been done. No other person prepared the way for King Jesus in the way of Israel before I sent John the Baptist. They—the religious—were against his preparation for the coming of the Messiah. I ask you, as Our world-level prophet, to prepare the world for the return of Christ. I have also asked you to build healing rooms all over. I have asked you to raise up the buried dead as a proof for resurrection power. I never need you to defend any Message from Yahweh. Give them whatever I say. You hear Me word-for-word as if I am a human who carries on a conversation with you. And that is how the prophet over a nation known as Israel gave Me his way. He—the one who is referred to—is My servant Moses, who I dealt with in conversations as if speaking as a human friend. And he was

only given the sphere of influence to govern over Israel, and when the children of Israel came against My servant, I defended him. Why haven't I defended you? You were in a rebellion state, and I placed a partial removal over your spirit and caused no one to stand and say that you really are a called servant. No one needs Me to prove you. They do not believe anyway, and there is no plan within Yahweh that will yield to needing human approval. And there will now come a true level of spiritual surging of wisdom that will draw the way. And there will be powerful shiftings within Yahweh, within the servant under the will of Yahweh. It will take great movings of power to have a strong faith in what We give you to move in. Please stay with Me and give the people My will.

DREAM: "KING TUT"

Dream: March 24, 2018

Interpretation Released: February 11, 2020

YAHWEH SAYS:

Who can help you when We push the materialization training? Who can be a support base and give you the needed way of power backing to keep your real way safe? There is nowhere you can hide. There is nowhere that will take you away from the spiritual warfare. Share it, everything that your spirit remembers.

SUSANNA SAYS:

I was with a small group of people, and in this meeting, there was a conflict within the group that is not clearly seen. In the meeting, they were against this statement that I made concerning how the very military way here should also be seen as a perilous duty when they stay on their government's land because they protect the very legal territory of that land. They were upset with me for making that observation clear and told me that I should leave the nation if I felt that way.

There was a part where I sat on the right part of a joined seatbelt with a male who I do not recognize as a relative or a friend. It is a truly major dream that shook me. I told two women in the dream—one was extremely tall—that we must never work without power. I stood and also preached a very quick message in front of a larger group gathered, and something in the spirit was activated from preaching to this little crowd that gathered in the dream.

I had another part of the dream. It contained a scene where I stood over an open grave, and the funeral director said that since it was night, the earth would have to be covered

up by the workers when they returned for work. The owner man said that it was King Tut but at a plot on American soil. The owner-director was dark-skinned and claimed a way of joining with the dead pharaoh. As if a wall was lifted, I ran across the cemetery, and in the dream, as I ran, Yahweh spoke to me and said that Satan is not able to raise the dead. He was also trying to comfort me so that I would not fear the dead following me home, where I lived as a young woman.

It is clear that it is in Norfolk where the dead king was given a spiritual place in the earth, but what does that really say? How many Africans have been taken and brought in through Norfolk's gateway? I came to the street and hid from a machine that came through—a very great green machine cleaning the street with a very powerful method. I made it to the house where I lived as a kid, and before getting there, these few small demon figures shaped as human forms were near me and came from behind me. I turned in fear and noticed that they could not move any closer due to an angel standing there, blocking them.

Why couldn't I see the angel that was ten times—it seems—the height of these demon figures? I pointed and laughed, mocking how a great warrior angel halted them. Then something quite frightening took place: At the street of the house, many people surrounded me. Their spirits were the only part of them gathered. They were by the house and standing on other house porches nearby. There were people there who were chanting and speaking out a chant I do not have knowledge of on both sides of the street. They came in closer. I would wave my arm, and they would dissipate. It was by spirit travel that they gathered.

In my spirit and heart, I knew that they were witches and warlocks sent to speak harmful curses against me; but I am under a heavy level of protection. I ran up to "The Rock" D.J. and told him that I must speak with him concerning what just happened. It's as if there was a powerful night visit, and then I had a plan where "The Rock" came by, and I had to tell him that he was in my very shocking dream. God will give the interpretation.

YAHWEH SAYS:

(A private way was spoken.)

Those were actual witches and warlocks speaking major curses against the spirit part of you, but We kept you safe from that major group of demon followers. This is happening now. We gave a dream with you preaching. It was mentioned in the dream that your way was being activated. Guess what the activation was pertaining to? Preaching before multitudes. Where? Everywhere. And with that actor, his fate is tied with meeting you. And it is important that We break off certain details from his way.

Servant, where will you hide? Please start guarding your gates within your way. Please get ready for street ministry. Didn't I mention just recently that you have to enter street ministry in South Florida very soon? Doesn't it look impossible with how the natural way is leading? I am up for a challenge. And you were in a great moving. Please get a four-bedroom, minimum. There needs to be a place where We send these demons to deal with you in materialized ways.

Where is your spiritual sight? Why could you only see this way of demonic activity yet were unable to see the presence of God? It is your final way of training, and after a major battle, the angel will be fully materialized and will greatly encourage your way. Many witches and warlocks are already speaking against you. We have shown various Satan worshippers what power is given into your calling, and they speak heavy curses against Our servant.

Become the way in presentation. There will be no way to break the materialization training, and there will not be a will that will lead in leaving out this major turning into a world-level worker. The world will see the training notes. It is real. And you will take

pictures of the office space, and on those pictures, I will cause the unseen realm to be revealed. Be a ready way. There is no way that any human can help Me train you, and no human will deal with the training way with a plan that can give you a listening ear.

You will endure. Stay close to Yahweh. I grant the materialization training. I grant a deep seer way. I give you all five office gifts. Govern well. I now activate your prophet orb. Pick up the unseen realm in a new level as a released servant. There is a major shift to turn you fully into the way of presentation. And the turning will bring a major shift in body, soul, and spirit.

ANGRY AND WOUNDED

October 16, 2021

9:41 p.m. CST

ANGRY, WOUNDED PROPHET SAYS:

I always thought that being a prophet would be so much fun. Almost twenty years ago, I thought it would be so much fun to have that title until I learned it's not all I thought it would be. People want to call themselves a prophet without any preparation or training. Imagine changing how you look and act, going against what your spouse would find attractive. I had to gain seventy pounds, just like an actor for a movie role. I had to take on harsh boundaries and restrictions, staying away from those who would cause Yahweh's anger from how they would feel irreverent heart actions towards Yahweh.

When someone continually lies, Yahweh would have me back away and cut ties so that how they are would not cause Yahweh's anger and possibly slay them.

I told a pastor quite a few years ago how I would want to go on stage and tell everyone about God. I had no real understanding of how Yahweh actually is: the same God of the Old Testament. I couldn't understand this way of Yahweh's presentation, how He would be so loving in other people's way but never a Judge to them. They would always say how Yahweh is love, yet they would also block out the parts of Yahweh's nature that gave judging ways. And when a prophet would say Yahweh's judgment, they could not fathom how Yahweh would be so "mean" to them.

They say the God of the Old Testament is not the same God in the New Testament due to the difference in temperament. Yahweh is the same God of the old and new sections of the Bible. "Look at how Yahweh would come and swiftly show His anger." That's how

they would say it. "But look at how much the sweet, caring Jesus is willing to let everyone into Heaven. He is so loving and will let me do whatever I want without consequences."

Oh my, how can I persuade all that the God of the old is the same God? This is what grace does: it hides Yahweh's "harsh" ways. Let me give an example: A woman is caught in the act of adultery in the old ways. They would stone her right in the streets. That's a quick action that has a quick response. Now take those under the Church Age of Yahweh's grace. They would videotape themselves having adulterous acts and would brag about it on social media. They would tell others in the church how they slept with so and so or how they couldn't wait to get that church member in the church closet for a quick act of adultery (referring to a married plan in that account).

And even with the professing of the sin, people just turn away and say, "Oh, what a hypocrite," or "Oh, if they are a Christian and they are having an affair, then it must be okay. For surely, I don't see a mob out there about to stone them." But what others do not have a seeing is that there are angels recording every action, writing down every word spoken, taking notes of how well we steward Yahweh's talents.

Yahweh is still angry for how the adulterous person turned away and sinned, yet their grace cushion backs up the anger and forces the person to only pick up on the love and grace of God. The anger for the sin is still there, but Yahweh waits for His day of judgment and will weigh us by how we were habitually serving one side or the other.

Saying you're sorry for sinning is good, but with a true repentance, there is a turning away from sin. When a person tells their spouse that he or she loves them yet goes out and has sex with others, then comes back and says they are sorry, but never turns from the action, is there a real turning away from sin?

(1) Then I saw a new heaven and a new earth, for the first heaven and the first earth had passed away, and the sea was no more. (2) And I saw the

holy city, new Jerusalem, coming down out of heaven from God, prepared as a bride adorned for her husband. (3) And I heard a loud voice from the throne saying, "Behold, the dwelling place of God is with man. He will dwell with them, and they will be His people, and God himself will be with them as their God. (4) He will wipe away every tear from their eyes, and death shall be no more, neither shall there be mourning, nor crying, nor pain anymore, for the former things have passed away." (5) And He who was seated on the throne said, "Behold, I am making all things new." Also He said, "Write this down, for these words are trustworthy and true." (6) And He said to me, "It is done! I am the Alpha and the Omega, the beginning and the end. To the thirsty I will give from the spring of the water of life without payment. (7) The one who conquers will have this heritage, and I will be his God and he will be My son. (8) But as for the cowardly, the faithless, the detestable, as for murderers, the sexually immoral, sorcerers, idolaters, and all liars, their portion will be in the lake that burns with fire and sulfur, which is the second death."

—Revelation 21:1-8 ESV

Notice that Scripture. Look at how the sins of verse eight give the second death, the lake of fire. But people lie today. People are fearful of letting others know of Yahweh's plan. Some are heavily into yoga and other occultic actions. Some dare not to yield to a belief in there being a real God. And the list gives other examples. But what makes an adulterous person go to Hell? Is it the one-time plan, or is it the multiple actions? It comes down to a lack of turning away from sin, a true turning into the Kingdom culture of Yahweh, taking on the covering from the blood of King Jesus through the forgiveness of sin.

I could not understand. Could God be mean? No. He is transparent, faithful, loving, just, and so much more. And a well-rounded view of His nature stems from a covering of both parts of the Bible. Stay away from the Passion translation; the account is too marred,

giving too much of a generalized plan. Stay with Bible translations closer to what is intended from the original power plan.

Note that Yahweh can still give a person salvation without them having read one page of the Bible. How else would the thief on the cross have a verbal way to enter Paradise? So, a person can get “saved” on their deathbed and still enter eternal living with King Jesus. But I would not take that risk of holding out just in case. It is better to have King Jesus within us even this day.

Why do I share this plan? I want you to know me a better way and to see that my ten years in the Cave training in remote parts of Alaska and in other lands were under the hand of Yahweh as presented in the Old Testament. I’ve been trained as a prophet of old, separated from the culture of the current church ways. The training was not what I thought it would be when Yahweh gave me spiritual treats to get my attention.

I became angry with how I could not act “wild” and ask for forgiveness the next day following the sinful act. I would look at how my brothers and sisters of the faith would take on vile actions, yet they were secure in their plan. And then I would watch other brothers and sisters in the faith go under heavy legalistic ways about how I dressed. I was emotionally torn. And I could not tell them about the visions and dreams or the spiritual encounters.

I tried to tell one pastor about a dream I had almost twenty years ago, and I was told to be careful that I could be in occultic actions. I would share a few paragraphs of what Yahweh says, and another church leader would say, “God said all of that?” I became introverted—a type-A, hearing and seeing novice prophet, afraid to tell my church leaders what was happening to me. And now, I can see why church people are afraid to tell their church leaders that they struggle with sin or addictions because they may automatically become outcasts.

Yahweh, help us to seek understanding from Your great river of wisdom.

I can recall about twenty years ago when I went to a church. And there was a “non-titled” person who told me that I was a prophet. I was so enamored with that idea and could not wait to tell a church leader. I was like the proud Joseph who couldn’t wait to tell his brothers how he had a dream from the One True God! I told them, and they told me that it could not be true and not to believe that.

I actually still have the memory of that day. I know of the leader, still. I know their name, and that memory has kept me down in a doubting plan. Even when Yahweh gives signs, wonders, visions, and dreams, I think they are not enough unless some clay human backs up what Yahweh says. How common is that?

Leaders: take a real evaluation. Seek Yahweh first before automatically shutting off what Yahweh gives through others. Do not automatically say that God did not say such and such without actually talking to God and lining up their actions with the Word of God, not just your leader friends you tend to go to. What if that person is in a Cave training, spiritually hidden? Their prophet traits are veiled, and Yahweh will not back up that novice prophet until they are active and released.

Let me share another hard memory. I was told to give the pastor of a church in Kodiak a judgment, a message of rebuke from Yahweh. Pages of correction from an unproven prophet in the Cave training. You got a well-rounded perception of what that would look like in the spirit realm? Well, I delivered the message, and the pastor told me that there was no way that God would have said all of that and that I would not hear from Him that way. The pastor also told me that he talked to his leader friends, and they, too, said that God would not have said all of that. The pastor was more caught up in the idea that the message was long and in the first-person tense from Yahweh Himself. He could not get past that idea and completely rejected it based on the confirmation he gathered with his church leader friends with whom he shared the message.

Later, I sat down with that same pastor on a church pew. I recall it clearly. That day, the pastor literally banned me from speaking in his church building. He told me that I was not allowed to say anything. And while I was being rebuked for having Yahweh give me His message, in the spirit realm, Yahweh allowed me to see the presence of the angels from my Angelic Guard surrounding me, taking notes and writing down how I dealt with the weight of rejection from the pastor.

I could not say anything in his church again, and I feared that Yahweh would make me say something, and I would have to disobey Yahweh. But guess what happened? I had nothing. I never had another message to give directly to that pastor or his church gathering. Yahweh did not overstep what that local church leader wanted. Yahweh did not have me usurp the house. And since then, Yahweh will not have me join a church or sit under a local pastor because of what I will say in His name, and many will not like the message.

The message: Come under Kingdom order. Turn from your wicked way. Address the sin and serve the One True God.

I completed the Cave training period of ten years, and the thirty-year novice training finished, but I am winding up my transition to enter the real work. Wow. That was a lot of sharing. My message is not what I want because sometimes I want people to want to be around me. What can I say? I am a reformation prophet. One I can relate to is Jeremiah; I cry a lot.

Like Hosea, whom his wife rejected, Yahweh wants my heart to feel the pain that Yahweh deals with for all the rejection that comes His way. The people turn away from the One True God and go after false gods. Yahweh wants me to relate to Him, so I can understand what He deals with. I feel Yahweh's pain.

When I gained seventy pounds, I dealt with the harsh ways of thin women looking at me or commenting and saying they have self-control (implying I did not). But they did not know that Yahweh made me gain weight as a distraction, hiding behind what most would overlook while ignoring the actual calling attached to the person.

I used to mock the extremely overweight people on TV shows and comment on how lazy they were for not walking a few steps or climbing a treadmill. It baffled me how they appeared to give out so much self-pity, wanting others to feel sorry for them, how they would say it hurts so much to walk. And here I am with just a seventy-pound weight gain and was shunned by men and women, looked down at, or commented on by saying, "Oh, what happened? You gained a lot of weight!" I could not climb a flight of stairs without being out of breath, and I hated Yahweh for making me be this way.

More will be given later.

LETTER 30

Meeting Note: Before the Year 2013

How will God cause a major earth-shaking change in the earth, in a major war and battles that are of spiritual movings in the earth, to save us?

SUSANNA:

Lord, may I ask You how You feel about this person who chose not to embrace Your will with the message that was delivered? Am I embracing Your will, or am I taking it personally?

YAHWEH:

Share your heart.

SUSANNA:

I was offended because she doesn't believe You are with me. I almost want to prove that I am not a false prophet, that I am hearing Your will. I know You are with me, and it is very frustrating and makes me angry that no one believes that You are with me. To imply that I do not hear from You bothers me. It's as if she thinks I am filled with demons.

Oh, Lord, I am so sorry. They did that to You when they said that You had a demon in You. Please show me Your heart, how I should look at this, so I don't hold a grudge or offense. I don't know if that is in my heart, but I feel as if You were dishonored as well because You are the One who was doing the work, where it is Your message and Your will.

YAHWEH:

That is what you should see. It is not you who was dishonored; I was. Susanna, you are just a messenger sent by God to proclaim His will throughout the earth. It is not you who was being dishonored; it was the Spirit of the Living God. When you go out to declare My will, know that it is My Spirit that is doing the work. It is My will. It is My work that is rejected. It is My message, not yours. You are just a messenger sent to deliver the will of My Father in Heaven. Never look at this as *you* being rejected. It is I. I am the One who is rejected.

But this time, she dishonored My great name by implying that you are not being led by My Spirit. If you are not led by My Spirit, what spirit would be leading you? She took My work as work being done by demons. And yes, it's as those who were against Me when I was on the earth. They said I was moving in the gifts through the help of demons. They dishonored My Father.

This is a different form of rejection. With this, she has dishonored the Spirit of God by saying the work that I gave you to do was being led by demons. Embrace what I am saying. When one chooses not to believe a message from the Lord, they are in rebellion. They are not embracing the will of God. They cannot move forward in My will unless they turn their face and seek the will of God.

For some, I have removed My will so that they could not fully reach all that I have promised. It is because they would not believe My message. They would not embrace the will of My Father so that they could go to the place I have called them to.

What if someone says that My work is the work of demons? What if they blaspheme against the will of God and say that what the Spirit is doing is not of God, that it is led by

demons? What would bring forgiveness when they choose to say in their heart that what is being done is not from God? What then? How can I do the will of My Father in that person's life when they say it is not the will of God being done? Should I allow them to move forward in all that I have promised in their lives when they profaned My will and spoken against Me? Should I anoint them? Should I?

SUSANNA:

Your will is perfect. You are God, and no one should profane Your name and receive the pleasures of Your nature and great power. But I am only human and understand with limited knowledge. Your will is law and must be followed at all costs. Please reveal Your will, even now.

YAHWEH:

Find your notes on blaspheming My Spirit, Susanna.

SUSANNA:

(Reviewed personal entry dated September 17, 2010)

YAHWEH:

Isn't that what she did? She took My work and said it was of demons. That is why she did not want you to lay hands on her. But she will see that this movement is truly the will of the Father. Should I have you lay hands on her? No. I do not want you to impart My nature, presence, and great power into her body, into her heart and will. Yes, My great power is able to transform to that degree.

When she sees that this is the will of the Father, she will want to embrace this, but I do not want you to lay hands on her, ever. Do you see the difference? Saying My work is the work of Satan is blaspheming the Holy Spirit. I do not want you to ever impart into her heart, will, or any part of her life ever again, where you go to lay hands on her in any way, shape, or form. Yes, she will notice that something has changed due to this will not being embraced, but she will not know what until this great power comes. Do not lay hands on her, ever. I mean this where I will not change My will. Her heart is only for Me to know in this.

It is because of her influence from her previous covering. They do not embrace My will in this at all. But her way and her previous place, where she was under their house, will not be able to join in this great work at all, where they receive a direct filter of My great power, nature, and so much more.

Yes, things have changed, and I will not tolerate those who are against you because they are truly against Me when you do the will of My Father. Think about this: Someone would merely speak against a prophet of Mine, and I would defend them. But this time, she spoke against the Spirit of God and said with her heart that the work you are doing in My name is not of God, where it is all of demons.

SUSANNA:

I've always thought that blaspheming cannot be done by a Christian, but now just saying that does not make sense—because anyone can turn away from doing Your will. I guess I am trying to grasp the eternal weight of this. Most believers would have other believers lay hands on them and pray for them. For her to be so against this shows that this was in her heart before I came to the church to deliver Your will. It was already in her heart, where she believed I was not doing Your will because I was not under a house.

YAHWEH:

Now you see. The root is in her heart. And she received her influence from those she was previously under. Her heart was already in the place where she did not believe you were doing the will of God. But then it went to this place where she spoke against My Spirit and said with her heart that My work was the work of demons. Only I know where she will be for eternity. My Word makes it clear that this sin will not be forgiven.

God's Scripture says:

Mark 3:28-30 NCV:

(28) "I tell you the truth, all sins that people do and all the things people say against God can be forgiven. (29) But anyone who speaks against the Holy Spirit will never be forgiven; he is guilty of a sin that continues forever." (30) Jesus said this because the teachers of the law said that He had an evil spirit inside Him.

YAHWEH:

Understand this. Her heart was already there. It's not that when you came to see her that she felt uncomfortable. No, that is not so. She thought before that that you were not being led by My Spirit. Then in her heart, she chose to embrace her own will and say that you were being led by demons, not by My Spirit. And from this, she has spoken against Me and has said that the work that I am doing through you is not the will of My Father but saying that it is being done by the help of demons.

There will be some you will meet who will feel uncomfortable, but they are truly this way. For this person, her heart was turned, where she did not believe that you were being led by My Spirit and thought that you are filled with demons, doing the work of demons. You

understand this. She said she was uncomfortable. That is not the root of her heart. That was just a statement.

She has been greatly influenced to get to this place where she has blasphemed against Me, against My will, My great power, My Spirit. It did not happen when you first showed up to deliver My will. It was already in her heart, where she believed you were not doing the will of My Father. So, those who are truly not comfortable, you will know. I will show you those who are just afraid, where they are not sure what to think concerning the will of the Father. You will know the difference. And you are beginning to see this, even this day.

Embrace My will in all of what I have spoken. She had many chances to embrace the will of My Father, yet her influence was too strong, where she is deeply connected. It does not happen over a meeting; it is truly a heart issue, just as with Judas. Even before he betrayed Me, he had deep-rooted heart issues, and then he gave his will over to the enemy so that Scripture would be fulfilled.

I will let you know. I will keep you. Keep drinking the will of My Father. Keep seeking. I will keep you. Do not be afraid. Keep the right perspective.

SUSANNA:

I understand. She had many opportunities to embrace Your will, but her previous place of covering was too much of an influence over her, and she chose not to believe this. You gave her many opportunities. I understand. It's not that she felt uncomfortable. No, it was in her heart.

Your will be done, Father. You are God. I was gossiped about. I understand that but who isn't? I expect that, with so many opposing what You have given Me to do, where they do not receive Your will in Your messages. But it's different when they say the work You

are doing is being done by demons. This reminds me of what You said, how I will see with my own eyes, people fall away from the faith.

YAHWEH:

Yes, Susanna. Those who were once close to Me, they will embrace their own will, where they turn from Me. They will no longer be Mine.

SUSANNA:

I understand, Lord. I guess it just looks different when it's one who was so close to doing Your will. It looks different when you know of this person, where you once fellowshiped with them, ministering the will of God to others.

YAHWEH:

You understand, Susanna. You understand. You had to embrace My will so that you could go to the place in Me. You will see a great falling from the faith. You will see this with your own eyes. You will also see a great harvest of souls come into the Kingdom. You will truly see this. And this is the will of My Father, where this great harvest of souls comes into the Kingdom of God.

YAHWEH (cont.):

What you were given in this week's letter will take a moving to make it clear in the way to move in Me. People must see. They have to truly seek the will from the Great King Jesus in the plan to drink in the full way. The human way is different from the Spirit, that is, the Holy Spirit. Those who would think they move with Me must make sure they can truly hear what the Spirit says to the way they move in their whole body, soul, and all parts.

There is coming a great flood of the Spirit in the earth to bring a shifting, reorder to the realms and regions so that they will turn to the Great King Jesus for their whole way.

The work of Rain is not a new religion. The Rain Movement is: learning to be Kingdom citizens in the earth, representing the Kingdom of the Great Yahweh in the earth so that the people will drink it in earthly details.

The Kingdom is here even this day, and it is the will to give in the way of the nations, worldwide. What causes one to move in saying within that the way they see this Kingdom way is from Satan? Has God not made clear His will concerning this Kingdom work of Rain? It truly is the will in these details to bring a way for nations to drink the Good News of King Jesus in all that they move to do.

That is what Rain is called to in this day—to preach the Kingdom of the Great King Jesus, as well as prepare the world for His return. No one will be able to speak a way contrary unless they were moving against it. But what is most important? Make sure you move in the will of the Great Holy Spirit. It is the same will that is given to the way in the plan given by the Great King Jesus.

People must look to the Great King Jesus to know this will, for it is revealed and made known in the earth. Get ready for the way to be fully in the way of being seen in natural details. Surely the Great God Yahweh will speak the will He would bring, and the world will surely see it move into the natural.

People: Look to getting insight in the way, but look only to drink wisdom that is given in the will from the Great Holy Spirit. A Kingdom that is in the earth, even this day.

Drink, but not the human plan and will. Drink, but not what the critics would speak. Drink, but only using the plan given through the will as the Great Holy Spirit would lead. It is here, even this day. The Kingdom of God is within every true believer in Christ King Jesus.

It is the plan of the Great King to show the Kingdom, in demonstration, as in the days of the first church in the acts of the Apostles. Don't think that the gifts no longer exist. God will surely move the way He would lead. He still has His servants in the earth; they are moving into position. The nations will see that there is only one God, and His name is Yahweh.

Jesus is the only way to Heaven. Jesus is the True King of all in the way in this creation. Jesus is the Savior who died for all mankind, who rose from the dead and is now seated in great power with His Father in Heaven. This Great King Jesus will return to this earth to rule and reign in His Kingdom that will be established through a way the nations will come and drink it. King Jesus is Lord. Now you know that this Spirit who speaks is in the will of the Great King.

PROPHETS ARE WITHOUT HONOR

October 25, 2024

3:50 p.m.

YAHWEH IS LEADING:

See how nothing comes to mind, and you wait on Yahweh to tell you what to say. That is hearing Yahweh as if face-to-face, getting from Yahweh His will, like friends sitting next to each other. The way to hear Yahweh speak in a conversational way is not heavily used in the Body of Yahweh. To be led by a Great God is not a way of carrying out rituals. Yahweh will enable a human to hear Him.

Seersgate, here is where the people need to know: I came and gave a way for your spirit to hear Me. It did not come with tuning into a certain frequency. You didn't attend a weekend course to learn to hear Yahweh. God spoke to you as if sitting next to you in a church service many years ago. You were trained for thirty years as a novice prophet and took on ten years of cave training in rejection within that frame in natural time. I gave you a ten-year punishment from the time of a tester battle in Houston. You ran away to Virginia years ahead of schedule.

Facing that level of rejection wasn't how you were wanting to serve. I told you that just as Paul suffered for Yahweh, you would face rejection in great levels, for the message that Yahweh placed within you is hard to deal with in the people's hearing. They think that when the natural antichrist governs the whole world, they will have their votes and way of churches that will still stand. They forget that the Book of Revelation still has to be played out, with heavy judgments and great torment. Yahweh will pour out great wrath, and you are here to preach the Kingdom and prepare the whole world for the return of Christ King Jesus, not to make friends and carry great ways of followers. Your way is to bring Yahweh's message into the ears of those who would listen.

They think there needs to be many hearing a word from the LORD for it to come forward. Look at where John was when he penned the Book of Revelation. No social media outlet can gauge Me. No one can build Yahweh's work with the praises of the people. My Spirit must bring it forward. The Great Holy Spirit enforces the will of Yahweh, and no outside help is going to build Me in the eyes of the people. Yahweh will prevail.

The prophet must go through a form of spiritual training, a separation, many seasons of breaking, loneliness, and heartache from the rejection. A prophet enters a cave training with Yahweh, where Yahweh makes the prophet stand without any propping up. The people would tell the novice, "You are a real prophet. You hear Yahweh. You can tap into the spirit realm," etc. But then Yahweh covers the novice, and then they face people telling them that they are being misled, they do not have a calling, and that they do not really hear Yahweh.

Here is what is missing with a prophet in a spiritual cave: a prophet's scent. Seasoned or RELEASED prophets cannot gauge the mantle of a novice prophet hidden by Yahweh in a spiritual cave. They feel no spiritual backing or surging in spiritual weight under Yahweh coming from that novice, and due to how they cannot "feel" the anointing or the calling or have confirmation from Yahweh concerning that novice, they think that the person mistakenly believes they are a prophet who lacks spiritual backing. Prophets in a spiritual cave are usually dismissed because they are not active prophets who carry a "released for work" order from Yahweh.

Seersgate, you spent ten years in a spiritual cave. You were not in a released active work, yet Yahweh made you give His will to many. Some listened. Many gave you no place of honor but chose to dismiss you. This is what many in the Church do not have an understanding of. Using the nine gifts of the Great Holy Spirit or walking in the lone gift of saying words of prophecy will not make a person carry the needed licenses to move in the actual office of the prophet. Yahweh must give a different gift to awaken a spirit to

drink. This different gift is mentioned in the five gifts seated in King Jesus. King Jesus assigns these five office placements while the Great Holy Spirit distributes His nine gifts. You see? Two different streams of work; both groups stem from the Being called Yahweh.

What did the people do with prophets of former ways? In those days when the prophets walked the earth, those prophets of old, they were mainly not received in their gatherings and communities. Look at how they tried to usurp Moses even with the great display of Yahweh's power. Look at how they treated Jeremiah even when they could see the words being fulfilled. What was it about Biblical prophets that made them hated? They had to say only what Yahweh willed to avoid getting the death penalty. They could not tickle the ears of the people; I'm referring to real prophets.

Look at today's "prophets." They tell the people words that are contrary to what Yahweh states in the written Word. They place lowercase gods in place of Yahweh, even making the people think they are little gods. Anyone who teaches that you can be a little god carries the words of Satan and must not be partnered with. They kill the prophets who show the people their sinful living. They turn from the messages that prophets say when they must turn from sinful living and repent. Yahweh is looking for clean hands and a pure heart from His people, yet they choose to sin and dabble in the works of darkness.

See it; even family members bring dishonor to their prophet relative. They can't see them past a common way, thinking that they could never really be a prophet. Look at Moses' siblings. See how they casually spoke against My servant. But with today's servants, there is a grace blanket that keeps mockers from feeling the pure wrath poured out on their hands.

Do not touch My anointed ones. "Do not do My prophets harm" refers to bringing a killing. Do not beg Yahweh to kill a real prophet. Do not physically lay your hands on a prophet to kill them. Speak and test the spirits operating, but do not go out to kill a servant. Judge and weigh the actions or the words, but make sure you do not have a hypocritical way,

which means don't speak out against a plan of sin to label another with when you are operating in that same sin. Make sure you have clean hands and a pure heart in Yahweh's seeing.

The prophet is without honor with those they have a common engagement. How would a prophet be visible with their acquaintances who only see them as their family relationship? Let Yahweh bring out a work that His servant is to build. Look at how Yahweh's hand pushes the work. I will not place any human servant on a pedestal. When it's time to hear a message from one of My servants, I will make sure to provide a way. I do not want any prophet to try to get people to hear Me. When the hearer refuses, We—Yahweh—will note that the prophet followed through with obeying Yahweh. It is not up to the prophet to make the people follow what Yahweh states. Give the word of the LORD when permitted if catering to a church house. Do not be a usurper.

Seek Yahweh as to the standing order over that prophet. Make sure they are not in a spiritual cave; then, you will know where they can serve.

HEBREWS WRITER: "GOD NOT TALKING TODAY" LEADERS

May 20, 2022

1:29 p.m.

SEERSGATE IS LEADING:

When I deal with Yahweh, He sometimes changes the word tense in the middle of the sentence. He sometimes uses present tense at the beginning and past tense toward the end.

(2) For since the message declared by angels proved to be reliable, and every transgression or disobedience received a just retribution, (3) how shall we escape if we neglect such a great salvation? It was declared at first by the Lord, and it was attested to us by those who heard, (4) while God also bore witness by signs and wonders and various miracles and by gifts of the Holy Spirit distributed according to His will.

—Hebrews 2:2-4 ESV

SEERSGATE IS LEADING:

People say that the Scripture reference above is a past tense plan, and because it is written that way, the Great Holy Spirit no longer distributes what He gave in the early church days. These social media people say that everything done in these verses "is done with" because of the word tense used. They say, "The word *attested* implies a past and completed action. Done with."

YAHWEH IS LEADING:

I would be wary of that way of thinking. See how the way of Revelation is purposely written. It's already done because Yahweh is outside of natural time, and I can see the whole way. How did John speak of what was given to him? A lot of past tenses given. Now give Scripture references:

And the beast was captured, and with it the false prophet who in its presence had done the signs by which he deceived those who had received the mark of the beast and those who worshiped its image. These two were thrown alive into the lake of fire that burns with sulfur.

—Revelation 19:20 ESV

And I saw the dead, great and small, standing before the throne, and books were opened. Then another book was opened, which is the book of life. And the dead were judged by what was written in the books, according to what they had done.

—Revelation 20:12 ESV

And the sea gave up the dead who were in it, Death and Hades gave up the dead who were in them, and they were judged, each one of them, according to what they had done.

—Revelation 20:13 ESV

Then Death and Hades were thrown into the lake of fire. This is the second death, the lake of fire.

—Revelation 20:14 ESV

And if anyone's name was not found written in the book of life, he was thrown into the lake of fire.

—Revelation 20:15 ESV

NEXT DISCUSSION

(1) Long ago, at many times and in many ways, God spoke to our fathers by the prophets, (2) but in these last days He has spoken to us by His Son, whom He appointed the heir of all things, through whom also He created the world.

—Hebrews 1:1-2 ESV

YAHWEH IS LEADING:

“God spoke to our fathers by the prophets in long ago dealings and no longer talks today.”

If that is the moving given, where Yahweh no longer speaks, then the writer of Hebrews is a false prophet. Many people say that God can no longer speak because now He only speaks through His Son. See how misleading that is? Look at it. It says, “spoken to us by His Son.” Past tense, correct? “Spoken” is a past tense way. So, now we have a real problem with those who stand with this way of thinking that I no longer speak. Then the entire New Testament would be a false narrative or spoken from their imagination.

I group My Church into one era. We—Yahweh—started a new plan when dealing with humans. People must see that if they say Yahweh will not have a way to speak today, they also should say Yahweh did not speak to the early Apostles due to it all being in one era. Even though thousands of years are given from this moment here from the final prophet of old, I gave My Son a way to speak in this era. The Church era includes how the early church operated and, even to you, your way.

How can they say, "Yahweh no longer talks," yet a human is writing Scripture with Hebrews? Shouldn't there be no Scripture after the prophets of old based on their way of viewing Hebrews 1? If they think Yahweh doesn't speak to humans today, He should not have been able to speak to the writer of Hebrews or any New Testament human prophet writer of Scripture because all of the New Testament came after the prophets of old.

THEY ARE NOT GETTING IT

(About Hebrews 1:1-2)

January 8, 2024

4:53 p.m.

YAHWEH IS LEADING:

Put that Scripture again, servant.

(1) In the past God spoke to our ancestors through the prophets at many times and in various ways, (2) but in these last days He has spoken to us by His Son, whom He appointed heir of all things, and through whom also He made the universe. (3) The Son is the radiance of God's glory and the exact representation of His being, sustaining all things by His powerful word. After He had provided purification for sins, He sat down at the right hand of the Majesty in heaven. (4) So He became as much superior to the angels as the name He has inherited is superior to theirs.

—Hebrews 1:1-4 NIV

YAHWEH CONTINUES:

Use logic. Your argument does not have valid backing. Logical thinking would say, "God used prophets as a main outlet for sharing what the course would come forward as, and then Yahweh chose to have the Son come forward and offer final placement as the Word

made flesh, but in both parts of the written Word, Yahweh brought forward what plan He would say through whatever vessel would come forward.”

The prophets of old were the attachment of authoritative hearing from Yahweh and provided a course, alignment, correction, judgment, and protective governing to the ones told Yahweh’s plan. And look at the New Covenant when King Jesus came forward; was there a closing off of the canon by man? What happened after Hebrews One was penned? Were there any other Books added to the Word of God? Use logic in a plan that still justifies those writers after Hebrews came into natural placement. Look at how there are prophets mentioned in the Book of Revelation. Does your logic stand up to what is written? For to say there cannot be any more prophets would say that the Book of Revelation is a lie.

God will bring those witnesses forward to show Yahweh’s plan.

Your understanding of Hebrews is lacking. The way of Christ’s coming is a sealed covenant of blood, and no word would overturn Yahweh the Son.

HOW PEOPLE HEAR YAHWEH

October 4, 2022

9:23 a.m.

This is going to shake up a lot of people.

"Lead us and guide us, Lord."

"I can hear Yahweh."

"I heard the Lord say...."

"The Lord told me to tell you....."

YAHWEH IS LEADING:

What people tend to say they hear: how much of that is really from Yahweh? How much of their hearing would be from the person living under their emotional branding? They say Yahweh told them something, yet I did not speak to them. They want to feel that they have this certain connection with Me just as a prophet of old did, yet they do not. They want to be like the apostles of Scripture, but are they willing to say that what they say in My name is Scripture?

I make you do this with the giving of *The Altar*, for if Yahweh is talking and giving an authoritative stance, what is stated must be viewed as hearing from Yahweh as if living during biblical times.

Did I say to close the canon? Did I say that I no longer speak? Did I say these things? "Do not add to the book" is not referring to a compilation of Books that make up the Bible. Certain early church elders put certain Books they claimed as all I said as a compilation of doctrine to follow. But weren't there Books within that plan that were later taken away?

Aren't there debates that certain writers did not state all that is written, especially when it comes to certain religious traditions? They say that a particular Scripture was "added later and was not included in the original text." Does that make that verse not originally stated in the original manuscript a man-made addition? Wouldn't that added verse cause people to doubt the other portions?

They say, "someone added that little note later to the Scriptures." Isn't that casting doubt on all of the written Word being verifiable? They say certain charismatic movements would take one or two Scripture verses and make up a doctrine to live with as a unbreakable law. Well, aren't certain cessationists following Paul's words as if they are unbreakable? Yahweh is not able to give a new plan overruling what once was due to the dogmatic view.

Seersgate, take your way, for example: you are a woman from birth. You are with female organs, and there is a view that you cannot speak anything in the name of the Lord. This is the way of certain ones who follow the writings of Paul, having women stay silent in the churches. But later, doesn't Paul work with women?

What is the base of the separation, keeping women silent in the churches, submissive to the male? The early churches came into setting up with a Pharisee (Saul) turned follower (Paul). How could Paul's previous training and upbringing be erased from memory through salvation? Name Me one person who became a follower of King Jesus, who lost their memory, who became a robot. There is no one. This is why a person may become a Christian and still wrestle with former dealings.

I gave Paul permission to say his will and make it a protocol in which the churches submitted into. I dealt with a culture that could not bend from the living of keeping women under the curse given in Genesis. Pay close attention. Deborah, the female prophet, also a judge, would have been viewed as out of submissive ways if she became

a prophet and a birthed forth ruler in Paul's day. Paul would not have given her a placement. And Paul would have been put in his place through discipline for not yielding to what leader I yield forward in the current need.

See it? Paul gave two or three Scriptures to place a woman under a submissive way in church dealings as if she was yielding to married ways in her home. Paul gave household order in the church gathering. And this is why the Pastor office is yielded to the male. It's solely based on yielding the household order of protection and covering in the church plan.

"Pastor" equals "covering and protector." But would a man in his home keep his female wife from speaking? Would he say, "keep silent and keep your opinion to yourself"? What good would that do? It would bring resentment. The woman would hate being with any male and would continually aim to overstep what the covering should look like. See it?

The pastor is the church covering. That is the reason I gave an allowance that kept a woman under the covering. But does that state that she is dumb and cannot give any leading? No. But I will not give approval for a woman to become a co-pastor just due to her husband being a pastor. What other office gifts give "co" plans? None of them. So, I will not honor a co-pastor position.

You are a woman who has female organs. I must say it that way; society is confused.

Who is the author of confusion? Yahweh brings Kingdom order, not dogmatic laws that hurt the Body. But is Yahweh only love, or will Yahweh's nature include raw judgment?

Before the fall, how was Kingdom order implemented? Be fruitful, multiply, fill the earth. Govern. But what was different before the fall? There was no leading of one over the other, not in a warring or usurping plan.

(26) Then God said, "Let Us make man in Our image, after Our likeness. And let them have dominion over the fish of the sea and over the birds of the heavens and over the livestock and over all the earth and over every creeping thing that creeps on the earth."

(27) So God created man in His own image,
in the image of God He created him;
male and female He created them.

(28) And God blessed them. And God said to them, "Be fruitful and multiply and fill the earth and subdue it, and have dominion over the fish of the sea and over the birds of the heavens and over every living thing that moves on the earth."

—Genesis 1:26-28 ESV

YAHWEH LEADS IT:

Male and female were created in the image of God, but that doesn't make you a lowercase god. I redeemed you from the fall, which includes the curses. Through the blood of King Jesus, don't you now have eternal life? The curse of death is still leading in natural dealings, but in spirit ways, life comes from being connected to the Vine (Jesus).

They say, "a person is too minor (little old them) to break a covenant of salvation."

I keep those who would make a choice to stay. But would a choice to return to sinful living be removed? What did I yield to Adam and the order he gave to his female wife?

(16) And the Lord God commanded the man, saying, "You may surely eat of every tree of the garden, (17) but of the tree of the knowledge of good

and evil you shall not eat, for in the day that you eat of it you shall surely die.”

—Genesis 2:16-17 ESV

YAHWEH SPEAKS IT:

Would I make “little old” Adam and Eve stay joined in a Kingdom order with how they both made a choice to walk away? One act gave them a spiritual separation from Yahweh. When they ate from the forbidden tree and fruit, their eyes were opened, but I did not bring forth the other curses (Genesis 3:14-19) until after I spoke it. But with the eating of the forbidden fruit, spiritual separation took way instantly.

Now, look at how the grace-laden church culture carries its ugly way. They say, “Let’s view whatever filth we choose. Let’s dabble in witchcraft, and let’s sin continually. Yahweh gives us His grace. No one can snatch us out of His hand.”

Should I look at how there was an instant separation between God and His male and female creation within a one-action of sinful living and give the people of today a break to continually sin, serve Satan, and say they are still in My hand? Look at it: what happened at the eating of the forbidden tree and fruit?

(6) So when the woman saw that the tree was good for food, and that it was a delight to the eyes, and that the tree was to be desired to make one wise, she took of its fruit and ate, and she also gave some to her husband who was with her, and he ate. (7) Then the eyes of both were opened, and they knew that they were naked. And they sewed fig leaves together and made themselves loincloths.

—Genesis 3:6-7 ESV

YAHWEH IS LEADING:

They became spiritually dead upon eating of the fruit. But then I came and visited them. They heard Me with them, walking in the garden. They hid from Me. Even in this fallen state, they could hear Me. They heard Me walking in the garden. Both heard Me. And I dealt with both of them. The male took in the curses. The woman took in curses. And the serpent also did.

And think on this; I verbally spoke these curses after walking in the garden, asking them why they (Adam and Eve) ate from the tree. If these curses were automatically connected to the eating of the fruit and disobeying Me, I would not have verbally given them these curses. Write these curses:

(14) The Lord God said to the serpent,

“Because you have done this,
cursed are you above all livestock
and above all beasts of the field;
on your belly you shall go,
and dust you shall eat
all the days of your life.

(15) I will put enmity between you and the woman,
and between your offspring and her offspring;
he shall bruise your head,
and you shall bruise his heel.”

(16) To the woman He said,

“I will surely multiply your pain in childbearing;
in pain you shall bring forth children.
Your desire shall be contrary to your husband,

but he shall rule over you.”

(17) And to Adam He said,

“Because you have listened to the voice of your wife
and have eaten of the tree
of which I commanded you,

‘You shall not eat of it,’

cursed is the ground because of you;

in pain you shall eat of it all the days of your life;

(18) thorns and thistles it shall bring forth for you;

and you shall eat the plants of the field.

(19) By the sweat of your face

you shall eat bread,

till you return to the ground,

for out of it you were taken;

for you are dust,

and to dust you shall return.”

—Genesis 3:14-19 ESV

YAHWEH CONTINUES:

I couldn't leave Adam and Eve spiritually dead. That is why I kept him from eating from the tree of life. But one action of disobeying Me made you need to receive the Kingdom way within the covenant of blood within King Jesus. I am powerful; I could keep Adam and his female wife from falling into disobedient ways. But they had a way to choose. One act of disobedient way gave them death.

I gave them a governing of curses. These curses were not the order of the Kingdom way. Think on this: Paul gave the early churches an order from a curse to bring a woman under

the male. The Great King's will is to bring governing ways into both the male and female, not give leading ways into the churches based on a spoken curse to deal with rebellion.

The way of the Kingdom is not under a curse of any. That plan makes it truly feasible for Deborah or any other female to move in governing with a real leading from the real King. See it? And within every dispensation, I bring into governing the person best geared to yield to **Kingdom order**, which overrules all past and standing ways. See it?

So, I say, let the male have a leading role of pastor, but still, let a female bring in Yahweh's will in a church. Women lead, speak, and govern their house in married ways and do not take away from the headship of the male. Why would that plan be difficult to yield in My church gatherings? Let the Body of Yahweh come under order and give proper placement to male or female who can give Yahweh's plan.

...

But now We must give order to the hearing way.

CAN EVERYONE HEAR ME SPEAK?

YAHWEH IS LEADING:

Can everyone hear Me speak? They were both able to hear Me in the garden of Eden even after they sinned. The serpent also did. Tell Me, would having a closing of the written way cause Me to stop telling what My created way should move in? To stop governing—that is also in the way I deal with humans, so I cannot stop. And to yield or

remove that way of “talking” would also hinder My governing. To no longer communicate with what I created is a hindering plan.

People lead a confused way. Does a creature have to wait in a secret place, attend a prayer study, or visit church buildings to hear Me speak? Didn’t I give a curse to a serpent, a creature? And didn’t I give leading guidance to the great fish that swallowed up the stubborn prophet? Didn’t I give a donkey a way to see the angel and keep Satan’s way from moving forward? See it? Can Yahweh lead animals this day, or am I hindered because certain church leaders stated that Revelation is the plan to end all communing actions?

Think this through. Even with the early church apostles, they didn’t carry the full sign gift trait into their death. Would Paul have his student take a little wine and not heal him instead? What of others who were left sick, written in the Scriptures? Does not having the ability to walk in major sign gifts bring nullification to the person given a great work? Did John the Baptist have any real gifts? But he is great.

Look. Are you seeing it? The shift is great into building a Kingdom order, such as the way to believe in King Jesus as the Way. But look throughout history. Can reformations lead without having Yahweh bring the power? Can any hearing and seeing lead without Yahweh bringing it into natural movings? How would My creation on Earth hear Me this day? I would just share the will.

What has happened with the churches? People are doing what they feel is right in their eyes. So, groups, cliques, and fads lead. People are craving supernatural engagement. They see Satan let his workers have movies and entertainment platforms, and they wonder why churches state that there is no way to engage spirits.

So, people are saying they are “Christian,” but the heart of Christianity is muddy in their vision. Some are so afraid of hearing a false word that they would rather close off all

hearing plans. They are scared to learn how to gauge prophets, so to have order, all prophetic utterances are removed.

Every person who says they heard something is not telling the truth. How would you have ways to see it? There must be a new shifting. There needs to be a structure shaping. There needs to be a new reformation. But it will not be led by anyone under a church submission. This order has to take on bringing Kingdom seeing.

This person must be trained directly. No church gathering will give My credit to a faith healer. There will be a hard governing from this judge that is coming to the surface. You will see We will not sugarcoat with that person. How can I trust that way? That is why decades of training came from My hand.

How does the church person speak with Me? Praying is one way. How else? Praise, worship, and by sitting in quiet ways. Yes, just sitting with Us, letting Us turn you, is very important. No one can empty themselves and hope to be filled with Us. Meditate on what My written Word states. There is a calling even to come into the Kingdom. My Spirit draws you. Can I draw a person by leaving them alone, no longer interacting with a spirit in the human body? See it? The drawing way of My Spirit breaks free from the chains of saying there's no way I still speak.

With a speaking way, there are more than words. Speaking should include impressing a thought upon a person. Not automatic writing, nor tuning to a certain fake frequency, as they would say. To hear Yahweh is to learn the nature of Yahweh and deal with natural circumstances based on being led down the right path. Guiding a human down the right path involves knowing the plan of God. Yahweh guides the hearts of kings.

Should guidance come in written statements, or can My Spirit show you the way by putting a plan in your spirit to adjust with? There is no shame in being a regular hearer who needs to read the written Word for a structured way to walk into daily circumstances.

There is no shame in saying, "I do not hear Yahweh say to tell anyone anything." To not hear Me say anything to give to any doesn't make you an unconnected way.

Are you craving spending time in My written Word? Are you wanting to pray? Do you yearn to put Me first and have Me only be your God? Do you hate sinful living? Is your way craving to bring glory and honor to King Jesus? That is a way of being connected. Consider this way here: Is your pastor who preaches in the church building closer to Yahweh because he preaches? And should the pastor have a special way of being viewed because they have a title? See it?

These fake prophets and apostles crave what status they think comes with being in those offices, yet they fail to see: Yahweh is hard on those who walk in those placements due to how they can lead a great many. With a pastor, you would hope your pastor is reading the written Word, praying, and seeking to have a leading in his spirit as to what to say. You want a person who has tamed his tongue, who is qualified to lead.

And wouldn't you want that leader to have certain ways to engage Yahweh that may not be granted to all? Are all the hands? Are all the toes? Or are all the mouth? See it? And with various positions in My Church, there will be ways of outpouring certain skill sets on a person to have them lead the people well. And when I do give out a privileged gift, should all in the congregation falsely state they have the same placement? Here is a great example. Servant, share it.

(1) The Lord said to Moses, (2) "See, I have called by name Bezalel the son of Uri, son of Hur, of the tribe of Judah, (3) and I have filled him with the Spirit of God, with ability and intelligence, with knowledge and all craftsmanship, (4) to devise artistic designs, to work in gold, silver, and bronze, (5) in cutting stones for setting, and in carving wood, to work in every craft. (6) And behold, I have appointed with him Oholiab, the son of Ahisamach, of the tribe of Dan. And I have given to all able men ability,

that they may make all that I have commanded you: (7) the tent of meeting, and the ark of the testimony, and the mercy seat that is on it, and all the furnishings of the tent, (8) the table and its utensils, and the pure lampstand with all its utensils, and the altar of incense, (9) and the altar of burnt offering with all its utensils, and the basin and its stand, (10) and the finely worked garments, the holy garments for Aaron the priest and the garments of his sons, for their service as priests, (11) and the anointing oil and the fragrant incense for the Holy Place. According to all that I have commanded you, they shall do.”

—Exodus 31:1-11 ESV

YAHWEH GIVES HIS WILL:

Look at it. The wisdom of Yahweh led in the building up of the old way. The men built the tabernacle with certain placements, as Yahweh stated. Aaron had his garments done well. But did I grant the whole assembly the filling of My Spirit with ways to see and understand what My will is in the great plan? Did all have the ability of the chosen few? Did it seem like I loved the chosen few more than I loved the whole congregation? How detrimental it would be to place a burden on the whole assembly and state that they all should walk in the wisdom and understanding that carried these few when building up My placement.

But look at churches this day. They say everyone should talk with Yahweh as if they were from the days of old. They sell books with steps to be a person who can hear the will from Yahweh as if having conversations. This approach to having the Body train this way hurts overall growth. People think they are not a “good-standing” Christian when they cannot say, “I heard God say....” People want to fit in, but they will pretend to do what others may not actually be able to do.

Even before the shed blood of King Jesus, these men in the Scripture reference were able to know My will with the leading of My Spirit. Isn't there a better covenant given this day? Why do people put a chain of bondage on My people, stating that they must hear and engage just as they would?

Let's have a certain standard for the general assembly. Let's have every Christian drink Me from the written Word. Stop putting your life story in the way of honor. Look at Scripture and gauge what is written in the context. If I am dealing with a certain group, drink that understanding.

...

What can these people hear? Many Christians cannot even hear a whisper. If I gently gave instructions by speaking as if We were sitting next to their spirit, there would be filters in their spirit to keep them from hearing. I give a leading plan in the written Word on sole authoritative standing to keep My Body in unified structured ways. But what if Yahweh can still speak? It's still Yahweh leading in how My work should move in the earth.

When major challenges lead, there will come placements of a surging that may enable a person to hear and see or carry great prophet traits to give a change in the culture in My Church. The problem comes when these extra-gifted people sell their gifts and aim to bring every person in the Church to be like them.

And then another problem occurs when a church gathering carries a culture that gives out no spiritual engagement but happens to witness someone claiming they carry a hearing or seeing gift. They will automatically say they are a false teacher, prophet, or

Satan's cult leader due to how they carry no placement to hear and see just as that person witnessed.

What if, in Moses' way, they could not embrace the other men having that level of wisdom? But with the turning away from slavery and building up a free nation, there had to be safety checks in place: I would punish those who came against or hindered My work with quick judgment. There had to be a backing that the major changes were My will.

Going to build a nation in the wilderness or building up little churches in Paul's time needed a standing proof. But that doesn't give the saying that I did not bring wisdom into the Church throughout history to give a way to break free from the leaders of the day.

And today, there is a world-level reformation prophet coming forward. For thirty years, Yahweh trained her in hearing and seeing. Ten years in that way were spent in a spiritual cave, where I closed off the prophet surging and made her deal with heavy rejection from certain close parties. But why would I need a reformation prophet? Wouldn't anyone have the wisdom to see it? The way of the antichrist will be proclaimed with a world-level declaration.

Yahweh made the prophet. Yahweh trains this reformation prophet. Yahweh expects submissive ways to Kingdom order. And this is why for over ten years, this servant did not sit under a church gathering. I had to strip the culture from the servant and make them learn from My direct engagement. Does that make this servant hear and see? Yes. But the hearing and seeing trait is a gift. It's not normal to hear Yahweh speak in conversations.

Seersgate, do not make anyone feel as if they do not have spiritual growth. Let it be clearly stated: I gave Seersgate a plan to hear and see spirit dealings at an unusual level. Seersgate, you can say a word to Yahweh, and you will get a verbal reply. But this way

of communing requires no effort. There is a literal talking back and forth without hindering ways.

Conversations with King Jesus; this is now given. The general Church will not embrace this without real backing. That is why you will carry the heretic, cult leader, jezebel ways of names. But will that name way cause Yahweh to halt? What did I do with those other movements of Moses and the early church? I gave backing. And if you claim the work of this level, there must be more than words. Don't look for a team to be like you. Let Me fill them with My Spirit, and the people will work in the healing tabernacles you will build. Power has come. Now let's go to work.

HERETIC OR WORLD PROPHET: IS THIS PROPHET GIFT REAL?

July 15, 2022

10:21 p.m. CST (Houston Territory)

Before the fall. After the fall.

YAHWEH:

Seersgate, share the vision that Yahweh gave. Bring it into natural living in presentation.

SEERSGATE:

This is where there will be a taking of sides. How can any human side with a world-level prophet who doesn't have Kingdom surgings coming forward? No one. But Yahweh reveals how He stands with those who are to work. In His Kingdom planning, Yahweh puts male and female as governing weight. And that is how Mariam and Deborah were able to govern in the way of male leaders.

Take a look at this: The "curse of the fall" gave women a lowered way based on the saying that Eve would be subjected to her husband under a household order. But what happened with Deborah? Why wasn't she out of order with leading men in **civil and spiritual** dealings? Deborah was a judge and a prophet who governed the whole nation and gave spiritual leadership over the men and the women alike (Judges 4:4-7). The people saw Yahweh's hand upon her and yielded to the governing upon her head.

How come Deborah wasn't out of order? There wasn't a Church plan in place. So, what gave her a doorway to take in this leadership placement? Kingdom order. Look at it: If Eve were already under her husband in a warring way, she would not have received a

curse to be that nature. The curse brought on that warring **pertaining to household details**. Pay close attention. Under Kingdom order, the will of Yahweh overrules all orders and all customs and produces a new plan based on the whole covering under Yahweh's way. The "Kingdom order" covering overrules all eras.

Suppose in the time of the judges, women did not receive leadership positions. Then Yahweh says,

"Come forward, Deborah. Serve in these office placements. I do not look at gender ways when moving in bringing Kingdom order into natural ways of time."

See it: The Church era will not continue into the thousand-year reign of Christ on this earth. Kingdom order will govern. That's why Yahweh does not say that only men will lead in the Kingdom era. So, what's happening? What if Yahweh is moving forward with a way to bring women and men into Kingdom ways of governing even this day? What if there is an awakening for the **Kingdom way**, not sign gifts but Kingdom order? The awakening would be to plan a path for preparing the way of the Messiah (the Second Coming).

Who needs to bring order to this new power way? What if some (not all) people today hear the God Yahweh, see visions, and dream dreams but have no structure to present this information to the whole outlet? And with people standing by the ways of Paul as if it's the law that Yahweh cannot overrule, they are viewed like those who came against King Jesus when He healed on the sabbath or made that paralyzed man pick up his mat and walk. Are you seeing it? King Jesus is the Lord of the Sabbath (Matthew 12:1-8), and He overruled and brought Kingdom culture into the law of Moses and traditions of men, saying there is a new way. Think about it.

King Jesus took His prophets from across the eras and pulled them out of that way to start a plan that would overrule what the way was. Today, they say, "We know that God

spoke to Paul.” These dogmatic ways today would follow the words Paul wrote as if it were the Law of Moses, now instead placed on a pedestal as if the Law of Paul—something that overrules everything—not giving room for any new movement in Yahweh’s Kingdom order.

In previous ways, they said, “We know God spoke to Moses, but as for that Man...” Look at how they treated King Jesus back when He walked the earth.

(1) As He passed by, He saw a man blind from birth. (2) And His disciples asked Him, “Rabbi, who sinned, this man or his parents, that he was born blind?” (3) Jesus answered, “It was not that this man sinned, or his parents, but that the works of God might be displayed in him. (4) We must work the works of Him who sent Me while it is day; night is coming, when no one can work. (5) As long as I am in the world, I am the light of the world.” (6) Having said these things, He spit on the ground and made mud with the saliva. Then He anointed the man's eyes with the mud (7) and said to him, “Go, wash in the pool of Siloam” (which means Sent). So he went and washed and came back seeing.

(8) The neighbors and those who had seen him before as a beggar were saying, “Is this not the man who used to sit and beg?” (9) Some said, “It is he.” Others said, “No, but he is like him.” He kept saying, “I am the man.” (10) So they said to him, “Then how were your eyes opened?” (11) He answered, “The man called Jesus made mud and anointed my eyes and said to me, ‘Go to Siloam and wash.’ So I went and washed and received my sight.” (12) They said to him, “Where is He?” He said, “I do not know.”

(13) They brought to the Pharisees the man who had formerly been blind. (14) Now it was a Sabbath day when Jesus made the mud and opened his eyes. (15) So the Pharisees again asked him how he had received his sight.

And he said to them, "He put mud on my eyes, and I washed, and I see." (16) Some of the Pharisees said, "This man is not from God, for He does not keep the Sabbath." But others said, "How can a man who is a sinner do such signs?" And there was a division among them. (17) So they said again to the blind man, "What do you say about Him, since He has opened your eyes?" He said, "He is a Prophet."

(18) The Jews did not believe that he had been blind and had received his sight, until they called the parents of the man who had received his sight (19) and asked them, "Is this your son, who you say was born blind? How then does he now see?" (20) His parents answered, "We know that this is our son and that he was born blind. (21) But how he now sees we do not know, nor do we know who opened his eyes. Ask him; he is of age. He will speak for himself." (22) (His parents said these things because they feared the Jews, for the Jews had already agreed that if anyone should confess Jesus to be Christ, he was to be put out of the synagogue.) (23) Therefore his parents said, "He is of age; ask him."

(24) So for the second time they called the man who had been blind and said to him, "Give glory to God. We know that this man is a sinner." (25) He answered, "Whether He is a sinner I do not know. One thing I do know, that though I was blind, now I see." (26) They said to him, "What did He do to you? How did He open your eyes?" (27) He answered them, "I have told you already, and you would not listen. Why do you want to hear it again? Do you also want to become His disciples?" (28) And they reviled him, saying, "You are His disciple, but we are disciples of Moses. (29) We know that God has spoken to Moses, but as for this man, we do not know where He comes from." (30) The man answered, "Why, this is an amazing thing! You do not know where He comes from, and yet He opened my eyes. (31) We know that God does not listen to sinners, but if anyone is a

worshiper of God and does His will, God listens to him. (32) Never since the world began has it been heard that anyone opened the eyes of a man born blind. (33) If this man were not from God, He could do nothing.” (34) They answered him, “You were born in utter sin, and would you teach us?” And they cast him out.

(35) Jesus heard that they had cast him out, and having found him He said, “Do you believe in the Son of Man?” (36) He answered, “And who is He, Sir, that I may believe in Him?” (37) Jesus said to him, “You have seen Him, and it is He who is speaking to you.” (38) He said, “Lord, I believe,” and he worshiped Him. (39) Jesus said, “For judgment I came into this world, that those who do not see may see, and those who see may become blind.” (40) Some of the Pharisees near Him heard these things, and said to Him, “Are we also blind?” (41) Jesus said to them, “If you were blind, you would have no guilt; but now that you say, ‘We see,’ your guilt remains.

—John 9:1-41 ESV

Are you seeing it? It’s the letter of the law, but now it is with Paul instead of Moses. They say, “Yahweh can do whatever He wills,” but they dismiss anything new that brings a change in what they learned. They say, “There is no way it could be God’s will because Paul wrote this —.” Well, Moses wrote Yahweh’s will in that way in giving of the law, and Yahweh’s will from Moses’ time is not, in all parts, still standing due to Yahweh’s overwriting or removing certain traditions, laws, or covenants. Yahweh shapes His Church based on where we are in Yahweh’s plans and what He ensures to bring to current outlets.

In the time of Moses, Yahweh gave His will that catered to build up a people group of former captives and make them a viable nation. And with Paul under a Pharisee mindset, Yahweh allowed Paul to give household structure and order within a church gathering and its culture, putting the woman in a non-active way as if in the house at home. But

Yahweh gave agreement to Paul's way because Paul could not break away from his thinking and his conditioning as a pharisee through all those years of training.

Even with slavery, when enslaved people gain freedom, the nation will give a law that states the enslaved can now go about out of chains, but will the mindset and culture of those within the nation automatically accept the freed race? No. Conditioning. Stigma. Customs and traditions.

They say there are no prophets and apostles today. They made up their own age called the Apostolic Age. Where is that saying in the written Word that the sign gifts ended when the early church apostles died? The apostles were still putting Scripture into penned ways.

There are variances of false doctrines within both camps—the cessationist and the charismatics. But there is a blatantly false root: They make up a doctrine of sign gifts only taking way in a time frame called Apostolic Age. And they say with their assumption based on their reasoning that "since major sign gifts were only with the early church apostles, let's assume that only the early church would need apostles and prophets." But there was never an Apostolic Age.

Now, sign gifts have diminished from only being on one person. Let's ponder that.

No Scripture states this claim that sign gifts ended when the apostles died. Find it in your Bible. The writer said that you would have these office gifts in the **BODY OF CHRIST**, not only during the lives of the early church apostles, and not solely on one person. And Paul labels them.

(11) And He gave the apostles, the prophets, the evangelists, the shepherds and teachers, (12) to equip the saints for the work of ministry, for building up the Body of Christ, (13) until we all attain to the unity of the faith and

of the knowledge of the Son of God, to mature manhood, to the measure of the stature of the fullness of Christ, (14) so that we may no longer be children, tossed to and fro by the waves and carried about by every wind of doctrine, by human cunning, by craftiness in deceitful schemes. (15) Rather, speaking the truth in love, we are to grow up in every way into Him who is the head, into Christ, (16) from whom the whole Body, joined and held together by every joint with which it is equipped, when each part is working properly, makes the Body grow so that it builds itself up in love.

—Ephesians 4:11-16 ESV

Growing into maturity has nothing to do with how long the gifts will remain active in the Body of Christ. The gifts remain active because King Jesus remains: He is our Prophet. The gifts are for the Body of Christ, the Church, which has not grown into maturity. The root to review is that we are still in the Church era, the same era as the early church, which is a spiritual Body that is continually growing. The office gifts are to endure through the Church era.

Paul does not say, “**Only** during the early church days will there be the five office gifts.” He said they are given to the Body. The Body. The Body, not only to those in the early church phase. Is the Church way still going on? Is the Body of Christ still requiring edification? Why, yes, of course. So, with the ones who follow Paul’s way to the letter of the law, by the writer’s own sayings and Paul’s words continuing, as you would say, “Paul still speaks today,” then there should be a building of all five gifts since Paul is considered a prophet as well as an apostle.

Pondering #1

And mind you, even during Paul’s living, the sign gifts dwindled, for if they didn’t, he would not have to recommend his student take wine to

feel better (1 Timothy 5:23). So, did Paul become a fake leader due to the dwindling of the sign gift within himself?

Paul's words (and all the other writings) would have to remain in an active place (to maintain written Scripture), which means that the Great Way—King Jesus—is still pushing the prophet's office to bring the Word forward. Reasoning.

Pondering #2

Paul or any prophet of written Scripture would not be able to speak through any message if the active office of the prophet were not involved in Kingdom order today. The prophet is in an office placement that stems from the weight of Yahweh's spiritual surging to see, hear, and yield a purpose from the Head Prophet, King Jesus. The office itself is spiritual, an attachment to King Jesus. They say all the early church apostles of Scripture have been speaking over all these natural years. But these prophets who wrote Scripture are naturally dead yet spiritually alive with Christ. How can they continue to give their words as active power fillings of Bible Scriptures if the office gifts of apostle and prophet are null and void? The offices would have to continue and remain active to maintain the words of Scripture as active, to influence people and the elements of our surroundings. Why? Because the written Word stems from the spiritual office traits that are seated in those gifts through Christ. Scripture needs a spiritual backing from Yahweh that flows into the office traits to yield influence continually. King Jesus is our High Priest, but as our High Prophet, He brings an active surging for His words to continue. King Jesus will not get rid of a portion of His nature as He enables office placements in the Body due to how King Jesus, through the Great Holy Spirit, is still building up the Church. Yahweh's office gifts of prophet and apostle are in His will, yielded within Him, and given into the Church (the

Body of Christ) by being connected to Him as a spiritual drinking way from the Vine King Jesus. To state Yahweh isn't speaking today is to separate His nature, the way He holds power with His spoken word from creation, into saying that within Him are null and void office placements that are dead or removed. Null and void office placements are unable to bring unity into the Body of Christ and will never be able to sustain any.

Now, take a look. Where is the Church going? The Body will not have perfect people, but every real way of a citizen of Heaven **MUST** have a sealing—eternal life in King Jesus. Living by the letter of the law will not save anyone. If I were a person who said sign gifts have ended, I would reevaluate my thoughts and look at what Yahweh did:

- The Church's inception was extreme in supernatural surgings (to prove the new way was authentic). Yahweh used sign gifts of significant proportions to prove that what was coming forward was Yahweh's will.
- Real Spirit encounters with King Jesus even after His going to Heaven (ex: Paul – Acts 9:4-6); Ananias – Acts 9:10-16) reassured the early church that this was a new power.
- Then the heavy display of power wore off, and people started giving their students statements like, "Take a little wine for your stomach ailment."
- Where did the power go? The Great Holy Spirit yields this great power. Where is the Great Holy Spirit at this very moment? On Earth, within every true Kingdom citizen, and moving in the earth, bringing in souls by calling them to repentance. As they hear the Word, the Great Holy Spirit calls them to the saving grace of King Jesus.
- The Great Holy Spirit continually governs the powerful gifts manifested in the early church. And look at this: To bring anyone into salvation is to give them the greatest surging of power—the ultimate sign gift: to be born again.

- Giving eternal life to a person requires a sign gift from a direct power surging from the Great Way. Salvation is a sign gift. Transformation by the power of the Great Holy Spirit requires a powerful surging, equivalent to a so-called apostle-type sign gift.
- **The way of power surging as was with the early church now blankets the collective Body of Christ, manifested as the Great Holy Spirit wills.** There is no free will in using Yahweh's gifts under the covering of a local church. That means you cannot make the Great Holy Spirit do your will. And you cannot attend a "prophetic" school or church house and pay for Yahweh's gifts. Trying to buy the power of Yahweh is a sinful action. No human can activate Yahweh's gifts, use Yahweh as a puppet, and make Him manifest His gifts based on their decree or declaring.

Now, what if Yahweh brings another way forward? He will manifest a form of proof that something new is taking over. With every new way (season, era, etc.), Yahweh will give evidence or use sign gifts to validate God's will by pushing power from the Great Holy Spirit. Power is also visible with great wisdom. There were no sign gifts with John the Baptist, but he and King Jesus were close in age. King Jesus validated John while John prepared the way. King Jesus became a great sign gift when the Great Holy Spirit raised Him from the dead.

Prepare, for a new way is coming. Prepare. A new way is coming forward. A new way. And when Yahweh brings it forward, there will be a real way to know that Yahweh's Kingdom order is leading. Yahweh seals this way.

Heretic or World Prophet?

YAHWEH:

Having this level of wisdom has the way of sign gift weights in spiritual application. Let's see Yahweh's plan come forward. The way is moving into a full power to bring these messages, letters, and power lectures into the whole earth. That is a part of your prophet mantle coming to the surface. You reason with the people; that is Yahweh's will.
