

No CESSATIONIST OR CHARISMATIC

SEERSGATE SAYS:

I don't want to be a part of either side—the cessationists or the Charismatics. With seeing the plan so blurry, I don't know where I fit in with the groups.

YAHWEH SAYS:

You do not. That's why you are in painful ways. This way that you are given will need real power. It will take real power. No debating, no arguing, and no naming any from either tent within your anger. Are you disturbed? Are you frustrated? You see why I had to fall on the people when Peter visited the Gentiles? Are you upset that Paul didn't see women as pastoral leaders in a church building? He could not set that trait to the side and still begin building up a new plan with the merging of the Jew and Gentile. I had to let them proceed with that way. It would have had a detrimental view to give a woman a leading way over men when it was not done for so long.

See how difficult it is to merge races, and the slavery way was a few hundred horrible years. So, what if it took on the nature of the community? What if never placing a Black person in a leadership role was the mandate from the establishment from the early way? Would starting the new religion bring a shift in the mentality? No. It was ingrained; the view of the race was ingrained.

Following the way of letting women keep silent is to give a layout from early outlets in the transfer from only a Jewish way to merging Jew and Gentile. Yes, I gave that mandate. Yes, I spoke through Paul. Did I remove Paul's nature to have him act like a robot? No. I needed a human who could build a bridge. And I showed My approval by

giving early sign gifts—establishment signs in the Apostles and Paul to bring forward a new power way.

These people that Paul dealt with—they couldn't just hear him and say that he wasn't crazy. Imagine merging Jews and Gentiles under one religion. Great power had to give a way of seeing. The words of a leading church person would not be of any worth when building a new outlet called the Early Church. Now, look at where you stand: A woman of multiple races, raised in a church that stood on declaring the Word, healings, and certain variations of charismatic movings. Your way took in a heavy way of spiritual dealings without the influence in church buildings. This way to drink in great spiritual engagement is due to the mantle that you wear.

We will keep giving you surgings to drink in your spirit to keep you firm in the faith. If I did not give you many spiritual treats, We would not be able to keep you wanting this planning. I would have made you fear that you hear demons instead of the way of Yahweh. Why? Because My purpose for you is humanly impossible by human strength. You wouldn't be able to build healing rooms that carry real surging power without Me. You wouldn't be able to heal the sick, bring in a great soul harvest with human ways. You would not be an operating prophet in the way of administrative gifts and certain outlets of ministry with a pretty face. You need power, a real surging that will shift an era.

How can any person think that I will continue the Church Age during the great tribulation? That doesn't make any sense. Is it written that the Church Age would start when the Torah was given? Does Scripture state that certain Jews would work with certain Gentiles in building a new power way? Would any believe that Yahweh would bring in others apart from what is normally given? Moses was raised away from his people. John the Baptist separated himself from the current religious ways. Samson had certain restrictions to stay in covenant with Yahweh. Elijah dressed differently.

You are different than what is given based on your way of separation. You have no outlet of a church. You will need an even greater stripping to stand in this level of rejection.

And wouldn't I need to back you with great power from the early start in this major work? Wouldn't I have to be invoked? You're seeing how Yahweh has a nature. Not too many can see past a written Word. They cannot understand the reason why I would allow certain dealings.

You know that if people start getting healed from the books and podcasts, hearing your voice, seeing you in any way, shape, or form, it is the same as stating that I approve and that I am with you. I will heal the sick. I will expel the demons. I will show the world that Yahweh is your Master, your Great Way, God, and Provider who backs you with great power.

Now, will power be a real proof of My use of women within leading ways? Yes. Why? Because you are in all five office gifts. You will not be able to give any proof with money. I will need to prove you are this way. See it; We covenant with you. I will let the whole world see. It is needed to share this with the whole world due to your way, giving My will into the earth. See, We partner with you. Yahweh needs you to yield and publish My work and podcast for the way for Me to reach them and to have Kingdom demonstrations on Earth.

You are ready. Don't think you should be perfect to do this great work. Yahweh is showing you the way; walk in it. When you least expect it, you will hear from a famous way, begging you to minister into their need. Are you ready to travel there in the morning within your work and with your presentation? I agree. So, get it ready, those ways, for this way of staying hidden is done with. With Yahweh's work, there must be a release to work.
