### **YAHWEH SAYS IT:**

How can a house have influence over you? How can a house that you buy or rent have influence over you? Can a cemetery have influence over you? If you're buried in the earth, can the burial ground itself have influence over you? It's not the burial ground that will have influence but what governs it. It's what governs the land or the territory that can have influence over another.

People are also territories. The person's body is a form of land. The natural land (tent, dirt), called the body, is also a territory. Due to spirit engagement, some people come against others when they first meet them. They do not know why, but a conflicting spirit prevents them from wanting to engage or go near them.

When you enter a territory or space, whatever has the greater influence will govern (based on territorial ruling). Even the one with greater influence can yield that governing and submit to a lower plan. Now, when it comes to Yahweh, will Yahweh ever submit to a lower governing? Look at how Yahweh governs the human. What does the human look like before salvation? All souls ultimately come from Yahweh. The heavens and the earth belong to Yahweh. All that exists was made by Yahweh. Nothing was made without Yahweh King Jesus first speaking it forward. Nothing would be here without Yahweh King Jesus.

So, how does this relate to Yahweh's governing abilities? Is Yahweh hindered because mankind chooses to sin? Nothing changes Yahweh's strength, ability, or power. Nothing

can weaken Yahweh. So, since Yahweh's power is so strong, why would humans (Christians) choose to sin? The Great Holy Spirit resides within a true believer, yet a true believer can still choose to sin (even with the Great powerful Yahweh within). The governing of the Christian is not relinquished over to Yahweh, where Yahweh **forces** obedience. Look at this Scripture. Servant, put the one I showed you.

(15) Do you not know that your bodies are members of Christ? Am I therefore to take the members of Christ and make them part of a prostitute? Certainly not! (16) Do you not know that the one who joins himself to a prostitute is one body with her? For He says, "The two shall be one flesh." (17) But the one who is united and joined to the Lord is one spirit with Him. (18) Run away from sexual immorality [in any form, whether thought or behavior, whether visual or written]. Every other sin that a man commits is outside the body, but the one who is sexually immoral sins against his own body. (19) Do you not know that your body is a temple of the Holy Spirit who is within you, whom you have [received as a gift] from God, and that you are not your own [property]? (20) You were bought with a price [you were actually purchased with the precious blood of Jesus and made His own]. So then, honor and glorify God with your body.

—1 Corinthians 6:15-20 AMP

### **YAHWEH CONTINUES:**

Look at how the Great Holy Spirit is within the believer. Yet, look at what the believer can still do. So, why would any demon be greater than any true believer? No demon is greater than the Great Holy Spirit, but the Great Holy Spirit is not the human. And the human does not become a lowercase god. This is the misconception of many believers. They think a demon would behave like what they see in a scary movie. Most demons want to keep hidden in their hosts. They do not want to reveal their way.

Some people say, "Why would a person come to church if they have a demon?" Can't they see that a demon is attracted to sin, to joining in sinful influences and behavior regardless of what church house their host goes to? So, what is the problem with the typical Christian? They think they are invincible. They think that they can take on any form of sin and have protection. It doesn't mean Yahweh has weakened. It means that the human takes on the position of a governing authority not granted just due to being a believer. When the human sins and walks against Yahweh's order of how to maintain the temple, the human says that they will be the governing authority, taking the place of Yahweh, and gauge what spiritual encounters are taken in. And that makes the person's way the leading way within. There must be a coming under Yahweh's order, submission.

Yahweh is not hindered or weak.

You are bought and purchased by blood, God-type blood. Seersgate, Yahweh resides in every true believer, yet a believer can still turn and sin. Yahweh is not hindered or weak. I repeat it. Yahweh is not hindered or weak. So, since Yahweh is powerful, why doesn't He stop a believer from sinning? I can. My Spirit is strong enough. I am able to keep you from falling.

A deliverance minister has no power when they operate as the **governing agent** in the place of Yahweh. They become the mediator. They take the place of Yahweh with their declarations and self-reliance. They say to the person, "I set you free." They say to the spirit realm and unseen ways, "Demon, I command you to go. I loose this, and I loose that. I do this. I do that. I..., I..., I...." Can you see where the problem is? They take the place of Yahweh.

You must pray to Yahweh. You must petition Yahweh for help. "Yahweh, save me!" "Yahweh, please set this person free." "Yahweh, we seek You. Please intervene!" "Yahweh, please heal and deliver." You must stop declaring what you want! You must stop making a Bible verse about what you deal with and putting your actions in the story.

You must stop these practices. This rebuke is for those who act this way. You are not the real powerful one. The power is in Yahweh. The power is coming from Yahweh. Stop being the middleman.

I do not need to use a human mediator to set you free. I do not need a minister to bind and break off anything by their words of declaring and decreeing. Stand with Yahweh and pray to Yahweh, minister. I, King Jesus, am the Mediator. Pray and intercede on behalf of another, but never give the impression that you are the key to bringing deliverance and that you must come and lay hands for demons to leave. Direct the people to look to King Jesus. They must pray to drink and hear Yahweh. And your way of knowing Yahweh hears you is by being delivered.

I am not weak, yet a human who is a follower of Yahweh King Jesus can still take in joinings with sinful influences. Bought. Owned. But the human can still govern against Yahweh, not the power, but how My temple is governed. The human can still govern against the Great Holy Spirit and make an active plan that chooses to walk in the flesh and not in the Spirit. Tell Me, what happens when a human body has sexual intercourse with a harlot? Would only the outside of the temple be dealt with, or would the temple come under defilement? Or are you of that mindset that thinks that a true Kingdom citizen can continually sin and not deal with spiritual consequences and defilement?

Before coming to Yahweh, the person is spiritually dead. Life comes by being connected to King Jesus, the spiritual Vine. The life (from Yahweh) continues to be the governing agent in the true follower even upon sinful occurrences. Yet something takes place when there are repetitive, willful sinning actions. When a true follower of Yahweh willfully chooses to walk in the flesh and take on actions that Yahweh says are actions that carry a death way, they slowly turn back and end up dying twice. Twice dead.

A Christian can return to a fallen placement, not due to Yahweh being weak, but they take on willful repeated sinning, with a clear knowing that they walk apart from what the

written Word states. There is knowing, a nagging by the powerful Great Holy Spirit, saying to your way not to go down that path.

You know that having sex with someone who is not your spouse goes against Yahweh's plan, but you say you had a moral failure. You know clearly what Yahweh says in His written Word, yet your way walked in the flesh and chose to walk out of Yahweh's order. Yet what happens is overlooked. They do it over and over. They repeat the sin and say they're sorry, and yet they go back and continue to sin in the same vein of sin, in willing, repeat ways. Where is the turning away from sinful actions? Should there be a habit of wading in defiling the temple and have no darkening of how their spirit drinks?

My power to keep the one who is joined to King Jesus is not in question. Yahweh has unmeasurable power. No one can snatch a true follower out from under the protection of Yahweh. The blood of Yahweh King Jesus is a great price. Yet, pay attention. No one is forced to obey. No one is forced to stay.
